Fine Tuning the Compounding Machine

In recent years, the Indian economy has raced ahead on an impressive track. But the real acceleration lies ahead with multiplier growth on the horizon. In this fast-paced and ever-evolving circuit; staying agile, resilient, and race-ready is more critical than ever.

Since inception, Motilal Oswal has been engineering its business and practices for peak performance — blending strong

fundamentals with precision execution to navigate every kind of market terrain. Over time, we have built what we proudly call a high-performance compounding machine.

This year, as India prepares for its next growth lap, we have made strategic upgrades to our engine; fine-tuning across multiple dimensions to ensure we are primed for long-term performance and built to win the road ahead.

Chairman's Message

ANNUAL REPORT 2024-25

“

I would urge all unlisted companies to go ahead and list themselves at the earliest.

”

First and foremost, listing creates tradable wealth in the hands of entrepreneurs. They are free to use it as they please – consumption, investing, even philanthropy – without losing control over the company, and without impacting the underlying balance sheet. This is tantamount to eating the cake and having it too! In contrast, using the company's profits or reserves for private purposes implies paying a hefty 35-40% tax on dividend.

The second benefit is that listing makes it easy for companies to raise capital for expansion. Importantly, the equity funds raised can be leveraged by appropriate debt capital to magnify the impact. And finally, listing is a great way to retain and incentivise employees by way of ESOPs. Against these benefits, the costs of listing are next to nothing – just compliance with a few norms of SEBI and the stock exchanges.

Hence, I would urge all unlisted companies to go ahead and list themselves at the earliest.

The unlisted universe holds immense potential. According to one database:

- 1,300+ unlisted companies posted FY24 profit of ₹1 Billion or more.
- Their combined FY24 profit: ₹7.5 Trillion, which is 50% of listed India Inc's profits.
- Assuming a P/E of 20x, this translates to ₹150 Trillion of incremental market cap!

These listings could sustain India's ongoing market cap explosion.

A quick look at the market's evolution:

- In March 2000, India's market cap was just ₹7.5 Trillion (Today, 5 companies individually exceed that number.)
- In March 2025, it is ₹414 Trillion, that's a 25-year CAGR of 17%.

At that pace, market cap will double in the next four years—adding ₹400 Trillion in value.

This opens up exponential opportunities in:

- Broking
- Asset Management
- Wealth Management
- Investment Banking, and more

As one of India's leading capital market players, this is music to our ears. Now, our key challenge is to assess how prepared we are to ride this trend, and what is our strategic response.

Here are some highlights which will convince you of our Company's preparedness:

- A robust twin-engine business model (operating businesses + equity treasury), delivering 24% net worth growth.
- 12.8 Million customer base.
- Total number of broking & distribution external wealth manager – 9,191 in 550+ cities, covering 98% of India's postal codes.
- Assets under management & advice – ₹5.5 Trillion.
- Equity research coverage of over 300 companies.
- People strength of 13,540.
- Office infrastructure of nearly 6,40,000 sq. ft. spread across key cities in India.
- And above all, net worth of ₹110 Billion. (including treasury of ₹80 billion).

Having assessed our preparedness, what's next is to have a well thought-out strategic response. Here, my pet term is 4-T: Towers, Technology, Talent and Training. We are literally investing in “Towers” (read: physical infrastructure ahead of growth) in key cities. We are continuously strengthening our Technology and Talent base. We have planned to build a world-class Training academy for our employees. We believe all the 4-Ts will bolster our strategic position as a leading Phygital (Physical + Digital) player in the Indian capital markets.

I hope you are as convinced as I am that our Company is in the right place at the right time. This journey – an exciting past, and an even more exciting future – will not be possible without acknowledging the role of all our stakeholders – our customers, our employees, our business partners, and you shareholders. I invite you all to ride one of the ultimate human inventions – the capital market.

Best wishes & warm regards,

Raamdeo Agarawal

Raamdeo Agarawal

Chairman

Dear Shareholder friends,

It gives me great pleasure writing to you on the occasion of 20th anniversary of our Company.

Here, I will briefly touch upon how India's market cap can explode. This will help us conclude why our Company is in the right place at the right time.

The stock market is a magical place for wealth creation. Every entrepreneur should aspire to be here. Which is why I am surprised to find that there are still over 20,000 unlisted companies in India.

There are manifold benefits to a company getting its equity shares listed on the stock exchanges.

ANNUAL REPORT 2024-25

Motilal Oswal

Managing Director
& Chief Executive Officer

Dear Shareholders,

Indian economy continues to deliver on its long-term growth potential and FY24-25 was another year in that journey. We navigated a complex and rapidly evolving macroeconomic environment, characterised by global uncertainty, market volatility, and shifting investor sentiment, with agility and clarity of purpose. Within this environment, we continued our focus and led to a year which depicted strategic resilience, disciplined execution, and consistent outperformance across our businesses.

Despite global headwinds, India continues to assert

“

Despite a transforming industry landscape, we continued to deliver a robust outperformance across our business verticals. Our team displayed an unwavering dedication and determination, adapting swiftly to changing circumstances and embracing new technologies and strategies to overcome challenges.

”

its role as a structural growth engine in the global economy. Strong domestic consumption, favourable demographics, an expanding digital infrastructure, and sustained policy reforms are laying the foundation for long-term, inclusive growth. The IMF projects India's GDP to grow at around 6.2% in CY25 and 6.3% in CY26, well above global averages and major peer economies. This steady trajectory reinforces confidence in India's macroeconomic fundamentals and its expanding influence on the world stage.

FY24-25 was marked by heightened market volatility. The broader indices surged to record highs in the first half, driven by resilient macro indicators and strong retail inflows, before correcting in the latter half due to earnings headwinds, foreign outflows, and valuation concerns. Yet, investor confidence remained firm, with 4.1 Crore new demat accounts opened, taking India's total to 19.2 Crore, up 27% YoY, a clear indication of financialisation gaining depth. Our core strengths, domain expertise, proprietary research, digital adoption, client-centricity, and brand equity, continue to drive operating leverage, enabling us to scale with precision.

At MOFSL, we delivered our highest-ever operating PAT of ₹2,016 Crore, up 31% YoY. Our Total PAT (incl. Other Comprehensive Income) stood at ₹2,494 Crore translating into a consolidated Return on Equity (RoE) of 25%. These results were anchored in a clear strategic vision, robust risk management, and synergistic execution across businesses.

Our Wealth Management business demonstrated robust growth in FY25, driven by a rapidly expanding client base and a deepened digital-first approach. We added 6.8 Lakh new clients, taking the total to ~49 Lakhs, while our DP AUM rose 32% year-on-year to ₹2.3 Lakh Crore. Distribution AUM reached ₹31,551 Crore, growing 33% YoY, reflecting strong client

engagement and cross-sell momentum. Strategic acquisitions of regional brokers helped broaden our geographic presence, and our advisory-led model was further strengthened through digital innovations, including the launch of the 'RIISE' Super App. This all-in-one platform enables seamless investment management across mutual funds, insurance, and global equities, underscoring our commitment to delivering holistic, tech-enabled wealth solutions to our clients.

Our Asset Management business, continued its momentum during the year. Our total AUM across Mutual Funds, PMS, and CAT III AIFs stood at ₹1,23,397 Crore, growth of ~72% over previous year. We maintained a strong track record of alpha generation in active equity funds, complemented by the launch of innovative passive offerings, including ETFs and Index Funds, closing key product gaps and enhancing investor choice.

Within our Private Equity and Real Estate business fee-earning AUM stood at ₹9,890 Crore. We are proud to convey that we have received approval & launched IBEF V with a targeted corpus of ₹7,500 Crore and this is almost double the size of our previous fund raise for IBEF IV.

Our Private Wealth Management AUM has strengthened its UHNI & Family Office leadership during the year. The total AUM grew by 16% YoY to ₹1,44,325 Crore, supported by robust client additions and a focused strategy on scaling high-quality advisory. We service around 15,000 families, and strengthened our team with total 595 RMs, 33% of which have vintage of 3+ years. We are expanding our capabilities to capture untapped opportunity in the HNI & UHNI segments and are confident to be a leading player in PWM segment in the near future. We remained committed to invest in this business by adding relationship managers and seeking to enhance our profitability.

Institutional Equities business retained its leadership position covering 300+ companies across 25 sectors / ~73% of India's market cap. Our Investment Banking has made its mark in the industry. We were ranked No.1 in FY25 QIP League table closing 39 deals with issue size of ₹51,000+ Crore. and continues to be engaged on high-impact mandates across equity

capital markets, M&A, and advisory. We have a strong deal pipeline and are confident of above industry growth going forward and emerging a top player in the segment.

Our Housing Finance subsidiary further scaled the salesforce to 1,329 and have our presence in 112 branches across 12 States/UTs. Business delivered PAT of ₹130 Crore, with disbursements of ₹1,794 Crore. Collection efficiency (including prepayments) remained strong at 124.3%, helping maintain GNPA and NNPA at 0.8% and 0.4%, respectively. Confident that our focus on distribution, productivity, and liability optimisation will drive future profitability of the business with a strong balance sheet with CRAR of ~41%.

Our Treasury portfolio is bedrock for overall growth of the group including its agency business. The book stood at ₹7,730 Crore, delivering a since-inception XIRR of 17.9%.

Across businesses, we are investing in leadership, digital transformation, and operational scalability. Our focus remains on:

- Strengthening advisory and research-driven offerings
- Deepening client engagement across wealth management, asset management, and capital markets
- Expanding digital platforms and client experience
- Driving RoE-centric growth with a sharp eye on risk-adjusted returns

This journey would not have been possible without the relentless dedication of our teams, the enduring trust of our clients and partners, and the continued confidence of our shareholders. We remain committed to delivering sustainable value, fostering innovation, and building a world-class financial services institution that thrives across cycles.

With best wishes,

Philanthropy by Promoters – 10 Years of Giving Back

Executive Summary and Background

The culture of giving back to society is deeply embedded in Motilal Oswal Group since its inception. From education to agriculture to helping niche social causes, we have always tried to give our due to society. To formalize these social initiatives, we decided to take a step further and Motilal Oswal Foundation (MOF / Foundation) was formed in 2011. The Foundation is driven by our motto of 'Knowledge First.' The foundation believes that education can bring prosperity and equality in the society. Over the past decade, the foundation has undertaken several impactful initiatives. Here are some of the most noteworthy.

Higher Education Initiatives

Motilal Oswal Centre for Capital Markets (MOCCM) at IIT Mumbai, Maharashtra

MOF has pledged ₹ 130 Cr for upgrading the academic and research infrastructure at IIT Mumbai. The donation will entail setting up of the Motilal Oswal Centre for Capital Markets (MOCCM).

Motilal Oswal Knowledge Center at IIM Mumbai, Maharashtra

MOF has committed ₹ 28 Cr for constructing the Motilal Oswal Knowledge Center at IIM Mumbai campus fostering innovation and knowledge sharing in key disciplines such as capital markets, business strategy and financial research.

Ashoka University, Haryana

MOF is one of the founding members of the Ashoka University and has contributed ₹ 2.5 Cr for the construction of their campus at Sonapat, Haryana. Ashoka University is a pioneer in its focus on providing a liberal arts education at par with the best in the world.

Hostels & Residential Schools Initiatives

Agrawal-Oswal Girls Student Residence at Plaksha University, Punjab

Grant amount: ₹ 40 Cr

The Motilal Oswal Kalinga Institute of Social Sciences Residential School, Orissa

Grant amount: ₹ 15 Cr

Hostel at Rishihood University, Haryana

Grant amount: ₹ 5 Cr

Agrawal-Oswal Chhatravas, Maharashtra

Grant amount: ₹ 5 Cr

Parivaar Education Society Residential school, Madhya Pradesh

Grant amount: ₹ 3 Cr

Rural Education Initiatives

Tribal Rural Educational Interventions in Wada, Maharashtra

Focus on 22 low-cost private Government aided schools with interventions designed for infrastructure improvements, foundational literacy and numeracy enhancements, library and computer lab setups, thereby benefitting over 13,000 marginalized students.

Educational Scholarships

MOF has partnered with RVG Education and Mewar University and provided over ₹ 6 Cr of scholarships for meritorious underprivileged students for completing their higher education.

Agriculture Development Initiatives

Krishikul Farmers' Training Institute, Maharashtra

MOF has donated ₹ 25 Cr for Krishikul, a 25-acre farmers' training institute in Beed, Maharashtra. This state of the art, one of a kind facility aims to transform agricultural practices and elevate farmers' livelihood across the Marathwada region. In just six months since inception, over 2,000 farmers have been trained at the centre and have demonstrated improved agri efficiency and have earned higher incomes.

Agricultural College Campus Development, Maharashtra

MOF has contributed ₹ 2.5 Cr for development of Agricultural College Campus in Uttan, Mumbai. This institute imparts education in areas of sustainable agriculture, soil conservation, irrigation management, water conservation, biodiversity protection etc. leading to food security, rural employment and environment sustainability.

Agricultural Interventions, Maharashtra

Skill enhancement trainings including modern farming and irrigation practices along with seed distribution and market linkages are provided to over 100 tribal farmers which will eventually ensure increase in incomes and mitigate any outbound migration.

Statutory Reports

Global Economy

The global economy remained resilient in the year 2024 (Calendar Year 2024), expanding at 3.2% (as per IMF World economic outlook, Apr'25). The rapid rise in trade tensions and heightened policy uncertainty are likely to exert a substantial drag on global economic activity. It is estimated to grow by 2.8% in CY2025 and 3% in CY2026, much below the historical average of 3.7% (2000–19) due to global challenges on various fronts. While strong real income growth and lower interest rates boosted activity, weaker government spending, sluggish consumer confidence, and external demand fluctuations restrained growth in some regions.

In advanced economies, the U.S. growth forecast for CY2025 is expected to slow down to 1.8%, on account of greater policy uncertainty, trade tensions and softer demand momentum, whereas the euro area is expected to grow at 0.8%, before rising to 1.4% in 2026 as financial conditions improve. Other advanced economies see stable growth, with recovering incomes offset by trade uncertainties. In emerging markets and developing economies, growth is expected to slow down to 3.7% in 2025 due to various trade measures in recent times. On the back of the recently implemented tariffs and prolonged trade policy uncertainty, China's growth was revised downward to 4% in 2025. India's growth to remain stable at 6.2% in 2025 and 6.3% in 2026 supported by private consumption, particularly in rural areas.

Global trade expanded by nearly US\$1.2 trillion in 2024, reaching US\$33 trillion which is a result of 9% growth in services trade and 2% growth in goods trade. In 2024, trade growth in developing countries outpaced that of developed countries. Developing nations, particularly China and India, saw better than average trade expansion, while many developed nations experienced trade contractions. However, the global economy is entering a new phase of heightened trade tensions as the Trump 2.0 administration rolls out fresh tariffs, potentially triggering reciprocal measures from key trading partners. India's trade position remains resilient, supported by a strong services sector, proactive domestic policies, and strategic shifts toward higher-value exports such as electronics and pharmaceuticals. Global growth rate is expected to soften to 2.8% in CY2025 on account of the imposition of new bilateral tariff rates, the associated increase in policy and geopolitical uncertainties.

Indian Economy Overview

India retained its position as the 5th largest economy, maintained its status as the fastest growing amongst large economies and is expected to be the third largest economy by 2027 (crossing GDP of \$5 Tn) after USA and China. The Indian economy is expected to grow by 6.2% in CY25.

India's export performance has experienced remarkable growth over the past decade. India's total exports touched ₹69.1 Tn (US\$ 825 Bn) in FY25, an increase of 6% from ₹65.2 Tn (US\$ 778 Bn) in FY24. During this period, India's share of world merchandise exports also improved, rising from 1.66% to 1.81%, advancing the country from 20th to 17th position globally.

India's forex reserves experienced significant fluctuations in FY 2024-25, reaching a record high of \$704 billion in September 2024 before declining by 6.5% to \$659 billion by March 2025. The decline was likely driven by RBI's intervention to prevent sharp depreciation of the Indian Rupee.

The Indian economy has been digitalising at a remarkable pace over the last decade. By

2030, India's digital economy is projected to contribute nearly one-fifth of the country's overall economy, outpacing the growth of traditional sectors. According to the State of India's Digital Economy Report 2024, India is the 3rd largest digitalised country in the world in terms of economy-wide digitalization, and 12th among the G20 countries in the level of digitalisation of individual users.

The Union Budget 2025-26 strikes a balance between sustaining economic growth and maintaining fiscal discipline. By streamlining regulations, supporting MSMEs, and boosting investments and exports, the budget outlines a clear roadmap toward Viksit Bharat 2047. The budget's emphasis on sectors including tourism, healthcare, and manufacturing will catalyse job creation. The commitment to fiscal consolidation, with a targeted fiscal deficit of 4.4% for FY26, strengthens India's path to debt sustainability. These measures are expected to stabilize the macroeconomic environment, encouraging private sector participation and investment. Overall, the budget lays a strong foundation for long-term economic resilience and growth.

Indian Economy Outlook

India to remain relatively insulated against the global shocks in the near future and continue to grow strongly. The structural long-term growth story for India remains intact driven by favourable demographics and stable governance. According to the IMF's World Economic Outlook Report, India is expected to maintain its position as the fastest-growing

major economy, Growth will be driven by continued expansion in the services sector and a boost in manufacturing, supported by government efforts to enhance infrastructure and streamline tax policies.

Capital Markets - Industry Overview

Robust Stock Market Performance in FY25

The Indian stock market ended FY 2025 with modest gains, despite substantial FPI outflows in the second half. The Nifty delivered positive returns for its investors in FY 2024-25, outperforming certain Asian indices such as the Nikkei 225 and the Korea Composite Stock Price Index. Hang Seng remained at the top of the leader-board, delivering a staggering 39.8% return.

The NSE and BSE midcap and Smallcap indices closed the FY 2024-25 on a strong note, driven by market rebound, increased retail investor participation, and attractive valuations. The Nifty Midcap150 and Nifty500 rose by 7.6% and 5.4% respectively. The BSE Smallcap index increased by 8%, while the midcap index increased by 5.6%. In comparison, the Sensex increased by 5.1% over the same period.

Despite earlier concerns over valuations and volatility, renewed optimism in the broader market supported gains in these segments.

Strong Addition in Investor Base continues

India's economic transformation over the past few decades is a narrative of rapid growth and evolving financial landscapes. Central to this story is the rise of capital markets, catalysing capital formation for the real economy, enhancing the financialisation of domestic savings, and enabling wealth creation. Investor participation has been a contributor, with number of investors growing from 2.3 crore in FY15 to 19.2 crore in FY25, increasing at a CAGR of 23% for the decade.

Post-COVID, one of the most striking developments has been the surge in retail

investor participation, reflected in the sharp increase in new demat accounts opened over the years. In FY 2021, the total number of demat accounts stood at 5.5 crore, which increased to 19.2 crore by FY 2025, growing at a CAGR of 37%. In the last fiscal year, approximately 4.1 crore demat accounts were added, with CDSL, India's largest depository, contributing 3.74 crore new accounts in FY 2025.

FY25 witnessed a strong year of IPOs – unmatched historically and relatively to peers

FY25 saw a total of 318 companies, comprising 79 mainline and 239 SME, raise ₹1.72 Tn in IPOs, surpassing the combined total raised in the last two years (FY24 & FY23). A total of ₹1.6 Tn was raised via main board and rest from SMEs. Also, the average issue size more than doubled, reaching ₹2,082 crore in FY25 (up from ₹815 Crs on YoY). As highlighted earlier that FII were active in primary markets, they contributed by subscribing to a substantial ₹1.21 Tn.

The active client base on National Stock Exchange (NSE) increased steadily, registering a CAGR of 25% from 0.5 crore in Mar'15 to 4.9 crores in Mar'25. This trend underscores the growing influence and participation of retail investors in the Indian equities market, indicative of a democratization of investment opportunities.

The financial year 2025 was marked by significant shifts and milestones. The new income tax bill was proposed, foreign institutional investor outflows reached new highs, and India witnessed its largest-ever initial public offering in the form of the Hyundai Motor India IPO. Alongside this, Narendra Modi secured a third term, while Donald Trump's return to power introduced fresh tariff policies that stirred global uncertainty.

During the year FY25, Indian capital market has witnessed strong outflows by FIIs in the secondary market (across the year). However, FIIs primary inflows (mainly IPOs) compensated the outflows to a major extent in initial 9 months till Dec'24. However, the sharp outflows in 4th Quarter of FY25 in secondary market with lower number of IPOs led the yearly number fall to negative. DIIs flows have supported the market and didn't let the market witness the fall which otherwise would have been seen.

Minimal Impact from SEBI's Regulation

FY25 witnessed slew of circulars from SEBI to streamline the market structure and few steps to prevent retail investors from speculation eventually leading to losses (as per SEBI study, 93% of F&O retail investors witnessed losses during the period from FY22 to FY24).

The measures were as below:

- True-to-Label charges by market intermediaries.
- Upfront collection of option premiums.
- Intraday monitoring of position limits.
- Removal of calendar spread benefit on the expiry day
- Increase in the Minimum contract size
- Rationalization of weekly index products
 - Weekly options contracts are to be provided on a single benchmark index of an exchange.
- Increase in margin near contract expiry.

Your company was least impacted due to higher proportion of cash broking vis-à-vis F&O broking revenues compared to discount broking peers.

Mutual Fund Industry Overview – Financial Year 2025

The financial year 2025 was marked by significant volatility in the capital markets. Equity markets scaled record highs during the first half of the year, driven primarily by strong domestic liquidity and investor enthusiasm. However, in the latter half of the year, these gains were partially reversed as foreign institutional investors (FIIs) turned cautious, citing high valuations and moderate earnings growth as key concerns. This shift in sentiment led to a period of correction, impacting market stability.

Despite these fluctuations, Domestic Institutional Investors (DIIs) remained net buyers, demonstrating their unwavering confidence in the Indian capital markets. This continued domestic support acted as a stabilizing force, mitigating the effects of FII outflows and reinforcing the growing resilience of India's capital markets.

Rise of Mutual Funds Amidst Market Challenges

While increased participation in capital markets is a positive trend, the rise in Futures & Options (F&O) trading among retail investors has raised concerns. As per SEBI, 91.1% of individual F&O traders which is approximately 73 lakh traders incurred losses in FY24. This alarming statistic has prompted both the government and regulators to take steps to protect retail investors' savings, introducing measures such as taxation on F&O transactions, an increase in lot sizes, and stricter risk management regulations.

Amid these challenges, mutual funds have emerged as a preferred investment vehicle that provides diversification and professional fund management. Increased investor awareness programs like the 'Mutual Funds Sahi Hai!', led by AMFI and other industry stakeholders, have played a pivotal role in educating the public about the advantages of long-term mutual fund investments.

Strong Growth in Mutual Fund AUM and Investor Participation

The financial year 2025 was a milestone year for the Indian mutual fund industry, marked by record AUM growth, increased retail participation, and a deeper shift toward financial savings. The resilience of domestic investors, coupled with proactive regulatory measures and strategic industry initiatives, has positioned mutual funds as a key pillar of India's investment landscape.

Industry AUM Expansion: The total mutual fund industry AUM reached ₹65.7 lakh crore as of March 2025, representing an increase of ₹12.3 lakh crore from March 2024. This growth underscores the rising confidence in mutual funds as a vehicle for long-term wealth creation.

Source: AMFI

Surge in Equity AUM: Equity-oriented AUM increased by ₹6.6 lakh crore, reaching ₹32.3 lakh crore in March 2025. Notably, the Sectoral/Thematic category saw the highest AUM growth within the equity segment, rising by ₹1.58 lakh crore, fuelled by multiple New Fund Offerings (NFOs) launched within the category. Over the past 15 months, the Sectoral/Thematic category has consistently attracted the highest net inflows within equity mutual funds.

Source: AMFI

SIP Growth Breaks Records: Gross SIP flows grew by 45%, reaching ₹2,89,352 crores in FY25 surpassing the monthly 25,000 crore mark for the first time. The increasing adoption of Systematic Investment Plans (SIPs) reflects a growing preference for disciplined, long-term investing among retail investors.

Source: AMFI

Expanding Investor Base: The total mutual fund folio count expanded to 23.45 crore in March 2025, up from 17.79 crore in March 2024, representing a 32% increase. Even SIP Accounts have shown an increase of 1.7 crores to reach 10.1 crores. This sharp growth signals deeper retail participation and enhanced financial inclusion.

Challenges and Opportunities for Future Growth

Despite these significant strides, the mutual fund industry's AUM remains less than one-third of total bank deposits, underscoring a vast untapped opportunity to mobilize household savings into market-linked investments.

Motilal Oswal AMC

Motilal Oswal Asset Management Company (MOAMC) operates MF, PMS and AIF in the public equities space. MOAMC has crafted its niche with the majority of AUM in equities. Total AUM stood at ₹1,23,396 crore as of March 31, 2025, an increase of more than 70%.

Our mutual fund AUM stood at ₹93,606 crore, PMS AUM stood at ₹12,921 crore and AIF AUM stood at ₹14,423 crore.

The company has a diverse passive product basket with a variety of categories to choose from- Indian equities, International Equities, Factors, Sectors, Commodities, Multi Asset and Debt. During FY 2025, we launched 10 passive mutual funds (₹2,138 crore) and 8 active mutual funds (₹3,411 crores). Out of the 18 NFOs, 9 were strategically launched in the thematic category which has consistently attracted the highest net inflows within equity category. Our presence in a passive category will help us to on board clients from the bottom of the pyramid, who are typically new to the equity asset class or have a lower risk appetite.

The company added around 50.9 lakh SIPs in FY 2025 which is more than 5 times the SIPs added last year. It achieved an all-time high inflow from SIP during the year of ₹9,256 crore.

We saw a turnaround in the performance of the company's active MF schemes, which in turn led to an improvement in gross sales and decline in redemptions. The company remains committed to its Quality, Growth, Longevity and Price (QGLP) philosophy and will continue to improvise. Further, the change in the investment process from focusing on the highest returns to focusing on consistency started yielding results.

We have seen an unprecedented growth in our netflows by leveraging our fund performance, brand value and reach.

This has helped us in increasing our net flows market share

On a blended basis, the company's net yield stood at 66 bps in FY 2025. Alternates contributed about ~23% of total AMC AUM, one of the highest in the industry. The company invested in branding and advertising and is expected to reap benefits of brand recall.

Private Equity / Real Estate Funds

2024 was a year of exits for Private Equity. The strong performance of the Indian stock market for most of last year created an ideal

environment for many firms to capitalize on. In 2024, private equity firms exited investments worth \$26.7 billion—a 7% year-on-year increase—marking the second-highest number of PE-backed IPOs in a single year for India (Source: EY-IVCA Report). However, the second half of 2024 witnessed a shift post the slump since October 2024, wherein it became a

buyer's market much more than a seller's market and hence, next couple of years is expected to be period for deploying funds.

PE sector is expecting a higher number of deals this year, especially in financial services, IT and healthcare sectors.

Private Wealth Management business

People around the world are getting progressively wealthier and that doesn't just apply to those who already own great wealth. The Indian Private Wealth Management (PWM) sector is experiencing significant growth, driven by favourable macroeconomic conditions and evolving investor preferences.

As per Knight Frank's "The Wealth Report 2025", India ranks 4th in the population of UHNIs with more than \$10mn wealth at ~0.9 Lakh (contributing 3.7% share) vs ~9 Lakhs in USA and ~5 Lakhs in Mainland China. India's HNWI population is on a steady rise. The report projects that by 2028, the number of HNWI in India will increase by 9.4%, reaching 93,753 individuals from 85,698 individuals in 2024. The number of HNWI increased by 4.4% globally, reaching 2,341,378 in 2024, up from 2,243,300 in 2023.

Interestingly, the population of Ultra-High-Net-Worth Individuals (UHNWIs), those with assets exceeding \$100 Mn has surpassed 100,000 globally for the first time. These metrics highlight the importance of Private Wealth Management segment for India in the context that India is expected to deliver highest GDP growth in many years to come.

In the past few years, the penetration of Private Wealth Management services has increased with the rising wealth. The start-up culture that's been a big part of India's PWM growth story and with India being friendly to tech-oriented start-ups, we believe this business will get a further boost going forward.

India's billionaire population grew 12% from 2023 to 2024, hosting 191 billionaires (26 of them created within the past year) and up from just seven in 2019. This shows the potential of Indian PWM market. The wealth of Indian billionaires' rank's 3rd at US \$0.95 Tn vs US \$5.7 Tn for USA and Mainland China which is close at US \$1.34 Tn.

As individuals move up the wealth spectrum, their demand for tailored solutions over generic offerings increases—this is where Indian wealth managers play a crucial role. At this stage, the model transitions from a platform-centric approach to one that prioritizes deep, relationship-driven engagement. The key to success lies in offering comprehensive solutions—an area where we believe the Motilal Oswal Group is strongly positioned.

Concentration of wealth as witnessed in developed countries; Wealth distribution in USA has become increasingly concentrated since 1990, with top 1% of household share of wealth rising from 23% in 1990 to 30% in 2023 (Source: Federal Economic Reserve Data). While this has been global trend, in India this concentration of wealth is more pronounced.

- Share of top 1% household in total India Wealth has risen by ~3.3x in the last 6 decades from ~12% to ~40% (Source: World Inequality Lab).
- In India, number of Family Offices has increased from 45 in 2018 to 300 in 2024 while AUM has grown from US \$5 Bn to US \$30 Bn. AUM is expected to grow to US \$45 Bn in the next 3 years (Source: Hubbis.com).
- The number of Indian billionaires has more than doubled to 191 in the last 10 years. Their total wealth has almost tripled to around USD 900 billion.
- India has 1,132 centi-millionaires, which ranks it third in the world after the US (9,730) and China (2,021) (Source: Henley and Partners Report titled "The Centi-Millionaire Report").

Investment bank players have dominated the PWM sector in developed countries

Investment Banks like Goldman Sachs, Morgan Stanley, UBS, etc have dominated the Private Wealth Management space in developed markets banks and lastly by boutique players.

India's PWM market has been dominated by banks but we believe that with high regulatory oversight on banks by RBI, non-banks PWM business will benefit over the long term.

Motilal Oswal's PWM Business is well positioned to be a leader in the space

With the growing Addressable Market as discussed above, Motilal Oswal's PWM business has placed itself strongly to be a leader in this space. During the year, we have strengthened leadership led by Ashish Shankar who is current MD & CEO, by addition of Mr. Anupam Guha who comes from a large PWM outfit and Mr. Akash Hariani who was heading the Family Office business at a large private bank's PWM business. Also, products innovation is a key element for any PWM business, for which Mr. Sandipan Roy joins us a CIO.

MOPWM business model stands apart as it is a distributor, manufacturer, advisor and also provides transaction business. The higher risk appetite of PWM clients led us to offer products like unlisted equities, private market equity & structured deals, etc. With unique products we made a mark for PWM in UHNI space and many large family offices. During the year the AUM of PWM business grew from ₹1,23,969 Crs in Mar'24 to ₹1,44,325 Crs to Mar'25, growth of 16%.

Conclusion

India's Private Wealth Management sector is on a strong growth trajectory, fueled by economic expansion, rising financialization of assets, and evolving investor needs. By embracing innovation, tax efficiency, and regulatory adaptability, India's PWM sector is poised for sustained long-term expansion. With increasing Ultra-HNI and HNI wealth, the demand of unique products & services has led to strong competition to offer differentiated services. MOPWM with its experienced team is strongly poised to be a leader in the space.

Housing Finance

Motilal Oswal Home Finance Ltd. (MOHFL) operates in India's structurally underpenetrated housing finance market, where the mortgage-to-GDP ratio stands at only 12%—a fraction of levels seen in developed economies. This presents a significant runway for expansion, particularly in the affordable housing segment where rising incomes, rapid urbanization, and government initiatives such as PMAY 2.0 continue to drive demand. As millions of first-

time homebuyers seek financing solutions, MOHFL is strategically positioned to address their needs, especially those of underserved and unbanked populations. The company focuses on self-employed and cash-salaried individuals, many of whom lack formal income documentation or credit histories. Through innovative underwriting methods based on cash flow assessment and internal credit scoring models, MOHFL ensures responsible lending while fulfilling its mission of enabling home ownership across income segments.

In FY25, MOHFL delivered a strong financial performance. Profit after tax stood at ₹130 crore, supported by disbursements of ₹1,794 crore and a 20% year-on-year growth in Assets Under Management (AUM), which reached ₹4,878 crore. The total outstanding loan book grew 20% YoY to ₹4,857 crore. The company achieved a return on assets (ROA) of 2.8%, net interest margin (NIM) of 7.3%, and a spread of 5.3%. These outcomes were enabled by tight control over delinquencies, efficient cost structures, and optimal utilization of branch infrastructure. Cost of funds was maintained at 8.4%, reflecting the company's disciplined treasury strategy.

Asset quality remained strong, with Gross and Net NPAs of 0.8% and 0.4% respectively as of March 31, 2025. Collection efficiency stood at 124.3% (including prepayments). MOHFL adheres to a "collateral-first" disbursement policy and follows a four-level credit approval process based on loan size. A dedicated Risk Containment Unit (RCU) monitors fraud risks related to income documents, customer profiles, and collateral, while an automated credit rule engine enables faster and more consistent decisions.

Operationally, MOHFL has built a strong and scalable platform, with 112 branches across 12 states, including Maharashtra, Gujarat, Tamil Nadu, Rajasthan, and others. While Maharashtra remains the largest contributor to the loan book, newer geographies are seeing rising disbursement traction. Incremental growth from these regions is expected to strengthen further with localized hiring, productivity enhancements, and expansion of the field force. The company has disbursed loans to over 50,500 families as on date, with an average loan-to-value (LTV) of 58% and a comfortable Fixed Obligation to Income Ratio (FOIR) of ~43%.

A key differentiator for MOHFL is its robust backend and recovery infrastructure. With over 480 collection professionals and a legal team of in-house lawyers, the company is well-prepared to handle delinquencies through mechanisms such as SARFAESI, arbitration, and Section 138 proceedings. Legal and technical evaluations form an integral part of the credit process, helping ensure portfolio integrity and compliance. This strong focus on governance and execution has led to a consistently high-performing loan book, with improved quality of originations since April 2018.

Looking ahead, MOHFL is committed to delivering sustainable growth through continued geographic expansion, operational efficiencies, and customer-centric innovation. By maintaining strong risk controls while scaling disbursements in newer markets, the company aims to deepen its presence in the affordable housing finance space and further its vision of enabling homeownership for aspirational India.

Treasury Investments

In line with the long-term strategy to grow RoE sustainably, MOFSL Group made a strategic allocation of capital to long-term RoE-enhancing opportunities like MOHFL, and sponsored commitments to our mutual fund and private equity funds. As of March 31, 2025,

the total total investments (including alternate investments) stood at ₹7,730 Crs, an increase from ₹6,113 Crs from FY24 due to MTM gains and further deployment of surplus cash flows earned from business operations during the year.

FUTURE OUTLOOK

Motilal Oswal Group is very well placed to benefit from financialization theme, which is a long-term mega trend. This trend is expected to play out over several decades, especially in India and given the low penetration of investment products and services, we believe that we are well poised. These structural drivers position us to benefit from a projected 10x increase in cumulative household savings from USD 14 trillion over the last 25 years to over USD 125 trillion in the next 25 years, coupled with higher share of financial savings, rising allocation to equities and alternatives, and increased concentration of wealth.

We have achieved robust performance across various segments:

- Our Wealth Management business continued to grow strong, achieving all-time high yearly profit and solidifying our position in the Cash and F&O Premium segments with market shares of 7.6% and 8.5%, respectively. Our focus remains on diversifying our business to liner sources of earnings.
- Our Capital Market Business continues to grow strongly catering to 880+ clients, with the research team covering ~300 companies, spread across 25 sectors.
- Our Asset and Private Wealth Management business reached a milestone with AUM reaching 2.68 Lakhs Crore, showcasing significant growth. Our Asset Management arm witnessed notable improvements in performance and inflows,

poised to benefit from structured investing and specialized offerings. Meanwhile, our Private Wealth Management division is making strides in scalability, supported by a strengthened leadership team and ongoing investments in Relationship Managers.

- In our HFC business, efforts are underway to bolster the sales force and enhance productivity to drive robust growth in disbursements and AUM.

We are confident in the vast potential of each of our businesses and their ability to capitalize on market opportunities. Looking ahead, we remain committed to our strategic objectives, aiming for sustained growth and excellence across all our operations.

CONSOLIDATED FINANCIAL STATEMENTS

As per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and applicable provisions of the Companies Act, 2013 ("the Act") read with the Rules made thereunder (as amended from time to time), the Consolidated Financial Statements of the Company for the FY 2024-25 have been prepared in compliance with applicable Indian Accounting Standards and on the basis of the Audited Financial Statements of the Company and its Subsidiaries, as approved by the respective Board of Directors ("Board").

The Consolidated Financial Statements together with the Auditors' Report is forming part of the Annual Report.

ENVIRONMENT, SOCIAL AND GOVERNANCE INITIATIVES

Since, your Company strongly believes in raising corporate transparency, strengthening risk management, promoting stakeholder engagement, improving communications with stakeholders, your Company has undertaken various Environment, Social and Governance ("ESG") initiatives during the FY 2024-25. The separate disclosure on ESG initiatives is forming part of the Annual Report

INFORMATION ON THE STATE OF AFFAIRS OF THE COMPANY

The information on the affairs of the Company has been given in Management Discussion and Analysis forming part of the Annual Report.

MATERIAL CHANGES AND COMMITMENTS, AFFECTING THE FINANCIAL POSITION OF THE COMPANY

There have been no material changes and commitments, affecting the financial position of the Company, which have occurred between the end of the financial year to which these financial statements relate and the date of the Board's Report.

SCHEME OF ARRANGEMENT

During the year under review, the Board in its Meeting held on January 28, 2025 has approved withdrawal of

the Scheme of Arrangement between Motilal Oswal Financial Services Limited ("the Transferor Company" or "the Resulting Company" or "MOFSL") and Glide Tech Investment Advisory Private Limited ("the Transferee Company" or "Glide") (currently known as 'Motilal Oswal Broking and Distribution Limited') and Motilal Oswal Wealth Limited ("the Demerged Company" or "MOWL") and their respective Shareholders ("the Scheme") under Section 230 to 232 and other applicable provisions of the Act, which was earlier approved by the Board at its Meeting held on July 27, 2023.

It is pertinent to mention here that the object of this Scheme was to align the Company's holding and business structure in terms of requirement of Rule 8(1)(f) & 8(3)(f) of the Securities Contracts (Regulation) Rules, 1957 ("SCRR") (as amended from time to time). However, after submission of the said Scheme under Regulation 37 of the Listing Regulations with the Stock Exchanges, the Department of Economic Affairs ("DEA"), Government of India has issued a Consultation Paper in the month of September 2024 with respect to proposed amendment under Rule 8 of the SCRR allowing the investments made by a broker in any Group Company out of retained earnings. Further, the said Consultation Paper *inter-alia* states that 'Prohibiting the making of any investments by a broker, including in Group Companies, may place unreasonable fetters on its ability to use its retained earnings as per its commercial prudence'. The DEA may notify the said proposed amendment under Rule 8 of the SCRR.

Further, "Appointed Date" for the Scheme was April 01, 2023 and approval of the said Scheme now would result in undue hardship in complying with retrospective adjustments in the respective restructured entities under the Income Tax Act and other applicable laws.

In view of the above, the Board has approved the withdrawal of the existing Scheme and will review & reconsider to file revised Scheme (including updated Financials), if required, basis publication of final amendments by the DEA, in this regard.

Further, during the FY 2023-24, the Company had received 4 (Four) Complaints, out of which 1 (One) Complaint was re-opened during the FY 2024-25 and after necessary enquiries, was appropriately handled by the Internal Complaints Committee of the Company and stands closed as on date.

RISK MANAGEMENT

Risk is an integral and unavoidable component of business. Though risks cannot be eliminated, an effective risk management program ensures that risks are reduced, avoided, mitigated or shared.

The Company realizes the importance of Enterprise Risk Management ("ERM") framework and had taken early initiatives towards its implementation. The Company has also formulated group Risk Management Policy.

Further, the Company, being a Qualified Stock Broker ("QSB") in terms of the SEBI Circular bearing reference no. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/24 dated February 06, 2023 read with the Exchanges Circulars issued in this regard (as amended from time to time), has also adopted a separate, clear and a well-documented Risk Management Framework which encompasses the list of all relevant risks which may have to be borne by the Company, addressing root cause of the risks, prevention of recurrence of such risks, early identification and prevention of risk, assess the likely impact of a probable risk event on various aspects of the functioning of the Company & assign accountability and responsibility of KMP in the organization.

A systematic approach has been adopted that originates with the identification of risk, categorization and assessment of identified risk, evaluating effectiveness of existing controls and building additional controls to mitigate risk and monitoring the residual risk through effective Key Risk Indicators ("KRI"). The implementation is being carried out in phased manner with the objective to encompass the entire line of businesses.

Effective ERM involves a robust implementation of three lines of defense - first line of defense is the front-line employees, the second line of defense is the risk and compliance function and the third line of defense is external and internal auditors. To build an effective risk culture significant effort has been made towards robustness of these lines of defense.

Board's Report (Contd..)

Further, pursuant to the provisions of Regulation 21 of the Listing Regulations, the Board has also constituted the Risk Management Committee, details of which are mentioned in the Report on Corporate Governance. The composition of the Committee is in conformity with the Listing Regulations, with the majority of Members being Directors of the Company. The Risk Management Committee is, *inter-alia*, authorized to monitor and review the risk assessment, mitigation and risk management plans for the Company from time to time and report the existence, adequacy and effectiveness of the above process to the Audit Committee/Board on a periodic basis.

In the opinion of the Board, there are no elements of risks threatening the existence of the Company.

The details of composition of the Risk Management Committee and its terms of reference, is provided in the Report on Corporate Governance which forms part of the Annual Report.

BUSINESS RESPONSIBILITY & SUSTAINABILITY REPORT

In terms of the provisions of Regulation 34(2)(f) of the Listing Regulations, the initiatives taken by the Company from an Environmental, Social, Governance & Sustainability perspective are provided in the Business Responsibility & Sustainability Report ("BRSR") which is presented in a separate section and forms part of the Annual Report and is also uploaded on the website of the Company at www.motilaloswalgroup.com. BRSR includes details on performance against the nine principles of the National Guidelines on Responsible Business Conduct and a report under each principle, which is divided into essential and leadership indicators is also part of it.

Further, the SEBI vide its Circular bearing reference no. SEBI/HO/CFD/CFDSEC-2/P/CIR/2023/122 dated July 12, 2023, updated the format of BRSR to incorporate BRSR core, a subset of BRSR, indicating specific Key Performance Indicators ("KPIs") under 9 (Nine) ESG attributes, which are subject to mandatory reasonable assurance by an Independent Assurance/Assessment Provider from the FY 2024-25.

In view of the aforesaid, the Company has appointed Moore Singhi Advisors LLP as the Assurance/Assessment Provider and provide their report on BRSR Core of the Company for the FY 2024-25.

The Business Responsibility & Sustainability Committee overviews the BRSR and policies as may be required from time to time.

SECRETARIAL AUDIT REPORT

FORM MR-3

[Pursuant to Section 204(1) of the Companies Act, 2013 read with Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025

To,
The Members,
Motilal Oswal Financial Services Limited
CIN: L67190MH2005PLC153397

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Motilal Oswal Financial Services Limited ("MOFSL" or "the Company")**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on such verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended March 31, 2025 has complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended March 31, 2025 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations & Bye-laws framed thereunder;
- (iv) The Foreign Exchange Management Act, 1999 and the Rules & Regulations made thereunder (to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings);
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

Report on Corporate Governance

[As per Regulation 34(3) read along with Schedule V(C) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

CORPORATE GOVERNANCE PHILOSOPHY

The Company has set the objective of achieving excellence in its business operations, positioning itself as a leading Compounding Machine in the industry. As part of its growth strategy, the Company is committed to the highest standards of Corporate Governance. Our governance philosophy supports and aligns with our business strategies by ensuring fiscal accountability, ethical conduct, and fairness toward all stakeholders including shareholders/investors, customers, employees, government & regulators, partners & collaborators, communities & NGO, bankers, vendors, custodians & others in value chain and media.

We continuously monitor and assess our governance practices, benchmarking ourselves against the best-governed companies. We are dedicated to sustainable and holistic growth, acknowledging our responsibilities not only to our stakeholders but also to the environment.

The Board regards itself as a trustee of the stakeholders, fully committed to its fiduciary duty of creating and preserving stakeholder value. Through our robust corporate governance framework, the Company consistently strives to operate at optimal levels for protecting stakeholder interests while maintaining and enhancing the Company's reputation and market standing.

BOARD OF DIRECTORS ("BOARD")

Composition of the Board:

The Company is in compliance with the provisions of Section 149 of the Companies Act, 2013 ("the Act") and Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") (as amended from time to time). As on March 31, 2025, the Board consists of 10 (Ten) Directors comprising of 4 (Four) Executive Directors, 1 (One) Non-Executive Non Independent Director and 5 (Five) Non-Executive Independent Directors including 2 (Two) Women Directors. The Company has a Non-Executive Chairman & he is Promoter of the Company and thus, 50% (Fifty Percent) of the total number of Directors are independent. The Management of the Company is headed by Mr. Motilal Oswal, Promoter and Managing Director & Chief Executive Officer of the Company, who operates under the supervision and control of the Board. The Board reviews and approves strategy and oversees the actions and results of management to ensure that the long-term objectives for enhancing stakeholders' values are met.

There was no material, financial and/or commercial transaction entered into between the Senior Management and the Company which could have potential conflict of interest with the Company at large.

Confirmation of the Board for Independent Directors:

Based on the declarations received from the Independent Directors, the Board confirms that they meet the criteria of independence as specified under Section 149(6) of the Act and Regulation 16 (1) (b) of the Listing Regulations, and that they remain independent of the Management.

In terms of Regulation 25(8) of the Listing Regulations, Independent Directors have also confirmed that they are not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties.

The Independent Directors have also registered their names in the Data Bank maintained by the Indian Institute of Corporate Affairs ("IICA") as mandated in the Companies (Appointment and Qualification of Directors), Rules, 2014 (as amended from time to time). Further, apart from receiving commission and sitting fees, none of the Independent Directors, except Mr. Chitradurga Narasimha Murthy (Mr. C. N. Murthy), have any other material pecuniary relationship or transaction with the Company, its Subsidiary Companies, Associate Companies, Promoters and

Report On Corporate Governance (Contd..)

Directors which, in their judgment, would affect their independence.

Further, during the year under review, Mr. Murthy conducted multiple leadership training sessions for Senior Management of the Company. For these professional services, he was paid a total fee of ₹4,80,000/-, excluding out-of-pocket expenses, over and above the commission and sitting fees received for the Financial Year ("FY") 2024-25. This amount, for the professional services pertaining to leadership training/sessions, remains within 10% (Ten Percent) of his total income.

As required under Regulation 46 of the Listing Regulations, the terms & conditions of appointment of the Independent Directors including their role, responsibility and duties are available on the website of the Company at www.motilaloswalgroup.com.

Inter-se relationships between Directors:

None of the Directors of the Company are inter-se related to each other.

Board Process:

The Board meets at regular intervals to discuss and decide on the Company's business policy and strategy apart from other normal business. The Board Meetings (including Committee Meetings) of the Company are scheduled after getting confirmation on dates from the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the Meetings.

The detailed Agenda together with the relevant Notes to the Agendas is circulated to the Directors in advance. All major Agenda Items are backed by comprehensive background information to enable the Board to take informed decisions.

Where it is not practicable to circulate any document in advance or if the Agenda is of a confidential nature, the same is placed at the Meeting. In special and exceptional circumstances, consideration of additional or supplementary items is taken up with the approval of the Chair and majority of the Independent Directors. Senior Management Personnel are invited to the Board/Committee Meetings to provide additional inputs on the items being discussed by the Board/Committees thereof as and when necessary. The Chairman/Managing Director apprises the Board at every Meeting on the overall performance of the Company, followed by the detailed presentation by the Chief Financial Officer of the Company.

The Company Secretary is responsible for preparation of the Agenda and convening of the Board and Committee Meetings. The Company Secretary attends all the Meetings of the Board and Committees, advises/assures the Board on Compliance and Governance principles and ensures appropriate recording of the Minutes of the Meetings.

For facilitating circulation of the Board folders in electronic form and reducing consumption of papers,

the Company has adopted a web-based application for transmitting Agenda, Minutes and other papers relating to the Board/Committee Meetings. The Directors of the Company receive the Board papers in electronic form through this application. The application meets the high standards of security and integrity that is required for storage and transmission of the Board/Committee Meetings' Agenda and Minutes in electronic form.

The Board provides the overall strategic direction and periodically reviews strategy and business plans, annual operating and capital expenditure budgets and oversees the actions and results of the management to ensure that the long term objectives of enhancing Shareholders' values are met. Nomination and Remuneration Policy:

The success of the organization in achieving good performance and good governing practice depends on its ability to attract and retain individuals with requisite knowledge and excellence as Executive and Non-Executive Directors. With this objective, the Board and the Nomination and Remuneration Committee ("NRC") decides on the appointment and remuneration to be paid to the Non-Executive Directors.

While deciding on the remuneration to the Directors, the Board and NRC considers the performance of the Company, the current trends in the industry, the qualifications of the appointee, his experience, level of responsibility, past performance and other relevant factors.

The Board and NRC carry the performance evaluation of the Directors. Accordingly, on the basis of the report of the performance evaluation of Directors including Independent Directors, the Company decides whether to extend or continue the term of appointment of the Independent Directors. The criteria of performance evaluation of Directors include the effectiveness in decision making, effectively facilitates the Board Meeting, demonstrating knowledge, etc.

The Nomination and Remuneration Policy ("the Policy") of the Company including the criteria for making payments to Directors including Non-Executive Directors, Key Managerial Personnel ("KMP") and SMP is uploaded on the Website of the

Annexure A

to the Report on Corporate Governance

To,
The Members,
Motilal Oswal Financial Services Limited

1. This certificate is issued in accordance with the terms of our engagement letter dated July 18, 2022.
2. We, Singhi & Co., Chartered Accountants, the Statutory Auditors of Motilal Oswal Financial Services Limited ("the Company"), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended March 31, 2025, as stipulated in Regulations 17 to 27, Clauses (b) to (i) of sub-regulation (2) of Regulation 46, and Paragraphs C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time) ("Listing Regulations").

Management's Responsibility

3. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of Corporate Governance as stipulated in the Listing Regulations.

Auditor's Responsibility

4. Pursuant to the requirements of the Listing Regulations, it is our responsibility to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of Corporate Governance as stated in paragraph 2 above. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.
5. We have examined the relevant records of the Company in accordance with the applicable Generally Accepted Auditing Standards in India, the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India ("ICAI"), and the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) ("the Guidance Note") issued by the ICAI. The Guidance Note requires that we comply with the independence and other ethical requirements of the Code of Ethics issued by the ICAI.

6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements issued by the ICAI.

Opinion

7. To best of our knowledge, and according to the information and explanation given to us, in our opinion, the Company has complied, in all material respects, with the conditions of Corporate Governance as stipulated in regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C and D of Schedule V of the Listing Regulations during the year ended March 31, 2025.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restriction on use

8. This Certificate is issued solely for the purpose of complying with the aforesaid regulations and may not be suitable for any other purpose and should not be used by any other person or for any other purpose. Accordingly, our Certificate should not be quoted or referred to in any document or made available to any other person or persons without our prior written consent. Our Obligations in respect of this Certificate are entirely separate from, and our responsibility and liability are in no way changed by, any other role we may have (or may have had) as Auditors of the Company or otherwise. Nothing in this Certificate, or anything said or done in the course of or in connection with the services that are the subject of this Certificate, will extend any duty of care we may have in our capacity as Auditors of the Company. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this Certificate is shown or into whose hands it may come without our prior consent in writing. Our liability for this certificate under any circumstances will not exceed the fees charged towards this assignment.

Business Responsibility & Sustainability Report

Executive Summary and Background

Motilal Oswal Financial Services Limited (“the Company”), with a rich legacy of over three and a half decades, has been at the forefront of India’s capital markets, delivering trusted and technology-driven financial solutions to a diverse customer base. Our Business Responsibility & Sustainability Report reaffirms our commitment to the National Guidelines on Responsible Business Conduct (NGRBC) and reflects our focused efforts across environmental, social, and governance (ESG) dimensions.

As a leading financial services entity, the Company has built a strong foundation based on integrity, transparency, and customer-centricity. We cater to a wide spectrum of clients including individuals (resident and non-resident), HUFs, corporates, institutions, and other entities, enabling them to participate confidently in the capital markets. Our offerings along with subsidiaries include broking and distribution, institutional equities, asset management business, housing finance, private equity, private wealth management, investment banking, loan and investment activities.

Our ESG journey is deeply embedded in the way we conduct our business. On the environmental front, we are adopting digital-first operations to minimise resource consumption and reduce carbon footprint.

On the social front, we promote financial literacy and investor awareness through structured education programs and outreach across urban and rural India. On the governance front, we uphold highest ethical standards and robust compliance systems, being registered with multiple regulatory bodies including SEBI, IRDAI, AMFI, and others.

With a forward-looking vision, the Company remains committed to delivering long-term sustainable value to all stakeholders, while contributing meaningfully to a more inclusive, responsible, and resilient financial ecosystem.

As part of our commitment to NGRBC, we publish the Business Responsibility & Sustainability Report (BRSR) as required for the top 1,000 listed companies. The BRSR for FY 2024–25 incorporates SEBI’s updated format, including BRSR Core Key Performance Indicators.

Our BRSR report, prepared under Regulation 34(2)(f) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) (as amended from time to time), highlights our ESG performance and stakeholder engagement across three sections:

Section A

Business profile, operations, workforce, subsidiaries, CSR, and transparency.

Section B

Governance structures, policies, and processes aligned with NGRBC principles.

Section C

Indicator-wise disclosures mapped to the nine NGRBC principles.

We also feature a dedicated ESG section in our Annual Report, underscoring our commitment to building a more inclusive, resilient, and sustainable financial ecosystem.

For FY2024–25, Moore Singhi Advisors LLP (“Moore Singhi”) has issued Independent Assurance

Statement for reasonable assurance of the core indicators of BRSR. Moore Singhi has also issued the said statement for limited assurance of other than core indicators of BRSR.

The Company has launched initiatives to reduce food wastage and creates awareness for all the stakeholders for avoiding the wastage of food.

The Company remains cognisant of reducing its resource consumption by procuring energy efficient equipment. The major suppliers of hardware are green standard compliant. The Information Security Management Systems (ISMS) of the Company are certified under ISO/IEC 27001.

The use of micro-technology glass and sun film helps prevent cross-contamination and minimizes heat transfer, thereby enhancing indoor cooling and reducing energy consumption. Additionally, LED lighting and motion sensors have been installed in office premises to conserve electricity.

The Company is gearing up for deepening its environmental commitments by promoting energy efficient equipment such as laptops instead of desktops. Further, Computer hard disk is replaced with solid state drivers in place of Magnetic/Spindle. Also, Data center's physical bare metal server hardware are replaced with virtual hyper converged servers to reduce server footprint and power consumption which helps for minimize carbon emissions, reduction of cost & physical space.

Since, the Company is in the financial service sector, its primary goal is to provide environmentally friendly premises to its employees. To this end, the Company is taking proactive steps towards sustainability by investing in green building premises to conduct its business in a way that minimizes its impact on the environment by using less energy, water and reducing waste. By minimizing energy, water, and waste, the Company is not only reducing environmental footprint but also setting an example for responsible business practices.

The Company has recently acquired a new business premises in Bangalore, and another is currently under development in Ahmedabad. The planning and development of these locations are being carried out with a strong emphasis on environmental sustainability and social impact, reinforcing our commitment to creating long-term value that extends beyond financial performance.

These Business premises prioritize occupant health, comfort, and well-being by enhancing indoor air quality, natural lighting, and thermal comfort. We also contribute to creating healthier and more livable atmosphere by reducing pollution, improving health, and fostering social equity through this initiative.

Furthermore, in order to minimize the ecological footprint of sourcing activities, the company has adopted a Sustainable Sourcing and Preferential Procurement Policy. This Policy aims to reduce carbon emissions, preserve biodiversity, conserve water resources, and avoid deforestation. Additionally, it promotes the economic empowerment of historically underprivileged individuals and businesses and ensures fair labor practices, safe working conditions, and respect for human rights throughout the supply chain. The said policy is available on the website of the Company at <https://www.motilaloswalgroup.com/Downirvirdir/151009073Sustainable-Sourcing-and-Preferential-Procurement-Policy.pdf>.

PRINCIPLE 4 : BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TO ALL ITS STAKEHOLDERS

ESSENTIAL INDICATORS

1. Describe the processes for identifying key stakeholder groups of the entity.

Key stakeholders are determined based on the significance of their impact on the business and the impact of the business on them. Further, any person that adds value to the business chain of the Company is identified as a key stakeholder.

The identification process is strategic and consultative, drawing on insights from internal teams and external thematic experts. This comprehensive approach takes into consideration several critical factors, including the nature and depth of stakeholder engagement, geographic presence, regulatory obligations, and the specific objectives of various business initiatives.

To facilitate meaningful engagement, the Company employs a combination of structured and unstructured mechanisms. Structured methods include surveys, feedback forms, and formal review processes, while unstructured engagements occur through town halls, one-on-one meetings, informal sessions such as "Coffee and CFR," and other periodic interactions. These engagements are conducted on a need basis or at regular intervals—monthly, quarterly, or annually. Furthermore, continuous engagement is supported through digital platforms, including the Company's website and social media channels.

To ensure an ongoing and effective dialogue, the Company has established various forums and platforms to gather stakeholder feedback, concerns, and expectations. These insights are integral to the Company's policy-making, strategic planning, and materiality assessments, ensuring alignment between business goals and stakeholder interests while upholding broader societal responsibilities.

Business Responsibility & Sustainability Report (Contd..)

The Company's key stakeholder groups include, but are not limited to: customers, employees, shareholders, academic institutions, head-hunters, staffing firms, suppliers, business partners and collaborators, industry bodies, government entities, NGOs, local communities, regulators, and society at large. LEADERSHIP INDICATORS

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Board, its various Statutory Committees and senior management is kept abreast on various developments and feedback on economic, environmental, and social topics on a quarterly basis through constant and proactive interactions with our key stakeholders. This interactions are held with a wide range of stakeholders who support the identification of important issues, evaluation of business operations, goods, services, and solutions, reduction of reputational risk, and positive impact on our internal and external environments. The engagements include town halls, training sessions, social media platforms, customer satisfaction surveys and stakeholder engagement exercises.

Customers are key stakeholders of the Company and it actively engages with customers on various issues like grievances, complaints, new products and services, etc. The Company also engages with regulator through meetings, conferences, emails to discuss regarding new and existing guidelines and regulatory requirements.

The Company also ensures continuous engagement with its employees through various platforms and communication channels. These include addressing employee grievances and concerns, gathering employee feedback, appraising them regarding new products, services and developments through internal mails and circulations.

Interactions are also held with the shareholders on agenda items at the General Meetings wherein the Directors of the Company including the Chairman of the Audit Committee, Stakeholders Relationship Committee, and Nomination and Remuneration Committee are also present. The feedback received from the shareholders is taken on record.

Business Responsibility & Sustainability Report (Contd..)

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes/No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, enhancing value to stakeholders is a continuous Company process. The Company engages with its key stakeholders on an ongoing basis to identify pertinent environmental and social topics of interest to its stakeholders and addresses them through periodic updates through policies and programmes. The Company reviewed its material topics through consultations with multiple stakeholder groups.

Further, Customer and investor's complaints/grievances are reviewed for a root cause analysis, which also gives an opportunity to improve our services.

As part of CSR while working with communities all relevant stakeholders such as community, school staff/trustees, parents, NGO, even students are involved in need assessment and implementation process. For instance, this year, our Company has sponsored Preparation Exams for SSC students from 21 schools in Wada. The initiative stemmed from schools expressing the necessity for students to practice paper writing.

Further, SGS India Private Limited, an independent social impact assessment agency has carried out an assessment and evaluation of the working of Company's Corporate Social Responsibility ("CSR") Policy. The Report on Social Impact Assessment of Company's CSR Project including evaluation of the working of Company's CSR Policy (during the FY 2024-25) is available on Company's website & can be accessed at www.motilaloswalgroup.com/Downloads/IR/524742356Impact-Assessment-Report.pdf.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalized stakeholder groups.

In response to suggestions from the community, the Company through Motilal Oswal Foundation ("MO Foundation") and other implementing agencies has undertaken several impactful initiatives aimed at improving quality of life. These efforts focus on enhancing the quality of education, strengthening educational infrastructure, promoting agricultural development, and improving access to healthcare services. The goal is to create long-term, sustainable benefits for the communities the Company serves.

Special attention is given to supporting vulnerable and marginalized groups through targeted programs. These include providing higher education support to empower college students, enhancing the quality of education for school children, developing educational infrastructure, supporting quality healthcare delivery, and encouraging sustainable agriculture. In addition, the Company is committed to environmental conservation, with a strong emphasis on tree plantation drives as a key component of its natural resource preservation efforts.

The Company, through MO Foundation, is actively engaged in the development of vulnerable and marginalized stakeholders. A few key initiatives include:

Improving Quality of Education in Rural Schools:

To enhance the learning outcomes of tribal students in Palghar, Maharashtra, MO Foundation runs an educational support program focused on English language acquisition and foundational literacy and numeracy skills. The initiative reaches around 13,000 secondary school students, providing them with academic support and career guidance videos to explore options after 10th and 12th grades. Teachers also receive training aimed at improving their effectiveness in the classroom and addressing behavioral challenges.

Enhancing Access to Healthcare:

Through a partnership with Shri Bhagwan Mahavir Viklang Sahayata Samiti, the Company has provided mobility aids such as artificial limbs, calipers, and wheelchairs to over 3,000 individuals with disabilities. The foundation also supports urban marginalized communities by improving access to quality healthcare services and has funded pediatric heart surgeries in Bengaluru to protect the health of disadvantaged children.

Farmers Training Centre

The Company collaborates with Global Vikas Trust to establish GVT Krishikul, a 25-acre training center for farmers in Beed, Maharashtra. The center trains over 2,000 farmers in modern agricultural techniques, helping them increase productivity and income.

Promoting Sustainable Agriculture:

In Wada (Palghar), the foundation partners with Shri Chaitanya Health Care Trust to implement the 'WADI agricultural' project, benefiting around 100 tribal farmers. This initiative offers skill development, modern

farming and irrigation practices, seed distribution, and market linkages, contributing to income stability and reducing migration in the region.

Solar-Powered Water Irrigation Plant

The Company, in collaboration with MO Foundation and Keshav Srushti, has implemented a Solar Water Irrigation Plant in Dhindepada Village, located in Wada, Palghar. This initiative aims to support sustainable agricultural practices and has significantly improved access to water for irrigation, thereby enhancing the livelihoods of several marginal farmers in the rural tribal community

Strengthening Educational Infrastructure:

Recognizing the importance of a conducive learning environment, the Company has contributed to infrastructure development at institutions such as Plaksha University in Punjab and Tapovan Vidya Vihar Girls School in Gujarat. In Wada, two schools were renovated to support the education of approximately 600 tribal children. The upgrades included safe drinking water facilities, separate hygienic toilets for boys and girls, well-lit and ventilated classrooms, leak-proof roofs, and rainwater harvesting systems.

Higher Education Support for Underprivileged Youth:

MO Foundation, through its scholarship program, supports 108 talented yet underprivileged students from rural India in pursuing career-focused higher education at Mewar University, Rajasthan. These students are enrolled in fields such as Paramedical, Pharmacy, Agriculture, Engineering, Law, Management, and Mass Communication. Alongside financial assistance, the foundation also offers training and placement support to help these students build successful careers. Additionally, MO Foundation backs professional sports training through Lakshya Institute.

Yes, all associates of the organization are regularly informed, updated and made aware of the 'whistle blower' and, 'grievances' and 'Sexual harassment complaint' redressal mechanism under internal mechanism wherein employees can share their grievances through multiple channels.

The Company has constituted different Committees including Internal Complaints Committee ("ICC") for above concerns, which takes care of these matters. This system ensures that all complaints are resolved promptly.

Business Responsibility & Sustainability Report (Contd..)

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

Reporting avenues have been provided for employees, customers, suppliers and other stakeholders to raise concerns or make disclosures when they become aware of any actual or potential violation of the Company's Code, policies or law including human rights violation.

The Company strives to support, protect, and promote human rights to ensure fair and ethical business and employment practices are followed.

Respect for human rights is considered as one of the fundamental and core values of the Company. The Company has formed ICC to handle various grievances and sexual harassment complaints. The details of the ICC are placed on the website of the Company and displayed at office premises in all the branches.

The Company has zero tolerance towards and prohibits all forms of child labour, slavery, forced labour, physical, sexual, psychological, or verbal abuse.

Additionally, the Company has Policy on Prevention of Sexual Harassment at Workplace, Vigil Mechanism/ Whistle Blower Policy, Equal Opportunity Policy and the Code of Conduct for employees which states the commitment of the Company to promote and respect human rights and promote and nurture a culture of diversity, equity and inclusion.

Policy on Prevention of Sexual Harassment at Workplace: The Company has implemented a comprehensive Policy on Prevention of Sexual Harassment ("POSH") at the Workplace and it is applicable to all associates/ employees across locations, events, and training programs. In alignment with the Sexual Harassment of Women at Workplace (Prevention, Prohibition And Redressal) Act, 2013 and the Vishaka Guidelines, this policy aims to ensure a safe, respectful, and gender-sensitive work environment by preventing and redressing incidents of sexual harassment. The policy defines sexual harassment broadly and applies to interactions between employees, and between employees and outsiders, both within and outside the workplace, while offering support for any related legal proceedings. A duly constituted Internal Complaints Committee ("ICC"), comprising internal and external members, is empowered to investigate complaints confidentially and recommend disciplinary actions including warnings, demotion, dismissal, or legal escalation, depending on the gravity of the offence. The committee follows a structured procedure for handling complaints, ensuring impartiality, protection for complainants, and timely resolution within 30 days. The policy is governed and reviewed by the Human Resource ("HR") Department, with the Head of HR being the final authority on its interpretation and application, and subject to periodic review and amendment.

Vigil Mechanism/Whistle Blower Policy: The Company has established a Vigil Mechanism/Whistle Blower Policy to encourage employees, directors, and associated individuals to report unethical behavior, violations of laws, company policies, or any form of misconduct, including leakage of Unpublished Price Sensitive Information (UPSI), without fear of retaliation. The policy ensures confidentiality, protection against victimization, and a structured procedure for investigation and resolution of complaints by the Audit Committee. It applies to internal and external whistleblowers and outlines roles, eligibility, protections, and possible disciplinary actions while reinforcing the company's commitment to transparency, accountability, and compliance with regulatory provisions.

An employee may send communication through e-mail to whistleblower@motilaloswal.com. The employee may also send a communication directly in writing through a letter (Protected Disclosures) to Chairman, Audit Committee. Additional modes of communication or access may be made available to employees in appropriate or exceptional situations.

Equal Opportunity Policy: the Equal Opportunity Policy of the Company is aimed at fostering an inclusive and diverse workplace free from discrimination based on age, gender, ethnicity, religion, disability, or other personal characteristics, in line with the Rights of Persons with Disabilities Act, 2016. It outlines responsibilities of the HR Department and a designated Liaison Officer to ensure accessibility, prevent discrimination, and maintain confidentiality regarding disability-related information. As part of its grievance redressal mechanism, the policy allows employees to report any irregularities or concerns related to equal opportunity by emailing whistleblower@motilaloswal.com with a commitment to address and resolve such queries within 48 hours, while the Head of HR holds the final authority in case of any policy interpretation issues.

Code of Conduct for employees: The Company's Code of Conduct applies to all employees and mandates ethical behavior, integrity, client confidentiality, and compliance with laws and company policies. Employees must avoid corruption, unauthorized communications, and misuse of company resources. Violations can lead to disciplinary action, including termination and legal penalties, with employees held accountable for any resulting losses.

LEADERSHIP INDICATORS

1. Details of a business process being modified/introduced as a result of addressing human rights grievances/ complaints.

No human rights related grievances/complaints were received during the FY 2024-25 and thus there have been no changes implemented in the business processes.

2. Details of the scope and coverage of any Human rights due-diligence conducted:

The Company upheld the basic principles of human rights in all its dealings. The Company has been certified with the reputed 'Great Workplace' recognition – Great Place to Work – India® 2024-2025.

Key parameters for certification include 'Credibility, Respect, Fairness, Pride, and Camaraderie'. These parameters measure the extent to which employees perceive management practices as trustworthy and respectful, ensuring fairness through consistent and impartial decision-making. They also gauge the presence of a positive organizational culture that values meaningful contributions and aligns with personal values, fostering a spirit of friendship, collaboration, and mutual support among colleagues within the workplace for which the Company has scored a high Survey Score.

The Company has also incorporated a culture where its employees and directors feel free to raise any concerns about wrongful conduct, with the help of its Whistle Blower Policy. The said policy provides a Vigilance Mechanism to channelize reporting of instances of wrongful conduct through a dedicated email address. The Audit Committee oversees the Vigil Mechanism. Employees have been facilitated direct access to the Chairperson of the Audit Committee, if need be. Furthermore, the Company has also established a separate dedicated email address for employees to raise concerns regarding Sexual Harassment at the Workplace, if any.

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

The Head and Corporate Office of the Company has ramp for easy movement of differently abled visitors. Most of the branches are on ground floors or have infrastructure for our differently abled employees and visitors to get around.

4. Details on assessment of value chain partners:

Category	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	The Company expects its value chain partners to adhere to the same values, principles and business ethics upheld by the Company in all their dealings. However, no formal assessment/examination of value chain partners has been conducted.
Discrimination at workplace	
Child Labour	
Forced Labour/Involuntary Labour	
Wages	
Others – please specify

5. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 4 above:

No corrective action was necessitated

PRINCIPLE 6 : BUSINESSES SHOULD RESPECT AND MAKE EFFORTS TO PROTECT AND RESTORE THE ENVIRONMENT

ESSENTIAL INDICATORS

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

The Company is into service-oriented business primarily involved in flow of information and financial transaction, therefore, there is no significant consumption and energy intensity. However, as a proactive and responsible corporate, the Company is equipped with rainwater harvesting system and recycles waste water to reuse as flush water and in watering plants.

Further, sensors in water taps are used to reduce wastage of water. Further, there is thermal insulator which help in reducing the heat transfer thereby improving cooling inside the building and hence, reducing power consumption. Usage of LED light and motion sensors are installed in office premises to save electricity

Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed/Revenue from operations adjusted for PPP)	1.22	2.63
Energy intensity in terms of physical output (GJ / Total Employees)	3.41	7.41
Energy intensity (optional) – the relevant metric may be selected by the entity	-	-

Note:

- Energy consumed from fuels include energy from consumption of diesel in company's gensets.
- For the purpose of calculation of intensity, adjusted purchasing power parity (PPP), conversion factor @20.66 ₹/USD as per International Monetary Fund (IMF) has been considered.
- To align with Industry Standards Forum guidance, for the FY 2024-25, energy consumption is calculated based on the total electricity and fuel usage at each office location, proportionately allocated according to the number of employees at that specific location. Therefore, figures for FY 2024-25 and FY 2023-24 are not directly comparable.

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency:

Yes, an independent assurance has been carried out by Moore Singhi Advisors LLP for the FY 24-25 indicators in the table above.

Water intensity in terms of physical output (Kilolitre / Total full-time employees)	6.25	13.92
Water intensity (optional) – the relevant metric may be selected by the entity	-	-

The Company's usage of water is restricted to human consumption purposes only. Further, efforts have been made to ensure that water is consumed judiciously. In the Corporate office, sensor/press taps are used in washrooms to economize water consumption.

Note:

- For the FY 2024-25, Water withdrawal is reported based on actual consumption, supported by relevant bills wherever available. In cases where invoices are not available, estimations have been made based on the Central Ground Water Authority (CGWA) guidelines, which state that an office employee consumes 45 litres per day—25 litres for domestic use and 20 litres for flushing. This amount is recorded as water withdrawn from third party source. Water consumption is calculated based on the total water usage at each office location, proportionately allocated according to the number of employees at that specific location.
- The data in the above table for the FY 2023-24 had been undertaken using primary data based on Head Office. For other facilities, proxy-based approach has been used. Therefore, figures for FY 2024-25 and FY 2023-24 are not directly comparable.
- For the purpose of calculation of intensity adjusted purchasing power parity (PPP), conversion factor @20.66 ₹/USD as per IMF has been considered.

Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, an independent assurance has been carried out by Moore Singhi Advisors LLP for the FY 2024-25 indicators in the table above.

The Company does not generate industrial wastewater. However, for the sewage that is produced, the Company have taken proactive steps by installing sewage treatment plants (STP) at some of our larger office premises. The majority of offices of the Company are branches spread nationwide, wherein the sewage is discharged as per local guidelines i.e. discharge is made to municipality or other bodies as applicable, wherein suitable treatment is done by them. Hence, it is not included in the Company's reporting.

Note:

- Water discharged is considered as 80% of the water withdrawn from source based on Central Pollution Control Board (CPCB) database report dated December 24, 2009 and reported as other discharge. Therefore, it is assumed that of the total water withdrawal, only 20% is consumed.
- The data in the above table for the FY 2023-24 had been undertaken using primary data based on Head Office. For other facilities, proxy-based approach has been used. Therefore, figures for FY 2024-25 and FY 2023-24 are not directly comparable.

Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, an independent assurance has been carried out by Moore Singhi Advisors LLP for the FY 2024-25 indicators in the table above.

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

The Company does not produce industrial wastewater, as its water usage is limited solely to human consumption. Additionally, it has implemented several measures as mentioned above to consume water judiciously.

Further, the Company is equipped with rainwater harvesting system and recycles waste water to reuse as flush water and in watering plants. Further, sensor based water taps are used to reduce wastage of water.

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2024-25	FY 2023-24
NOx	Not Applicable	The Company reports on GHG emissions for its operations. Given the nature of the financial services provider, details of air emissions other than GHG does not apply to the Company.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	6.76	3.05
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	6,369.77	11,675.64
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations)	Metric tonnes of CO ₂ e / Revenue	0.01	0.03
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations adjusted for PPP)	Metric tonnes of CO ₂ e / Revenue adjusted for PPP	0.25	0.52
Total Scope 1 and Scope 2 emission intensity in terms of physical output	-	0.69	1.48
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	-	Not Applicable	Not Applicable

Note:

- Scope 1 emissions include emissions from company-owned diesel gensets.
- Scope 1 & 2 emission intensity has been computed based on Total Revenue from operation as per Audited Standalone Financial Statements of the Company.
- For the purpose of calculation of intensity adjusted Purchasing power parity (PPP), conversion factor @ 20.66 ₹/USD as per IMF has been considered.
- Scope 1 and Scope 2 GHG emissions are calculated based on the energy consumption as derived from the principle 6 – essential indicator (i) table provided above. Therefore, figures for FY 2024-25 and FY 2023-24 are not directly comparable.

Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, an independent assurance has been carried out by Moore Singhi Advisors LLP for the FY 2024-25 indicators in the table above.

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

The Company is endeavoring to minimize its GHG emissions where feasible. During the year, through employee volunteering, the tree plantation drives were conducted. The Company also supported initiative for mass fruit tree plantation.

Also, the Company is shifting towards green methods of conducting business, such as shifting towards electronic transactions by creating a robust digital infrastructure, eliminating paper reports and forms wherever possible, recycling and reducing waste in all premises through certified vendors, etc. form part of the Company's contribution towards this cause.

Business Responsibility & Sustainability Report (Contd..)

Further, the Company has adopted following measures to reduce the GHG emission:

- Planting of air purifier plants.
- Installation of energy efficient five-star ACs and electrical equipment in Head and Corporate Office and in few of the branches.
- Installation of VRF Air Conditioning System.
- Installation of Sewage Treatment Plant (SPT).
- The Company has applied for LEED certification for Its Corporate Office.
- The Company is planning for GREEN buildings in ongoing building construction projects.
- Installation of occupancy sensor lights in Head and Corporate Office buildings.
- LED light fixtures which are most energy efficient fixtures are being used in Company's premises.
- Installation of LED glow sign boards with timer facility which automatically switches off at daylight.
- Installation of hand dryers in washrooms to reduce consumption of paper napkins.
- Recycling of plastic waste including papers.
- The Company has launched initiatives to reduce food wastage and creates awareness for avoiding the wastage of food.
- Installation of RO plants.
- Installation of rain water harvesting system.

Further, the Company also through its CSR initiatives has undertaken various projects on environmental sustainability such as reforestation.

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2024-25	FY 2023-24
Total Waste generated (in metric tonnes)		
Plastic waste (A)	Plastic waste generated from our office premises are minimal as the majority of the plastics used in our office premises including plastic bags are biodegradable in nature. The amount generated is negligible, hence it isn't relevant to our activities.	
E-waste (B)	2.90	3.14
Bio-medical waste (C)	Not Applicable	
Construction and demolition waste (D)		
Battery waste (E)		
Radioactive waste (F)		
Other Hazardous waste. Please specify, if any. (G)		
Other Non-hazardous waste generated (H). This is purely Solid Waste which is divided into three part i.e. dry waste, wet waste and inert waste	23.03	21.31

Category of waste		
(i) Recycled	19.26	18.72
(ii) Re-used	-	-
(iii) Other recovery operations	-	-
Total	19.26	18.72

For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)

Parameter	FY 2024-25	FY 2023-24
Category of waste		
(i) Incineration	-	-
(ii) Landfilling	-	-
(iii) Other disposal operations	6.67	5.73
Total	6.67	5.73

Note:

- Our waste generation is minimal (mostly stationery-related) and consequently there is no requirement of incineration or landfilling activities.
- Due to the nature of operations of the Company, no bio-medical and radioactive waste attributable to the Company was generated.
- Waste generated computations have currently been undertaken for the Head Office only. For the rest of the office locations, waste management is overseen by the local administrative authority.
- E-waste generated by the Company is processed & disposed-of through registered e-waste vendors in an eco-friendly manner and the Company has accordingly received the certificate from registered e-waste vendor.
- Waste intensity has been computed based on Total Revenue from operation as per Audited Standalone Financial Statements of the Company.
- For the purpose of calculation of intensity adjusted Purchasing power parity (PPP), conversion factor @20.66 ₹/USD as per IMF has been considered.

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, an independent assurance has been carried out by Moore Singhi Advisors LLP for the FY 2024-25 indicators in the table above.

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

We strive to reduce waste and recycle as much as possible. Our waste primarily comprises of foodwaste, paper, plastic and e-waste.

There is segregation of dry and wet waste and the solid waste management is done by recycling paper, tissue, plastic bottles and cardboard waste.

Given the nature of the business, there is no usage of toxic and hazardous chemicals by the Company. The Company has adopted waste management practices in the manner mentioned below:

Curbing generation of plastic waste: We have stopped procurement of plastic stationery and encourage our employees to use glass bottles at our offices to reduce the number of plastic bottles being discarded after use.

Reducing paper and printing consumption: We have implemented strong measures for digitising processes to reduce the need for paper. Further, minimising the usage of paper across offices is an ongoing activity.

Business Responsibility & Sustainability Report (Contd..)

Customer accounts have now transitioned to digital opening. The documents required as supporting are also uploaded digitally; accounts are being opened without any paper consumption. Paper based Office stationeries also have now been stopped apart from the mandatory ones.

E-waste management: IT waste are outsourced to vendor which disposes-of the wastes as per proper waste disposal mechanism. Our e-waste broadly includes computers, servers, scanners, UPSs, batteries, air conditioners, etc. All such e-wastes are being disposed of through registered e-waste vendors.

Food wastage management: The Company has been monitoring food wastage at the Head Office and other locations and the same is communicated to the employees through a board put up in the cafeteria.

Regular awareness is being created among employees for avoiding wastage of food through different way including educational sessions, practical tips, hording, observer, etc.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/clearances are required, please specify details in the following format:

Sr. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval/clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
---------	--------------------------------	--------------------	---

Given the nature of the business, the Company does not have any operations or offices in ecologically sensitive areas.

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web link
-----------------------------------	----------------------	------	---	--	-------------------

Not Applicable

13. Is the entity compliant with the applicable environmental law/regulations/guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Sr. No.	Specify the law/regulation/guidelines which was not complied with	Provide details of the non-compliance	Any fines/penalties/action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
---------	---	---------------------------------------	---	---------------------------------

Given the nature of the business, the Company does not have any operations or offices in ecologically sensitive areas.

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 3 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	11,116.16	Not Reported
Total Scope 3 emissions per rupee in lakhs of turnover	Metric tonnes CO ₂ / INR in lakhs	0.02	
Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity	Metric tonnes CO ₂ e / Total Employees		

Note: For Scope 3 GHG emissions, the Company reports on the below categories:

- Purchased Goods & Services (Category 1): Emissions are calculated using the spend-based methodology, covering both goods and services.

Business Responsibility & Sustainability Report (Contd..)

- Capital Goods (Category 2): Covers tangible & intangible fixed assets, with emissions calculated using the spend based methodology.
- Waste Generated from Operations (Category 5): Accounts for emissions from e-waste, plastic waste and other non-hazardous waste.
- Business Travel (Category 6): Covers air, rail and cab travel, with emissions estimated on a spend basis.
- Employee Commuting (Category 7): Calculated based on Company's employee Commuting survey data, considering mode of transport, distance traveled and applicable emission factors.
- Upstream Leased Assets (Category 8): As per the GHG Protocol, Category 8 accounts for emissions from the operation of assets leased by the reporting company during the reporting year, provided these emissions are not already included in Scope 1 or Scope 2 inventories. For our organization, Category 8 emissions encompass electricity consumption in physical data centers, calculated using actual consumption data.
- Scope 3 emission intensity has been computed based on Total Revenue from operation as per Audited Standalone Financial Statements of the Company.

Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No, Independent assessment/assurance has not been carried out for the FY 2024-25.

3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities:

The Company deals in providing financial services and as such we do not have direct impacts on biodiversity. However, prior to undertaking construction/acquisition of new office buildings, all permissions/no-objection certificates from the relevant local statutory authority are obtained viz. Environmental Assessment Authority, Forest Department, mining etc. to mitigate any adverse impact on bio-diversity.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions/effluent discharge/waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1.	Tree plantation	A tree plantation drive was conducted through employee volunteering, resulting in the planting of 1,100 trees. Additionally, 3,000 saplings were planted under the Company's CSR initiatives. The Company also supported a mass fruit tree plantation initiative on the lands of marginal farmers to promote sustainable livelihoods.	The initiative contributed to promoting ecological balance by enhancing green cover, improving air quality, and supporting biodiversity. The fruit tree plantation also aided in creating a source of long-term livelihood for marginal farmers, helping boost rural income and environmental sustainability.
2.	Rain water harvesting system	As part of its CSR initiatives, the Company has implemented a rainwater harvesting system at a rural school, ensuring year-round access to water for approximately 2,100 students and teachers from grades 5 to 12.	This initiative has ensured a reliable year-round water supply for the school, benefiting over 2,100 students and teachers from grades 5 to 12 through the installation of a rainwater harvesting system.
3.	Construction of Water Storage Pits	25 water storage pits were constructed with the objective of maximizing rainwater harvesting and storage capacity.	The initiative significantly improved water conservation in the area by enhancing groundwater recharge and ensuring a sustainable water supply throughout the year. This has helped reduce dependency on external water sources, supported agricultural activities, and ensured the availability of water for daily needs during periods of low rainfall, contributing to overall water security in the region.

Business Responsibility & Sustainability Report (Contd..)

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
4.	Installation of Solar-Powered Water Irrigation Plant	The Company, in collaboration with MO Foundation and Keshav Srushti, has implemented a Solar Water Irrigation Plant in Dhindepada Village, located in Wada, Palghar.	The project has benefited several marginal farmers by ensuring reliable access to water for irrigation, thereby improving crop yields, reducing dependence on traditional water sources, and enhancing agricultural productivity in the region.
5.	Installation of Farmers Training Centre	The Company, in collaboration with Global Vikas Trust, has established "GVT Krishikul," a 25-acre training center for farmers in Beed, Maharashtra. The center provides practical training on modern and sustainable farming techniques, crop diversification, and efficient resource use.	More than 2,000 farmers have been trained at the center, leading to improved agricultural practices, increased farm productivity, and enhanced income levels for farming communities in the region.
6.	Installation of LED Lights instead of Conventional lights	Over 3,000 units of LED light fixtures were installed to replace conventional lighting systems.	The initiative resulted in substantial energy savings by replacing traditional bulbs with energy-efficient LED lights, which consume up to 75% less electricity. It also contributed to lowering the carbon footprint, reducing maintenance costs due to longer lifespan of LEDs, and promoting environmental sustainability through improved energy efficiency.
7.	Waste recycling	We have engaged ourselves with Registered Vendor who manage waste for us at our tower locations for wet and dry waste. Currently we have only commissioned Registered Vendor for one location but subsequently we would engage them for other locations as well depending on the quality of service.	In FY 2024-25, 8.17 metric tonnes of dry waste and 8.19 metric tonnes of wet waste were generated and recycled. Further, 2.90 metric tonnes of e-waste was generated and disposed safely.
8.	Tap Water Installation	The Company has installed tap water purification system at our Head Office with the goal of reducing the environmental impact of consuming tap water versus bottled water and having better mineral content. In addition, tap water systems are more affordable than bottle water.	Tap water is safe, better for the environment, less expensive and offers health benefits such as fluoride that may be lacking in many bottled water products.
9.	Dual Flush Valves Toilets	With a view of less water consumption for flushing liquid waste and positive environmental impact, the Company has installed dual flush valves toilets in Head & Corporate Office and in some of the branches. Under dual flush system, we have two options to select i.e. a half flush and a full flush. A half flush is ideal for liquid wastes and a full flush is used for solid wastes.	Older toilet valves models would use as much as 15 liters per flush, a dual toilet loaves flush system uses only about 7 liters each flush.
10.	Moved from physical server to virtual servers	The Company has undertaken a significant infrastructure upgradation. We have transitioned from traditional physical servers to more efficient and flexible virtual server environments.	This initiative of the Company ensure scalability, improved resource utilization, enhanced disaster recovery, increased flexibility and mobility, reduced downtime and saves operating expenses.

Business Responsibility & Sustainability Report (Contd..)

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
		This strategic move allows us to optimize resource utilization, enhance scalability, and streamline maintenance processes. By leveraging virtualization technology, we aim to improve our overall IT performance and better align our infrastructure with evolving business needs.	Virtual servers reduced a data center's carbon footprint.
11.	Sensor based urinal Pot installation	We have installed Sensor based urinal pots at Head and Corporate Office and branches.	By installing sensors urinals we are saving 5 to 10 litres per use as compared to using a WC

Further, the Company has adopted following other measures to improve resource efficiency and reduce impact due to emissions/effluent discharge/waste generated:

- Planting of air purifier plants.
- Installation of energy efficient five-star ACs and electrical equipment in Head and Corporate Office and in few of the branches.
- Installation of VRF Air Conditioning System.
- Installation of Sewage Treatment Plant (SPT).
- The Company has applied for LEED certification for Its Corporate Office.
- The Company is planning for GREEN buildings in ongoing building construction projects.
- Installation of occupancy sensor lights in Head and Corporate Office buildings.
- LED light fixtures which are most energy efficient fixtures are being used in Company's premises.
- Installation of LED glow sign boards with timer facility which automatically switches off at daylight.
- Installation of hand dryers in washrooms to reduce consumption of paper napkins.
- Recycling of plastic waste including papers.
- The Company has launched initiatives to reduce food wastage and creates awareness for avoiding the wastage of food.
- Installation of RO plants.
- Installation of rain water harvesting system.
- Installation of Fire-resistant glass (FRG) Partitions at Lift Lobbies.

3. Describe the mechanisms to receive and redress grievances of the community:

The Company has established multiple robust mechanisms to receive and redress grievances from the community. These include regular and direct engagement through physical visits, phone calls, emails, faxes, personal meetings, and letters. The Company also actively addresses community concerns through various CSR initiatives executed by the Motilal Oswal Foundation, both directly and in partnership with NGOs.

The CSR team closely monitors and evaluates the impact of its initiatives by conducting periodic due diligence, beneficiary feedback sessions, and on-site or virtual project reviews. This ensures that any issues or grievances raised by the community are promptly identified and addressed.

Additionally, the Company maintains open communication channels with NGO partners, enabling continuous feedback and grievance redressal. This approach ensures that community members benefiting from CSR activities have a reliable platform to voice concerns and receive timely support.

Through these integrated community and internal grievance redressal mechanisms, the Company demonstrates its strong commitment to transparency, accountability, and the well-being of all stakeholders.

PRINCIPLE 9 : BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER

ESSENTIAL INDICATORS

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

We receive client complaints/queries via phone, fax, email, personal visits, and physical letters from clients as well as through their affiliated authorised individuals and branches. We also receive complaints from clients through Regulatory Authority, Exchanges, Advocates, Consumer Forums, SCORES Postal, Smart ODR Portal, Consumer forums etc.

The online centralised system stores complaints that are received from multiple sources together with the relevant information. Also, each complaint is first understood and its root cause is looked into. The Grievance team is in charge of handling complaints that come over their desk with care.

We segregate all the client's queries and complaints separated. The client is then given a thorough response based on the examination of the facts, followed by the proper response or resolution with pre-decided TATs.

2. Turnover of products and/services as a percentage of turnover from all products/service that carry information about:

5. Does the entity have a framework/policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes, The Company has a robust and Board-approved Cyber Security & Cyber Resilience Policy, which provides a comprehensive framework to manage and mitigate cyber risks, including those related to data privacy. The policy is aligned with regulatory guidelines, including SEBI's cybersecurity circulars, and follows global standards such as NIST and ISO/IEC. It outlines critical areas such as identity management, access control, vulnerability assessments, incident response, and business continuity planning, helping Company proactively prevent, detect, respond to, and recover from cyber threats.

The policy also defines governance mechanisms, including the formation of a Cybersecurity Committee comprising senior leadership and independent experts. This Committee is responsible for overseeing implementation, conducting bi-annual reviews, and responding to incidents. The policy ensures that all stakeholders, including employees and third parties, are made aware of their responsibilities through regular training and awareness programs. It also includes provisions for data retention, encryption, and secure disposal of systems and media.

In addition to this, the Company maintains a detailed and operationally focused Information Security Policies and Procedures document, which complements the cyber resilience framework. This document outlines specific procedures to ensure the confidentiality, integrity, and availability of information assets across all departments and systems. It applies to employees, contractors, and third parties and includes detailed guidance on access control, cryptographic controls, incident management, and compliance.

The Information Security Policy further includes a Data Privacy section, which lays down controls for managing personally identifiable information (PII) in compliance with applicable regulations. It sets out data classification guidelines, usage protocols, secure storage, and secure destruction processes. The Company also mandates confidentiality agreements, privacy training for employees, and clearly defined roles and responsibilities for information owners and custodians to uphold data protection.

While these policies are not publicly available due to their confidential nature, they are accessible internally to all relevant stakeholders and are reviewed bi-annually to remain aligned with evolving cybersecurity risks and regulatory expectations. Together, these frameworks demonstrate Company's strong commitment to maintaining a secure and resilient information environment.

Business Responsibility & Sustainability Report (Contd..)

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/action taken by regulatory authorities on safety of products/services.

The Company has consistently demonstrated a strong commitment to regulatory compliance and operational excellence. The Company has not been subject to any corrective actions or penalties related to delivery of essential services, cybersecurity and customer data privacy, product safety and recalls, or regulatory actions concerning product or service safety. However, a penalty of ₹1 lakh was levied in FY 2024-25 in connection with advertising and marketing practices.

Despite the absence of significant incidents, the Company remains firmly committed to ensuring the highest levels of safety, security, and customer satisfaction. It continues to implement robust internal policies, conduct regular compliance audits, and leverage advanced security measures to proactively manage risks and maintain full adherence to applicable laws and industry best practices. This proactive stance reflects the Company's enduring commitment to building customer trust, ensuring regulatory compliance, and delivering reliable, high-quality financial services.

7. Provide the following information relating to data breaches:

(Yes/No)

1. Display of Product Information Beyond Legal Requirements: Yes

The Company provides product information apart from the minimum information/disclosures mandated by local regulations. The company emphasizes research-based advice as a key differentiator, maintaining a dedicated equity analyst team that tracks numerous companies across various sectors. This commitment to in-depth research is reflected in their communication strategy, which focuses on delivering knowledge-first insights to clients.

2. Consumer Satisfaction Surveys: Yes

Yes, the Company displays product information beyond what is mandated under applicable local laws. These disclosures are made in compliance with all regulatory requirements and reflect the Company's commitment to transparency and informed decision-making.

The Company has also conducted surveys to assess investor preferences and satisfaction. For example, an investor survey focusing on passive funds was conducted to gain insights into allocation trends and investment behavior.

These efforts collectively demonstrate the Company's proactive approach in going beyond the minimum disclosure requirements and actively seeking consumer feedback to continuously improve its products and services.

Independent Assurance Report

To
The Board of Directors,
Motilal Oswal Financial Services Limited,
Motilal Oswal Tower, Gokhale Sayani Road,
Prabhadevi, Mumbai – 400 025

Subject: Independent Reasonable Assurance Report on KPIs/Metrics in the Business Responsibility and Sustainability Report (BRSR) of Motilal Oswal Financial Services Limited (hereafter referred to as “the Company”) for the Financial Year Ended March 31, 2025

1. Introduction and Scope

Moore Singhi Advisors LLP (“Moore Singhi” or “we” or “us”) has been engaged by Motilal Oswal Financial Services Limited to provide independent reasonable assurance on Key Performance Indicators (KPIs) / metrics under nine (9) ESG attributes (listed in Annexure 1) that form part of Business Responsibility and Sustainability Report (“BRSR Core”) issued under SEBI Master Circular: SEBI/HO/CFD/PoD2/CIR/P/0155, Section IV-B, issued on November 11, – 2024 titled “Master circular for compliance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 by listed entities” read with SEBI/HO/CFD/CFD-PoD-1/P/CIR/2025/42, on March 28, 2025 titled “Measures to facilitate ease of doing business with respect to framework for assurance or assessment, ESG disclosures for value chain, and introduction of voluntary disclosure on green credits.” and under the terms of the engagement letter dated November 21, 2024.

Our assurance on disclosures is for the period starting from April 1, 2024, to March 31, 2025. We have not performed any procedures for the earlier periods or any other elements included in the BRSR report, and therefore do not express any opinion thereon.

The reporting boundary for the BRSR disclosures includes the Company’s operations, comprising eighty eight offices across India, covering North, East, West and South zones. (Refer Annexure 2)

2. Management Responsibilities

The Company’s management is responsible for the selection of the reporting criteria, reporting period, reporting boundary, preparation, and disclosure of BRSR information and the BRSR Core KPIs / metrics under the nine attributes as per “Annexure I – Format of BRSR Core” of the aforesaid Circular. This responsibility includes stakeholder engagement; design, implementation, and maintenance of internal control, including policies and processes; maintenance of adequate records; calculations; making estimates that are reasonable in the circumstances; and ensuring that they are free from material misstatement, whether due to fraud or error. Moore Singhi was not involved in the preparation of the BRSR report, BRSR Core KPIs and/or related backup data.

3. Moore Singhi’s Responsibilities

Our responsibility is to provide reasonable assurance on the BRSR Core KPIs based on the procedures we have performed and the evidence we have obtained from the Company. We do not accept or assume any responsibility for any other purpose or to any other person or organization. We have considered quantitative materiality and qualitative factors in; (i) planning the scope of our work and evaluating the results of our work; and (ii) evaluating the effect of any identified misstatements in the BRSR Core. Moore Singhi expressly disclaims any liability or co-responsibility for any decision a person or entity would make based on this assurance statement and for any damages in case erroneous data is reported. This assurance engagement relies on the assumption that all data and information provided by the Company is accurate and complete.

We conducted our assurance engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3000 (Revised): Assurance Engagements other than Audits or Reviews of Historical Financial Information, and the International Standard on Assurance Engagements (ISAE) 3410: Assurance Engagements on Greenhouse Gas Statements. In addition, we have also referenced SEBI/HO/CFD/PoD2/CIR/P/0155, November 11, 2024, SEBI/HO/CFD/CFD-PoD-1/P/CIR/2024/177 December 20, 2024, as well as the terms of reference for this engagement as agreed with the Company in the engagement letter dated November 21, 2024.

Independent Assurance Report (Contd..)

Those standards require that we plan and perform our engagement to obtain reasonable assurance about whether, in all material respects, the KPIs presented to us are prepared in accordance with the reporting criteria chosen by the Company as per the Circular.

A reasonable assurance engagement includes performing procedures to obtain sufficient and appropriate evidence assessing the risk of material misstatement of the KPIs disclosed in BRSR Core. In this connection, we have performed the following procedures:

1. Evaluated the suitability of the quantification methods used for the BRSR Core KPIs.
2. Engaged in discussions with the personnel at both corporate and facilities responsible for the information presented in the report.
3. On a sample basis, verified the data collected, recorded, and aggregated to ensure the veracity of the reporting.
4. Enquired with the senior management of the Company and obtained management representation towards all the stated matters of the report.

Exclusions:

- Management controls, including testing internal controls or verifying the aggregation and calculation of data within the IT systems.
- The Company's statements that describe expressions of opinion, belief, aspiration, expectation, aim or future intentions or any forward-looking assertions and/or data.
- Review of the 'economic and/or financial performance indicators' included in the Report or on which KPI reporting is based.

4. Inherent Limitations

The reliability of assurance on non-financial information is subject to uncertainties inherent in the assurance process. The lack of a significant universal body of established practice for measuring and evaluating non-financial information allows for different, but acceptable, measures and measurement techniques, potentially affecting comparability between entities. Specifically, the uncertainties in greenhouse gas (GHG) emissions estimation arise due to incomplete scientific knowledge, limitations in quantification models, assumptions, or conversion factors used to arrive at results. Due to these inherent limitations, there are possibilities that material misstatements in the sustainability information of the BRSR Core KPIs in the Report may remain undetected. The application of this assurance statement is limited to the aforementioned "Circular".

5. Opinion

Based on the procedures performed and the evidence obtained, as detailed in Section 3 of this report, along with the information, explanations, and management representations provided to us, we are of the opinion that the BRSR Core KPIs, as listed in Annexure 1 to this report, have been prepared in accordance with the criteria selected by the Company, in line with the requirements outlined in the Circular.

6. Restriction on Use

Our work was performed solely to assist management in meeting their responsibilities in relation to the Company's assurance requirements as per the Circular. The report is addressed and provided to the Board of Directors of the Company, solely for the purpose of enabling it to comply with the aforementioned requirements of the Circular, and should not be used, referred to or distributed for any other purpose or to any other party without our prior written consent. Accordingly, we do not accept or assume any liability or duty of care for any other purpose for which or to any other person to whom this assurance report is shown or into whose hands it may come without our prior consent in writing.

Other than as described in paragraph 1, which sets out the scope of our engagement, we did not perform any assurance procedures on the remaining information. Accordingly, we do not express an opinion on that information.

Independent Assurance Report (Contd..)

7. Statement of Independence, Impartiality, and Competence

Moore Singhi is a professional services firm offering a range of services in assurance and advisory to both domestic and international clients across industries. We have complied with independence and ethical requirements, which are founded on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour. This assurance engagement comprises multidisciplinary experts with deep knowledge in sustainability, ESG reporting principles and standards, and related assurance standards.

Standalone Financial Statements

Independent Auditors' Report

To

The Members of
Motilal Oswal Financial Services Limited

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

1. OPINION

We have audited the accompanying standalone financial statements of **Motilal Oswal Financial Services Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

2. BASIS FOR OPINION

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ('SA's) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

3. EMPHASIS OF MATTER

Attention is invited to:

Note. 70 of the standalone financial statements of the Company, wherein it is stated that the Scheme of Arrangement to restructure the business of the Company w.e.f. April 1, 2023, has now been withdrawn. The decision to withdraw the Scheme is based on the Consultation Paper issued by Department of Economic Affairs which states about amending Rule 8 of Securities Contracts (Regulation) Rules, 1957. The Company will review & reconsider to file revised Scheme (including updated Financials), if required, basis publication of final amendments by the Department of Economic Affairs, in this regard.

Our opinion is not modified in respect of this matter.

4. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report

Independent Auditors' Report (Contd..)

Key Audit Matter	How the Key Audit Matter was addressed in our audit
<p>Information Technology (IT) Systems and Controls</p> <p>The Company's key financial accounting and reporting processes are highly dependent on the automated controls over the Company's information systems, such that there exists a risk, that gaps in the IT control environment could result in the financial accounting and reporting records being misstated.</p> <p>Amongst its multiple IT systems, we scoped in systems that are key for overall financial reporting.</p> <p>Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.</p> <p>We have identified 'IT systems and controls' as a key audit matter considering the high level of automation, multiple systems being used by Management and the complexity of the IT architecture and its impact on overall financial reporting process.</p>	<p>Key IT audit procedures performed included the following, but not limited to:</p> <ul style="list-style-type: none"> For testing the IT general controls, application controls and IT dependent manual controls, we involved IT specialists as part of the audit. Obtained a comprehensive understanding of IT applications landscape implemented at the Company. It was followed by process understanding, mapping of applications to the same and understanding financial risks posed by people-process and technology. Key IT audit procedures includes testing design and operating effectiveness of key controls operating over user access management (which includes user access provisioning, de-provisioning, access review, password configuration review and privilege access), change management (which include change release in production environment are compliant to the defined procedures and segregation of environment is ensured), computer operations (which includes testing of key controls pertaining to backup, incident management and data centre security), System interface controls. This included testing that requests for access to systems were appropriately logged, reviewed, and authorized. In addition to the above, the design and operating effectiveness of certain automated controls, that were considered as key internal system controls over financial reporting were tested using various techniques such as inquiry, review of documentation/ record/ reports, observation, and re-performance.

5. INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Report on Corporate Governance (but does not include the Financial Statements and our auditor's report thereon) which we obtained prior to the date of this auditor's report and Board's Report, Management Discussion and Analysis, Financial Highlights and Business Responsibility and Sustainability Report, which are expected to be made available to us after that date.

Our opinion on the Standalone Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

6. RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Ind AS, specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for

Independent Auditors' Report (Contd..)

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in; (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditors' Report (Contd..)

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of standalone financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- i. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- ii. As required by section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph (l) below on reporting under Rule 11 (g).
 - c. The standalone Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph (l) below on reporting under Rule 11(g).
 - f. On the basis of written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of section 164 (2) of the Act.
 - g. With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
 - h. With respect to the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (I) The Company has disclosed the impact of pending litigations on the financial position in its standalone financial statements – Refer note 39 to the financial statements;
 - (II) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (III) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025;
 - j. (a) The Management has represented that to the best of its knowledge and belief, as disclosed in note 68 to the Standalone Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Independent Auditors' Report (Contd..)

- (b) Management has represented that to the best of its knowledge and belief, as disclosed in note 68 to the Standalone Financial Statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on audit procedures that have been considered reasonable and appropriate in the circumstances; and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- k. As stated in note 24 of the standalone financial statement, the dividend declared / paid during the year is in compliance with Section 123 of the Act. The Company has not proposed any final dividend during the year.
- l. Based on our examination, which included test checks, the Company has used various accounting software(s) for maintaining its books of account which has a feature of recording audit trail (edit log) facility and has been operated throughout the year for all relevant transactions recorded in the respective software(s), except that:
 - a) audit trail feature is not enabled at the database level throughout the year in respect of five accounting software(s);
 - b) in respect of one accounting software, audit trail feature is not enabled effectively at the application level throughout the year.

Hence, we are unable to comment upon whether the required provisions of the Act regarding audit trail for these software(s) have been complied with in all aspects. Further, except for the accounting software(s) referred in above paras, where the audit trail feature is not enabled, during the course of our examination, in respect of the other accounting software(s) being used by the Company, we did not come across any instance of audit trail feature being tampered with or audit trail retention not being maintained.

Independent Auditors' Report (Contd..)

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MOTILAL OSWAL FINANCIAL SERVICES LIMITED

Referred to in paragraph [8(i)] under Report on Other Legal and Regulatory Requirements' section of our report of even date

According to the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i)
 - a)
 - A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of Right-of-use Assets.
 - B) The Company has maintained proper records showing full particulars of Intangible Assets.
 - b) The Company has a program of physical verification of its property, plant and equipment (PPE) including right-of-use assets under which all PPE are verified once in three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. The PPE excluding right-of-use assets were verified in the previous year. During the year, the PPE have not been physically verified. Whereas, right of use assets have been physically verified during the year.
 - c) The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) included in Property, Plant and Equipment are held in the name of the Company.
 - d) The Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or Intangible Assets during the year. Accordingly, the provisions stated under paragraph 3(i)(d) of the Order are not applicable to the Company.
 - e) No proceedings have been initiated or is pending against the Company during the year for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, the provisions stated under paragraph 3(i)(e) of the Order are not applicable to the Company.
- (ii)
 - a) The Company's business does not involve inventory and accordingly, paragraph 3(ii)(a) of the Order is not applicable to the Company.
 - b) During the year, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks / financial institutions on the basis of security of current assets of the Company. Basis the information and explanation provided to us and based on the records examined by us in the normal course of audit of the financial statements and as per note 62 of the standalone financial statements, we have not observed any differences between the quarterly returns / statements or the revised quarterly returns/ statements filed by the Company with such banks / financial institutions as compared to the books of accounts maintained by the Company. However, we have not carried out a specific audit of such statements.
- (iii) During the year, in the ordinary course of its business, the Company has made investments in and granted loans and advances in the nature of loans, secured and unsecured, to Companies, firms, Limited Liability Partnerships and other parties. The Company has not provided any guarantee or security to these specified parties:
 - a) The Company is in the business of providing loans which are called as margin trading funding (MTF). According to the explanations and representations given to us by the Company, this is one of the principal business of the Company which is also described in its object clause specified in Memorandum of Association. Accordingly, clause (iii)(a) is not applicable to the Company.
 - b) The investments made and the terms and conditions of the grant of all loans and advances in the nature of loans are prima facie, not prejudicial to the Company's interest. Further, during the year the Company has not provided guarantees, given security and granted loans and advances in the nature of guarantees to companies, firms, LLLP's or any other parties.
 - c) In case of loans given in the nature of MTF, the schedule of payment of interest has been stipulated but the schedule of repayment of principal amount of such loans are not stipulated. In respect of loans given to related parties, the schedule of repayment of principal and payment of interest has not been stipulated. In respect of loans other than loans given for MTF and loans given to related parties, the Company has stipulated the schedule of repayment of principal and payment of interest, whose repayment and payment is regular.

During the year, the Company has not granted advances in the nature of loans.

Independent Auditors' Report (Contd..)

- d) In respect of loans granted by the Company, there are no amount overdue for more than ninety days.
- e) The Company is in the business of providing loans which are MTF. According to the explanations and representations given to us by the Company, this is one of the principal business of the Company which is also described in its object clause specified in Memorandum of Association. Accordingly, clause (iii) (e) is not applicable to the Company.
- f) According to the information and explanations given to us, the Company has granted loans repayable on demand or without specifying any terms or period of repayment. Of these, following are the details of the aggregate amount of loans granted to promoters, related parties as defined in clause (76) of Section 2 of the Act.

(Rs. in lakhs)

Particulars	All Parties	Related Parties	Promoters
Aggregate amount of loans			
– Repayable on demand (A)	14,270	14,270	–
– Agreement does not specify any terms or period of repayment (B)	42,42,911	–	–
Total (A+B)	42,57,181	14,270	–
Percentage of loans to total loans	100%	0.34%	–

- (iv) The Company has not granted any loans, made investments or provided guarantees and securities under Section 185 of the Act. The Company has complied with the provisions of Sections 186 of the Act in respect of grant of loans and making investments. The Company has not provided any guarantees and securities. Accordingly, para 3(iv) of the Order is not applicable to that extent.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company. We are informed by the management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.
- (vi) The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Act for the business activities carried out by the Company. Thus, reporting under paragraph 3(vi) of the Order is not applicable to the Company.
- (vii) In respect of Statutory dues:
- a) The Company has generally been regular in depositing undisputed statutory dues, including goods and service tax, provident fund, employees' state insurance, income tax, cess and other material statutory dues applicable to it to the appropriate authorities. As explained to us, the Company did not have any dues on account of sales tax, service tax, duty of customs, duty of excise and value added tax.
- b) There are no undisputed amounts payable in respect of goods and services tax, provident fund, employees' state insurance, income tax, cess and other material statutory dues which were outstanding, at the year end, for a period of more than six months from the date they became payable.
- c) The details of statutory dues referred to in sub- clause (a) above which have not been deposited as on March 31, 2025, on account of disputes are given below:

- (viii) There are no transactions which have not been recorded in the books of account but have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) a) The Company has not defaulted in repayment of loans or borrowings or in the payment of interest thereon to any lender.
- b) The Company has not been declared a wilful defaulter by any bank or financial institution or government.
- c) Money raised during the year through term loans have been applied for the purpose for which they were raised other than temporary deployment pending application of proceeds in the normal course of business.
- d) On the basis of the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have prima facie been used for long-term purposes by the company.
- e) On an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associate during the year. The Company does not have a joint venture.
- f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised any loans during the year on the pledge of securities held in its subsidiaries or its associate company. The Company does not have a joint venture. Hence the requirement to report on clause ix (f) of the order is not applicable to the Company.
- (x) a) During the year, the Company has raised money by way of initial public offer through issuance of non-convertible debentures and has utilized the money raised for the purpose for which it was raised. Further, during the year, the Company has not raised money by way of initial public offer or further public offer through issuance of equity shares.
- b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence reporting under paragraph 3 (x)(b) of the Order is not applicable to the Company.
- (xi) a) We have been informed that one of the employees of the Company had carried out fraudulent act for an amount of Rs. 1.58 crores. FIR has been filed with the police department; the investigations are in progress and that particular employee has been terminated. The Company has also put a claim with the Insurance Company for the stated amount. In the meantime, the Company has accounted loss of Rs. 1.58 crores towards this matter in its books of accounts
- b) During the year, no report under sub-section (12) of Section 143 of the Act has been filed by secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. Further, as represented to us, the Company does not have a cost auditor and hence, the reporting requirement in terms of cost auditor does not gets applicable here. However, for the matter referred in para (xi) (a), we will be filing Form ADT-4 with the central government subsequent to the adoption of these financial statement by the Board of Directors, as certain set of information's are getting collated by the management in this regard and the timeline to file the form for the matter stated in above para as per the Act still exists.
- c) According to the information, explanation and representations given to us, no whistle blower complaint has been received by the Company during the year.
- (xii) The Company is not a nidhi company and hence reporting under paragraph 3 (xii) of the Order is not applicable to the Company.
- (xiii) All the transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable, and the details of related party transactions have been disclosed in the notes to the financial statements etc, as required by the applicable accounting standards.

Independent Auditors' Report (Contd..)

- (xiv) a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with them as referred to in section 192 of the Act. Thus, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India (RBI) Act, 1934. Accordingly, clause 3 (xvi) (a) of the Order is not applicable.
- b) The Company has not conducted any Non-Banking Financial or Housing Finance Activities. Accordingly, clause 3 (xvi) (b) of the Order is not applicable.
- c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence reporting under paragraph 3 (xvi)(c) of the Order is not applicable.
- d) According to the information and explanations given to us, there is no CIC in the Group.
- (xvii) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (xviii) There has been no resignation of the Statutory Auditors during the year and accordingly requirement to report on clause 3(xviii) of the order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.
- Also refer to the Other Information paragraph of our main audit report which explains that the other information comprising the information included in the annual report is expected to be made available to us after the date of this auditor's report.
- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility ('CSR'). Accordingly, reporting under paragraph 3(xx)(a) of the Order is not applicable for the year.
- (b) The Company does not have any ongoing projects in accordance with the requirements of CSR guidelines and hence, reporting under paragraph 3(xx)(b) of the Order is not applicable for the year.
- (xxi) As the Company is also preparing its consolidated financial statement, reporting under paragraph 3 (xxi) is given in the consolidated audit report.

Independent Auditors' Report (Contd..)

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF MOTILAL OSWAL FINANCIAL SERVICES LIMITED

Referred to in paragraph [8(ii)(g)] under Report on Other Legal and Regulatory Requirements' section of our report of even date

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls with reference to the Standalone Financial Statements of Motilal Oswal Financial Services Limited (the "Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THESE STANDALONE FINANCIAL STATEMENTS

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Independent Auditors' Report (Contd..)

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to Financial Statement

1. CORPORATE INFORMATION

Motilal Oswal Financial Services Limited ("MOFSL" or 'the Company') is a public limited company and incorporated under the provisions of Companies Act. The Company is domiciled in India and the addresses of its registered office and principal place of business is Motilal Oswal Tower (Mumbai).

The Company is registered with Securities and Exchange Board of India ('SEBI') under the Stock brokers and sub brokers Regulations, 1992 and is a member of Bombay Stock Exchange Limited, National Stock Exchange of India Limited, Multi Commodity Exchange of India Ltd. and National Commodity and Derivatives Exchange Limited. The Company acts as a stock broker and commodities broker to execute proprietary trades and also trades on behalf of its clients which include retail customers (including high net worth individuals), mutual funds, foreign institutional investors, financial institutions and corporate clients. It is registered with Central Depository Services (India) Limited and National Securities Depository Limited in the capacity of Depository Participant and also registered with SEBI in capacity of Research Analyst and Investment Advisor.

The Financial statements were approved for issuance by the Company's Board of Director on 25 April 2025.

2. MATERIAL ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below.

2.1 Basis of preparation

(i) Compliance with Ind AS

The financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act.

The financial statements have been prepared using the material accounting policies and measurement bases summarized as below. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain Financial instruments are measured at fair value;
- Assets held for sale – measured at fair value less cost to sell;
- Defined benefit plans – plan assets measured at fair value; and
- Share based payments

(iii) Preparation of financial statements

The Company is covered in the definition of Non-Banking Financial Company as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the format prescribed under Division III of Schedule III to the Companies Act, 2013 on 11 October 2018 (as amended), the Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity. A maturity analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date is presented in note 58.

(iv) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS which requires management to make estimates, judgments, and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of financial statements and the reported amounts of revenue and expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognized in the period in which the Company becomes aware of the changes in circumstances surrounding the estimates. Any revisions to accounting estimates are recognized prospectively in the period in which the estimate is revised and future periods. The estimates and judgments that have significant impact on carrying amount of assets and liabilities at each balance sheet date are discussed at note 3.

(v) Determining whether an arrangement contains a lease

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The

Independent Auditors' Report (Contd..)

Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option.

2.2 Revenue Recognition

The Company recognizes revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Company applies the five-step approach for recognition of revenue:

- Identification of contract(s) with customers;
- Identification of the separate performance obligations in the contract;
- Determination of transaction price;
- Allocation of transaction price to the separate performance obligations; and
- Recognition of revenue when (or as) each performance obligation is satisfied.

(i) Brokerage fee income

It is recognised on trade date basis in accordance with the terms of contract and is exclusive of goods and service tax and securities transaction tax (STT) wherever applicable.

(ii) Research and advisory income

Research and advisory income is accounted for on an accrual basis in accordance with the terms of the respective agreements entered into between the Company and the counter party.

(iii) Interest income

Interest income on a financial asset at amortised cost is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ('EIR'). The EIR is the rate that exactly discounts estimated future cash flows of the financial assets through the expected life of the financial asset or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The internal rate of return on financial assets after netting off the fees received and cost incurred approximates the effective interest rate method of return for the financial asset. The future cash flows are estimated taking into account all the contractual terms of the instrument.

(iv) Dividend income

Dividend income is recognized in the Statement of profit and loss on the date that the Company's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the shareholders approve the dividend.

(v) Portfolio management commission income

Portfolio management commissions is recognised on an accrual basis in accordance with the terms of the agreement entered with asset management company.

(vi) Rental income

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

(vii) Profit and loss from partnership firm / LLP

Profit and loss from partnership firm / LLP are accounted on accrual basis and as per terms of respective Partnership / LLP agreement.

Independent Auditors' Report (Contd..)

(viii) Depository services income

Revenue from depository services on account of annual maintenance charges have been accounted for over the period of the performance obligation.

Revenue from depository services on account of transaction charges is recognized point in time when the performance obligation is satisfied.

(ix) Delayed payment charges

Interest is earned on delayed payments from customers and is recognised on a time proportion basis taking into account the amount outstanding from customers and the rates applicable.

2.3 Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognized in Statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Current Tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries and associates where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

2.4 Leases

Company as a Lessee

For any new contracts entered into on or after 1 April 2019, the Company considers whether a contract is, or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. The Company assess whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

Measurement and recognition of leases as a lessee

The Company has adopted Ind AS 116 "Leases" using the cumulative catch-up approach. Company has recognized Right of Use assets as at 1 April 2019 for leases previously classified as operating leases and measured at an amount equal to lease liability (adjusted for related prepayments/ accruals). The Company has discounted lease payments using the incremental borrowing rate for measuring the lease liability.

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Independent Auditors' Report (Contd..)

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognized as an operating expense in Statement of profit and loss on a straight-line basis over the lease term.

When the Company revises its estimate of the term of any lease, it adjusts the carrying amount of the lease liability to reflect the payments to make over the revised term, which are discounted using a revised discount rate. The carrying value of lease liabilities is similarly revised when the variable element of future lease payments dependent on a rate or index is revised, except the discount rate remains unchanged. In both cases an equivalent adjustment is made to the carrying value of the right-of-use asset, with the revised carrying amount being amortised over the remaining (revised) lease term. If the carrying amount of the right-of-use asset is adjusted to zero, any further reduction is recognised in statement of profit and loss.

For contracts that both convey a right to the Company to use an identified asset and require services to be provided to the Company by the lessor, the Company has elected to account for the entire contract as a lease, i.e. it does allocate any amount of the contractual payments to, and account separately for, any services provided by the supplier as part of the contract

Company as a Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the term of the lease transfers substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

2.5 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Outstanding bank overdrafts are not considered integral part of the Company's cash management.

2.6 Financial instruments

Initial recognition and measurement:

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability, such as fees and commissions. Transaction costs of financial assets and financial liabilities carried at fair value through profit or loss are expensed in Statement of profit and loss. Immediately after initial recognition, an expected credit loss allowance (ECL) is recognized for financial assets measured at amortized cost.

When the fair value of financial assets and liabilities differs from the transaction price on initial recognition, the entity recognizes the difference as follows:

- a) When the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets, the difference is recognized as a gain or loss.
- b) In all other cases, the difference is deferred and the timing of recognition of deferred day one profit or loss is determined individually. It is either amortized over the life of the instrument, deferred until the instrument's fair value can be determined using market observable inputs, or realized through settlement.

When the Company revises the estimates of future cash flows, the carrying amount of the respective financial assets or financial liability is adjusted to reflect the new estimate discounted using the original effective interest rate. Any changes are recognized in Statement of profit and loss.

Independent Auditors' Report (Contd..)

Fair value of financial instruments:

Some of the Company's assets and liabilities are measured at fair value for financial reporting purpose. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurement are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs) that the Company can access at measurement date.

Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in note 55.

Financial assets

(i) Classification and subsequent measurement

The Company has applied Ind AS 109 and classifies its financial assets in the following measurement categories:

- Fair value through profit or loss (FVTPL);
- Fair value through other comprehensive income (FVOCI); or
- Amortised cost.

1. Financial assets carried at amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

2. Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as revenue from operations in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'Revenue from operations' in the Statement of Profit and Loss.

3a. Investment in Subsidiaries

Investments in subsidiaries are recognised at cost as per Ind AS 27. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale

3b. Investment in Associate

Investments in Associate is recognised at fair value through profit and loss account as per Ind AS 27.

Independent Auditors' Report (Contd..)

4. Investments in mutual funds

Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

(ii) Impairment

The Company recognizes impairment allowances using Expected Credit Losses ("ECL") method on all the financial assets that are not measured at Fair value through profit or loss (FVTPL):

ECL are probability-weighted estimate of credit losses. They are measured as follows:

- Financial assets that are not credit impaired – as the present value of all cash shortfalls that are possible within 12 months after the reporting date.
- Financial assets with significant increase in credit risk – as the present value of all cash shortfalls that result from all possible default events over the expected life of the financial assets.
- Financial assets that are credit impaired – as the difference between the gross carrying amount and the present value of estimated cash flows.

Financial assets are written off/fully provided for when there is no reasonable of recovering financial assets in its entirety or a portion thereof.

However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial asset is derecognised only when:

The Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liabilities

(i) Initial recognition and measurement

All financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

(ii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.7 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

2.8 Financial guarantee contracts and loan commitments

Financial guarantee contracts are contracts that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due, in accordance with the terms of a debt instrument. Such financial guarantees are given to banks, financial institutions and others on behalf of customers to secure loans, overdrafts and other banking facilities.

Independent Auditors' Report (Contd..)

Financial guarantee contracts are initially measured at fair value and subsequently measured at the higher of:

- The amount of the loss allowance; and
- The premium received on initial recognition less income recognized in accordance with the principles of Ind AS 115.

2.9 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition and installation of the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of profit and loss during the reporting period in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-financial assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in progress'.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful life prescribed under Schedule II to the Companies Act, 2013. The Company provides pro-rata depreciation from the month in which the asset is first put to use, till date the assets are sold or disposed. Leasehold improvements are amortised over the term of underlying lease.

Assets	Useful life
Building	60 years
Furniture and Fixtures	10 years
Office Equipment's	5 years
Plant and Machinery	3 to 5 years
Vehicles	8 to 10 years
Leasehold Improvements	Over the primary lease period or useful life. Whichever is less.

Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit and loss when the asset is derecognized.

2.10 Intangible assets

Measurement at recognition:

Intangible assets are recognized where it is probable that the future economic benefit attributable to the assets will flow to the Company and its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment, if any.

Expenditure incurred on acquisition/development of intangible assets which are not put/ready to use at the reporting date is disclosed under intangible assets under development. The Company amortizes intangible assets on a straight-line basis over the five years commencing from the month in which the asset is first put to use. The Company provides pro-rata amortization from the day the asset is put to use.

Asset	Useful life
Computer Software	5 years
Customer rights	5 years

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit and loss when the asset is derecognized.

Independent Auditors' Report (Contd..)

2.11 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used by the group for business purposes, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized.

Depreciation on investment property is calculated using the straight-line method to write down the cost of property and equipment to their residual values over their estimated useful lives in the manner prescribed in Schedule II of the Act.

2.12 Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount of asset is the higher of its fair value or value in use. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects the current market assessment of time value of money and the risks specific to it. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An Impairment loss is reversed if there has been a change in estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the assets carrying amount would have been determined, net of depreciation or amortization, had no impairment loss been recognised.

2.13 Provisions and contingencies:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the reporting date.

Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

2.14 Employee benefits

(i) Short-term obligations

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered. The Company recognises the costs of bonus payments when it has a present obligation to make such payments as a result of past events and a reliable estimate of the obligation can be made.

Compensated absences

The Company does not have a policy of encashment of unavailed leaves for its employees but are permitted to carry forward subject to a prescribed maximum day. Provision is made on actual basis for expected cost of accumulating compensated absences as a result of unused leave entitlement which has accumulated as at the balance sheet date.

Independent Auditors' Report (Contd..)

(ii) Post-employment obligations

Defined contribution plan:

Contribution paid/payable to the recognised provident fund and Employee State Insurance Corporation, which is a defined contribution scheme, is charged to the Statement of Profit and Loss in the period in which they occur.

Defined benefits plan:

Gratuity is post-employment benefit and is in the nature of defined benefit plan. The liability recognised in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the Balance Sheet date together with the adjustments for unrecognised actuarial gain or losses and the past service costs. The defined benefit obligation is calculated at or near the Balance Sheet date by an independent actuary using the projected unit credit method. Actuarial gains and losses comprise experience adjustment and the effects of changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

National Pension Scheme and Employee State Insurance Corporation:

Contribution paid/payable to the recognised NPS and ESIC, which is a defined contribution scheme, is charged to the Statement of Profit and Loss in the period in which they occur.

(iii) Other long-term employee benefits obligations

Heritage club benefit:

Heritage club benefits are recognised as liability at the present value of defined benefits obligation as at the Balance Sheet date. The defined obligation benefit is calculated at the Balance Sheet date by an independent actuary using the projected unit credit method.

2.15 Share-based payments

Employee Stock Option Scheme (ESOS)

The Employees Stock Options Scheme ("the Scheme") has been established by the Company. The Scheme provides that employees are granted an option to subscribe to equity share of the Company that vests on the satisfaction of vesting conditions. The fair value of options granted under ESOS is recognized as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined reference to the fair value of the options granted excluding the impact of any service conditions. Information about the valuation techniques and inputs used in determining the sale value of assets and liabilities disclosed in note 53.

The total expense is recognized over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the service conditions. It recognizes the impact of the revision to original estimates, if any, in Statement of profit and loss, with a corresponding adjustment to equity.

The stock options of the Subsidiary Company, granted to employees pursuant to the Company's Stock Options Schemes, are measured at the fair value of the options at the grant date as per Black and Scholes model. The fair value of the options is treated as discount and accounted as employee compensation cost, with a corresponding increase in other equity, over the vesting period on a straight line basis. The amount recognised as expense in each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognised as expense, with a corresponding increase in other equity, in respect of such grant is transferred to the General reserve within other equity.

2.16 Foreign currency translation

(i) Functional and presentation currency

Items included in financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is MOFSL's functional and presentation currency.

(ii) Translation and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in Statement of profit and loss.

Independent Auditors' Report (Contd..)

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in Statement of profit and loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

2.17 Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

2.18 Earnings per share

a) Basic earnings per share

Basic earnings per share is calculated by dividing the net profit for the period (excluding other comprehensive income) attributable to equity share holders of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus element in equity shares issued during the year.

b) Diluted earnings per share

Diluted earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

2.19 Borrowing Costs

Expenses related to borrowing cost are accounted using effective interest rate. Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred. The difference between the discounted amount mobilised and redemption value of commercial papers is recognised in the statement of profit and loss over the life of the instrument using the EIR.

2.20 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirements.

2.21 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

3. KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on ongoing basis. Any changes to accounting estimates are recognized prospectively.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect on the amounts recognised in the financial statements are included in the following notes:

(a) Business Model Assessment:

Classification and measurement of financial assets depends on the results of the SPPI (Solely Payments of Principal and Interest) and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed. The Company monitors financial assets measured at amortised cost or fair

Independent Auditors' Report (Contd..)

value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the standalone statement of profit and loss in the period in which they arise.

(b) Provision and contingent liability:

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

(c) Effective Interest Rate (EIR) Method:

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the financial instruments.

This estimation, by nature, requires an element of judgment regarding the expected behavior and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/ expense that are integral parts of the instrument.

(d) Allowance for impairment of financial asset:

The Company applies expected credit loss model (ECL) for measurement and recognition of impairment loss. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. At each reporting date, the Company assesses whether the loans have been impaired. The Company is exposed to credit risk when the customer defaults on his contractual obligations. For the computation of ECL, the loan receivables are classified into three stages based on the default and the aging outstanding. The Company recognises life time expected credit loss for trade receivables and has adopted simplified method of computation as per Ind AS 109. The Company considers outstanding overdue for more than 90 days for calculation of expected credit loss.

(e) Recognition of deferred tax assets:

Deferred tax assets are recognised for unused tax-loss carry forwards and unused tax credits to the extent that realisation of the related tax benefit is probable. The assessment of the probability with regard to the realisation of the tax benefit involves assumptions based on the history of the entity and budgeted data for the future.

(f) Defined benefit plans:

The cost of defined benefit plans and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long - term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(g) Share based payment:

The Company account for share based payment by measuring and recognizing as compensation expense the fair value of all share-based payment awards made to employees based on estimated grant date fair values. The determination of fair value involves a number of significant estimates. The Company uses the Black Scholes option pricing model to estimate the value of employee stock options which requires a number of assumptions to determine the model inputs. These include the expected volatility of Company's stock and employee exercise behavior which are based on historical data as well as expectations of future developments over the term of the option. As stock-based compensation expense is based on awards ultimately expected to vest. Management's estimate of exercise is based on historical experience but actual exercise could differ materially as a result of voluntary employee actions and involuntary actions which would result in significant change in our share based compensation expense amounts in the future.

Independent Auditors' Report (Contd..)

(h) Property, plant and equipment and Intangible Assets:

Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per schedule II of the Companies Act, 2013 or are based on the Company's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.

(i) Leases:

The Company evaluates if an arrangement qualifies to be a lease as per IND AS 116.

- The Company determines lease term as a non-cancellable period of a lease, together with both the period covered by an option to extend the lease if the Company is reasonably certain to exercise lessee options.
- The determination of the incremental borrowing rate used to measure lease liabilities.

4. RECENT ACCOUNTING DEVELOPMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

(All amounts are in INR Lakhs, unless otherwise stated)

(a) Guarantees and securities given

The Company has provided bank guarantees aggregating to ₹ 2,97,245 lakhs (Previous year: ₹ 2,80,003 lakhs) as on 31 March 2025 for the following purposes to:

- National Stock exchange - ₹ 2,37,265 lakhs (Previous year: ₹ 2,24,143 lakhs) for meeting margin requirements.
- NCDEX - ₹ Nil (Previous year: ₹ 2,500 lakhs) for meeting margin requirements.
- MCX - ₹ 59,900 lakhs (Previous year: ₹ 51,800 lakhs) for meeting margin requirements.
- Hindalco Industries Limited - ₹ Nil (Previous year: ₹ 1,500 lakhs) for margin deposit.
- Municipal Corporation of Greater Mumbai - ₹ 25 lakhs (Previous year: ₹ 5 lakhs) for security deposit.
- Bombay High Court - ₹ 55 Lakhs (Previous year: 55 lakhs) for security deposit

(b) Demand in respect of income tax matters for which appeal is pending is ₹ 4,479 lakhs (Previous year: ₹ 1,919 lakhs). This is disputed by the Company and hence not provided for in the books of accounts. The Company has paid demand by way of deposit (this amount doesn't include Income Tax refund adjusted against demand raised) of ₹ 192 lakhs (Previous year ₹ 192 lakhs) till date. Above liability does not include interest and penalty, if any as it depends on the outcome of the demand, which are not ascertainable at present.

The Company is contesting the demands and the management believes that its position will likely be upheld in the appellat process. No tax expenses has been accrued in the financial statement for the tax demand raised. The management believes that ultimate outcome of this proceeding will not have a material adverse effect on the Company's financial position and results of operations.

NOTE 54: TAX EXPENSE

The Company pays taxes according to the rates applicable in India. Most taxes are recorded in the income statement and relate to taxes payable for the reporting period (current tax), but there is also a charge or credit relating to tax payable for future periods due to income or expenses being recognised in a different period for tax and accounting purposes (deferred tax). Tax is charged to equity when the tax benefit exceeds the cumulative income statement expense on share plans. The Company provides for current tax according to the tax laws of India using tax rates that have been enacted or substantively enacted by the balance sheet date. Management periodically evaluates positions taken in tax returns in respect of situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities. Deferred tax is provided, using the liability method, on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax is recognised in respect of all temporary differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. A deferred tax asset is recognised when it is considered recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as probable that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying temporary differences can be deducted. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the temporary differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Level 1: The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and equity securities) is based on quoted market prices at the end of the reporting period. The quoted market price used for financial assets held by the group is the current bid price. These instruments are included in level 1.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities and investment in private equity funds, real estate funds.

II. Valuation techniques used to determine fair value

Specific valuation techniques used to value financial instruments include :

- Quoted equity investments - Quoted closing price on stock exchange
- Mutual fund - net asset value of the scheme
- Alternative investment funds - net asset value of the scheme
- Unquoted equity investments - price multiples of comparable companies.
- Private equity investment fund - NAV of the audited financials of the funds.
- Real estate fund - net asset value, based on the independent valuation report or financial statements of the company."

III. Financial instruments not measured at fair value

Financial assets not measured at fair value includes cash and cash equivalents, trade receivables, loans and other financial assets. These are financial assets whose carrying amounts approximate fair value, due to their short-term nature.

Additionally, financial liabilities such as trade payables and other financial liabilities are not measured at FVTPL, whose carrying amounts approximate fair value, because of their short-term nature.

NOTE 56: FINANCIAL RISK MANAGEMENT

Company has operations in India. Whilst risk is inherent in the Company's activities, it is managed through an integrated risk management framework, including on-going identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing profitability and each individual within the Company is accountable for the risk exposures relating to his or her responsibilities. The Company is exposed to credit risk, liquidity risk and market risk. It is also subject to various operating and business risks.

A. Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligation. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties, and by monitoring exposures in relations to such limits.

The maximum exposure to credit risk for each class of financial instruments is the carrying amount of that class of financial instruments presented in the financial statements. The Company's major classes of financial assets are cash and cash equivalents, loans, investment in mutual fund units, term deposits, trade receivables and security deposits.

Notes to Financial Statement (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

Deposits with banks are considered to have negligible risk or nil risk, as they are maintained with high rated banks/financial institutions as approved by the Board of directors.

Investments primarily include investment in liquid mutual fund units that are marketable securities of eligible financial institutions for a specified time period with high credit rating given by domestic credit rating agencies.

The management has established accounts receivable policy under which customer accounts are regularly monitored. The Company has a dedicated risk management team, which monitors the positions, exposures and margins on a continuous basis."

Following provides exposure to credit risk for trade receivables and Loans.

Particulars	As at 31 March 2025	As at 31 March 2024
Trade Receivables (Net of impairment)	1,85,512	1,46,628
Loans (Net of impairment)	4,07,858	3,48,676

The financial instruments covered within the scope of ECL include financial assets measured at amortised cost such as trade receivables and loans.

Trade Receivables :

The loss allowance has been measured using lifetime ECL except for financial assets on which there has been no significant increase in credit risk since initial recognition. At each reporting date, the Company assesses whether financial assets carried at amortised cost is credit-impaired. A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred since initial recognition.

A simplified approach has been considered for measuring expected credit losses (ECLs) of trade receivables at an amount equal to lifetime ECLs. The ECLs on trade receivables are calculated based on actual historic credit loss experience over the preceding three to five years on the total balance of trade receivables. For the purpose of computation of ECL, the term default implies an event where amount due towards margin requirement and / or mark to market losses for which the client was unable to provide funds / collaterals to bridge the shortfall, the same is termed as margin call triggered.

Based on the Industry practices and business environment in which the entity operates, Management considers unsecured receivables as default if the payment is overdue for more than 90 days for direct customer. For franchisee customers, Aggregate of unsecured receivables as reduced by Franchisee deposit/future brokerages are considered as default. Management would also consider balance in client's family accounts and collaterals in form other than the securities while considering the secured position of the client. Management would also consider impairment on client balance which are unsecured and overdue for less than 90 days on case to case basis, based on their scope of recoverability. For litigation cases, management could provide enhanced provision if the probability of outflow of economic resource is higher. If there are specific cases which are overdue for more than 90 days and the management is very confident of its recovery in near future, impairment loss would not be provided for such cases based on the approval of business head for each reporting period. Probability of default (PD) on these receivables is considered at 100% and treated as credit impaired.

Loans :

Loans includes Margin Trading Facility(MTF), Loans to staff and loans to subsidiaries for which staged approach is taken into consideration for determination of ECL.

Stage 1.

All positions in the MTF loan book are considered as stage 1 asset for computation of expected credit loss. For exposures where there has not been a significant increase in credit risk since initial recognition and that is not credit impaired upon origination. Margin trading facility, Loans to subsidiaries and loans to staff are considered in stage 1 for determination of ECL. Exposure to credit risk in stage 1 is computed considering historical probability of default, market movements and macro-economic environment.

Stage 2.

Exposures under stage 2 include overdues up to 90 days pertaining to principal amount, interest and any other charges on the MTF loan book which are unsecured. While arriving at the secured position of the client, management would also consider balance in client's family accounts, securities in other segment and collaterals in form other than the securities while considering the secured position of the client. At each reporting date, the Company assesses whether there has been a significant increase in credit risk for financial assets since initial recognition. In determining whether credit risk has increased significantly since initial recognition, the Company uses days past due information and other qualitative factors to assess deterioration in credit quality of a financial asset.

Notes to Financial Statement (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognised.

Stage 3.

Exposures under stage 3 include overdues past 90 days pertaining to principal amount, interest and any other charges on MTF loan book which are unsecured.

Financial assets are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of the asset have occurred. For financial assets that have become credit impaired, a lifetime ECL is recognised.

Following table provide information about exposure to credit risk and ECL on Margin Trading Facility loans.

B. Liquidity risk

Liquidity risk is the risk that the entity will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The entity's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the entity's reputation.

Prudent liquidity risk management requires sufficient cash and marketable securities and availability of funds through adequate committed credit facilities to meet obligations when due and to close out market positions.

The Company has a view of maintaining liquidity with minimal risks while making investments. The Company invests its surplus funds in short term liquid assets in bank deposits and liquid mutual funds. The Company monitors its cash and bank balances periodically in view of its short term obligations associated with its financial liabilities.

Refer Note 58 For analysis of maturities of financial assets and financial liabilities.

C. Market Risk

Market risk is the risk that the fair value or future Cash flows of a financial instrument will fluctuate because of changes in market prices. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

Foreign currency risk management

In respect of the foreign currency transactions, the company does not hedge the exposures since the management believes that the same is insignificant in nature and will not have a material impact on the Company.

The company's exposure to foreign currency risk at the end of reporting period is shown in note 49

(ii) Interest rate risk

The Company is exposed to Interest risk if the fair value or future cash flows of its financial instruments will fluctuate as a result of changes in market interest rates. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates.

The Company's interest rate risk arises from interest bearing deposits with bank and loans given to customers. Such instruments exposes the Company to fair value interest rate risk. Management believe that the interest rate risk attached to this financial assets are not significant due to the nature of this financial assets.

Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

The Board has approved the withdrawal of the Scheme of Arrangement entered between Motilal Oswal Financial Services Ltd., Motilal Oswal Broking and Distribution Ltd. and Motilal Oswal Wealth Ltd., which was previously approved by the Board in its Meeting held on July 27, 2023. The object of this Scheme was to align the Company's holding and business structure in terms of requirement of Rule 8(1)(f) & 8(3)(f) of the Securities Contracts (Regulation) Rules, 1957 ("SCRR"). However, the Department of Economic Affairs ("DEA"), Government of India has issued a Consultation Paper in the month of September 2024 with respect to proposed amendment under Rule 8 of the SCRR allowing the investments made by a broker in any Group Company out of retained earnings. Further, the said Consultation Paper 'inter-alia' states that 'Prohibiting the making of any investments by a broker, including in Group Companies, may place unreasonable fetters on its ability to use its retained earnings as per its commercial prudence'. Now, the DEA may notify the said proposed amendment under Rule 8 of the SCRR. In view of the above, the Board has approved the withdrawal of the existing Scheme and will review & reconsider to file revised Scheme (including updated Financials), if required, basis publication of final amendments by the DEA, in this regard.

Independent Auditors' Report

To

The Members of
Motilal Oswal Financial Services Limited

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

OPINION

1. We have audited the accompanying consolidated financial statements of **Motilal Oswal Financial Services Limited** (the "Holding Company") and its subsidiaries (Holding company and its subsidiaries together referred to as the "Group") and its associate for the year ended March 31, 2025 attached herewith, which comprise the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and notes to the financial statements, including, a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors on separate audited financial statements and on the other financial information of the subsidiaries and associate, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at March 31, 2025, and their consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

BASIS FOR OPINION

2. We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SA's) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are Independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the "ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidences obtained by us and by other auditors in terms of their reports referred to in the paragraph 15 of other matter section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

3. **Emphasis of Matter**

Attention is invited to:

Note. 70 of the audited consolidated financial statements of the Company, wherein it is stated that the Scheme of Arrangement to restructure the business of the Company w.e.f. April 1, 2023, has now been withdrawn. The decision to withdraw the Scheme is based on the Consultation Paper issued by Department of Economic Affairs which states about amending Rule 8 of Securities Contracts (Regulation) Rules, 1957. The Company will review & reconsider to file revised Scheme (including updated Financials), if required, basis publication of final amendments by the Department of Economic Affairs, in this regard.

Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, were of most significance in our audit of the consolidated financial statements of the current year. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditors' Report (Contd..)

(a) KAM as reported in the standalone audit report of Motilal Oswal Financial Services Ltd.

Sr. No.	Key Audit Matter	How the Key Audit Matter was addressed in our audit
1.	<p>Information Technology (IT) Systems and Controls</p> <p>The Company's key financial accounting and reporting processes are highly dependent on the automated controls over the Company's information systems, such that there exists a risk, that gaps in the IT control environment could result in the financial accounting and reporting records being misstated.</p> <p>Amongst its multiple IT systems, we scoped in systems that are key for overall financial reporting.</p> <p>Appropriate IT general controls and application controls are required to ensure that such IT systems are able to process the data, as required, completely, accurately and consistently for reliable financial reporting.</p> <p>We have identified 'IT systems and controls' as a key audit matter considering the high level of automation, multiple systems being used by Management and the complexity of the IT architecture and its impact on overall financial reporting process.</p>	<p>Our Audit Approach:</p> <p>Key IT audit procedures performed included the following, but not limited to:</p> <ul style="list-style-type: none"> For testing the IT general controls, application controls and IT dependent manual controls, we involved IT specialists as part of the audit. Obtained a comprehensive understanding of IT applications landscape implemented at the Company. It was followed by process understanding, mapping of applications to the same and understanding financial risks posed by people-process and technology. Key IT audit procedures includes testing design and operating effectiveness of key controls operating over user access management (which includes user access provisioning, de-provisioning, access review, password configuration review and privilege access), change management (which include change release in production environment are compliant to the defined procedures and segregation of environment is ensured), computer operations (which includes testing of key controls pertaining to backup, incident management and data centre security), System interface controls. This included testing that requests for access to systems were appropriately logged, reviewed, and authorized. <p>In addition to the above, the design and operating effectiveness of certain automated controls, that were considered as key internal system controls over financial reporting were tested using various techniques such as inquiry, review of documentation/ record/ reports, observation, and re-performance.</p>

1.	<p>Legal & Regulatory Risk:</p> <p>Refer note 7 point 2 of the Consolidated financial statements.</p> <p>Following default at National Spot Exchange Limited ('NSEL') in 2012 and initial investigations by Economic Offences Wing (EOW) and complaints received from investors against the broker of the now defunct spot exchange, NSEL and EOW in March and April 2015 had requested SEBI to take appropriate actions. However, In EOW report there was no allegation against Motilal Oswal Commodities Broker Private Limited (MOCBPL).</p> <p>In this matter, SEBI has issued Show Cause Notice to MOCBPL in financial year i.e. 2017-18 relating to NSEL Scam, for which</p>	<p>Audit Procedures Performed</p> <p>Following are the areas where risks are assessed & procedures were followed.</p> <ul style="list-style-type: none"> Recording of Receivables & Dues – NSEL: After scrutinising the books of accounts and discussion with the management it has been found that the amounts receivable from NSEL (Exchange) and due to the clients have direct nexus and MOCBPL has the role of a broker only. Hence, the amount receivable from Exchange has not been provided for Doubtful debts as they are directly payable to the Clients. Impact of SEBI order on the MOCBPL business: <p>The Company has already ceased its Commodity Broking business from April 2018. Also, the order of SEBI signifies that MOCBPL's registration application as Commodities Broker may be rejected; however, the management doesn't plan to continue its Commodities Broking business under the company (MOCBPL). The company has also filed an appeal against the order of SEBI before the Securities Appellate Tribunal (SAT) & the same is currently pending.</p> MOCBPL may have to refund the brokerage charged from the clients against which the management has already made provision in the books of accounts.

- (d) KAM as reported in the audit report of Motilal Oswal Finvest Limited (MOFL). Taking the audit report of MOFL into consideration, we have reproduced the KAM below, which is described as a KAM in the audit report of MOFL.

Sr. No.	Key Audit Matter	How the Key Audit Matter was addressed in the audit
1.	<p>1. Information Technology system for the financial reporting process</p> <p>The Company is highly dependent on its information technology (IT) systems for carrying on its operations which require large volume of transactions to be processed on a daily basis. Further, the Company's accounting and financial reporting processes are dependent on the automated controls enabled by IT systems which impacts key financial accounting and reporting items such as Interest income, Loan Balance, Non Performing Assets amongst others. The controls implemented by the Company in its IT environment determine the integrity, accuracy, completeness and validity of data that is processed by the applications and is ultimately used for financial reporting.</p> <p>Accordingly, since our audit strategy has focused on key IT systems and controls due to pervasive impact on the financial statements and performing testing of automated process controls and General controls; we have determined the same as a key audit matter for current year audit.</p>	<p>Audit Procedures Performed</p> <p>Our key audit procedures were relying on the work carried out by the IT specialists audit team, but were not limited to, the following:</p> <ul style="list-style-type: none"> • Obtained an understanding of the Company's IT environment and conducted risk assessment and identified IT applications, databases and operating systems that are relevant to our audit. Also, obtained an understanding of key automated controls operating over such identified IT applications; • For deficiencies identified if any by the IT specialist, specialist team tested compensating controls or performed alternative procedures.
2.	<p>2. Impairment of loans</p> <p>Ind AS 109, Financial Instruments requires the Company to provide for impairment of its financial assets using the expected credit loss ('ECL') approach which involves estimates for probability of loss on the financial assets over their life, unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12- month ECL, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions which could impact the credit quality of the Company's financial assets. In this process, substantial judgement has been applied by the management in assessing the 'significant increase in credit risk' in respect of following matters:</p>	<p>Principal audit procedures performed</p> <ol style="list-style-type: none"> a) Assessed and tested the design and operating effectiveness of key internal financial controls over the loan impairment process used to calculate the impairment. b) Assessed the critical assumptions used by the management for expected credit losses as at March 31, 2025. c) Assessed the assumptions used by the Company for grouping and staging of loan portfolio into various categories and default buckets based on their past-due status and other qualitative factors identified by the management which indicate significant increase in credit risk. For a sample of exposures, we tested the appropriateness of such staging.

Independent Auditors' Report (Contd..)

- a) The Company has grouped its loan portfolio based on days past due and other qualitative criteria as mentioned in the Credit-risk section. Loans grouped under a particular category are assumed to represent a homogenous pool thereby expected to demonstrate similar credit characteristics.
- b) Staging of loans and estimation of behavioural life.
- c) Estimation of expected loss from historical observations.
- d) Estimation of losses in respect of those groups of loans which had no/ minimal defaults in the past.
- d) Understood and checked the key data sources and assumptions for data used in the ECL model as considered by the Company to determine impairment provisions.
- e) On sample basis tested the completeness and accuracy of the input data used and confirmed the said data with the underlying books of accounts and records.
- f) Tested the arithmetical accuracy of computation of ECL provision performed by the Company.

Considering the significance of above model for impairment to the overall financial statements and the degree of management's estimates and judgments involved including the regulatory announcement of moratorium facility and restructuring facility for eligible customers, this area required significant auditor attention to test such complex accounting estimates. Therefore, we have determined this to be a key audit matter for the current year audit.

We examined Board Policy that address policies, procedures and controls for assessing and measuring credit risk on all lending exposures, commensurate with the size, complexity and risk profile specific to the borrowers.

We evaluated the design and operating effectiveness of controls across the processes relevant to ECL, including the judgements and estimates.

We tested the completeness of loans and advances included in the Expected Credit Loss calculations as of March 31, 2025 by reconciling it with the balances as per loan balance register as on that date.

We tested assets in stage 1, 2 and 3 on sample basis to verify that they were allocated to the appropriate stage.

3. Management estimates impairment provision using Expected Credit loss model for the loan exposure as per the Board approved policy which is in line with Ind AS and the Regulations. Measurement of loan impairment involves application of significant judgement by the management. The most significant judgements are:

- a) Timely identification and classification of the impaired loans, including classification of assets to stage 1, 2, or 3 using criteria in accordance with Ind AS 109 which also include considering the impact of RBI's regulatory circulars,
- b) The segmentation of financial assets when their ECL is assessed on a collective basis
- c) Determination of probability of defaults (PD) and loss given defaults (LGD) based on the default history of loans, subsequent recoveries made and other relevant factors and
- d) Assessment of qualitative factors having an impact on the credit risk.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

5. The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Report on Corporate Governance (but does not include the Consolidated Financial Statements and our auditor's report thereon) which we obtained prior to the date of this auditor's report and Board's Report, Management Discussion and Analysis, Financial Highlights and Business Responsibility and Sustainability Report, which is expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

Independent Auditors' Report (Contd..)

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

6. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The respective Board of Directors / management of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
8. The respective Board of Directors of the Companies included in the Group and of its associate are responsible for overseeing the financial reporting process of their respective Companies.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - i. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
 - iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent Auditors' Report (Contd..)

- iv. Conclude on the appropriateness of management and board of director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
 - v. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - vi. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group of which we are the independent auditors and to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph 15 of the section titled "Other Matters" in this audit report.
11. Materiality is the magnitude of the misstatement in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statement may be influenced. We consider quantitative materiality and qualitative factors in; (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatements in the consolidated financial statements.
 12. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditor's regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of consolidated financial statements for the financial year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

15. We did not audit the financial statements of ten subsidiaries included in the consolidated financial statements, whose financial statements before consolidation adjustments reflects total assets of Rs. 12,27,688 lakhs as at March 31, 2025, total revenue of Rs. 2,15,826 lakhs, total net profit after tax of Rs. 77,808 lakhs, net cash outflow of Rs. 65,333 lakhs and total comprehensive income of Rs. 77,651 lakhs for the year ended March 31, 2025 respectively, as considered in the consolidated financial Statements. These financial statements have been audited by other auditors whose audit report have been furnished to us by the management, and our opinion in so far as it relates to the amount and disclosures included in respect of those subsidiaries is based solely on the audit report of such other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

16. The consolidated financial statements include the financial statements of four subsidiaries which have not been audited either by us or by other auditor's, whose annual financial statements reflect total assets of Rs. 2,766 lakhs as at March 31, 2025, total revenue of Rs.1,782 lakhs, total net profit after tax of Rs. 260 lakhs, net cash outflow of Rs. 913 lakhs and total comprehensive income of Rs. 260 lakhs for the year ended March 31, 2025 respectively. The consolidated financial Statements also includes the Group's share of the net profit after tax of Rs. Nil lakh for the year ended March 31, 2025, in respect of one associate, whose financial statements have not been audited either by us or by another auditor. These unaudited financial statements have been

Independent Auditors' Report (Contd..)

furnished to us by the Holding Company's management. Our opinion is so far as it relates to the amounts and disclosures included in respect of aforesaid subsidiaries and an associate is based solely on such unaudited financial statements. In our opinion, and according to the information and explanation given to us by the management, these unaudited financial statements of the aforesaid subsidiaries and an associate are not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial statements certified by one of the Directors of the Holding Company.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Independent Auditors' Report (Contd..)

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF MOTILAL OSWAL FINANCIAL SERVICES LIMITED FOR THE YEAR ENDED MARCH 31, 2025

Referred to in paragraph [18(g)] under Report on Other Legal and Regulatory Requirements' section of our report of even date

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of Motilal Oswal Financial Services Limited (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting with reference to consolidated financial statements of the Holding Company and its subsidiary companies incorporated in India (the Holding Company and its subsidiaries together referred to as the "Group"), as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies covered under the Act are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and subsidiary Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Holding Company's and its subsidiary companies internal financial controls with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to these consolidated financial statements included obtaining an understanding of internal financial controls with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to these consolidated financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THESE CONSOLIDATED FINANCIAL STATEMENTS

A Company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures

Independent Auditors' Report (Contd..)

of the company are being made only in accordance with authorisations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of such subsidiary companies, the Group which comprises of the companies incorporated in India, have in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

OTHER MATTER

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to the ten subsidiaries which are audited by other auditors, is based on the corresponding reports of the auditors of such subsidiaries. Further as four subsidiaries are not incorporated in India

and an associate is a Limited Liability Partnership (LLP) firm, hence report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls is not applicable to them.

1A. CORPORATE INFORMATION

Motilal Oswal Financial Services Limited ("MOFSL" or 'the Holding Company') is a public limited company and incorporated under the provisions of Companies Act. The Company is domiciled in India and the addresses of its registered office and principal place of business are disclosed in the introduction to the annual report. The Holding Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

Motilal Oswal Financial Services Limited, its subsidiaries and associate entity (collectively, the Group) are engaged in stock broking, asset management and mutual funds, private equity, investment banking, home finance, wealth management services, distribution of financial products, proprietary investments and other activities in financial services.

These consolidated financial statements contain financial information of the Group and were authorized for issue by the Board of Directors on 25 April 2025.

Information on the Group's structure is provided in note 58.

1B. BUSINESS COMBINATION UNDER COMMON CONTROL

A common control business combination, involving entities or businesses in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and where the control is not transitory, is accounted for in accordance with Appendix C to Ind AS 103 'Business Combinations'.

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognize new assets or liabilities. Adjustments are made only to harmonize significant accounting policies.
- The financial information in the financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the financial statements.
- The identity of the reserves are preserved and appear in the financial statements of the transferee in the same form in which they appeared in the financial statements of the transferor.

The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves with disclosure of its nature and purpose in the notes.

1C. BUSINESS COMBINATION UNDER ACQUISITION METHOD

The Group applies the acquisition method in accounting for business combinations for the businesses which are not under common control. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

- a) Deferred tax assets or liabilities and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 'Income Tax' and Ind AS 19 'Employee Benefits' respectively.
- b) Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.
- c) Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 'Financial Instruments', is measured at fair value with changes in fair value recognised in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and its subsequent settlement is accounted for within equity.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or OCI, as appropriate.

2. MATERIAL ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

2.1. Basis of preparation

(i) Compliance with Ind AS

The consolidated financial statements of the Group comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The Balance Sheet, the Statement of Changes in Equity, the Statement of Profit and Loss and disclosures are presented in the format prescribed under Division III of Schedule III of the companies Act, as amended from time to time that are required to comply with Ind AS. The Statement of Cash Flows has been presented as per the requirements of Ind AS 7 Statement of Cash Flows.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost and on accrual basis, except for the following:

- Certain Financial instruments are measured at fair values;
- Assets held for sale – measured at fair value less cost to sell;
- Defined benefit plans – plan assets measured at fair value; and
- Share based payments – fair value as on the grant date

(iii) Preparation of consolidated financial statements

The Holding Company is covered in the definition of Non-Banking Financial Group as defined in Companies (Indian Accounting Standards) (Amendment) Rules, 2016. As per the format prescribed under Division III of Schedule III to the Companies Act, 2013 on 11 October 2018 and as amended on 24 March 2021, the Holding Company presents the Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity in the order of liquidity. A maturity analysis of recovery or settlement of assets and liabilities within 12 months after the reporting date and more than 12 months after the reporting date.

(iv) Use of estimates and judgements

The preparation of consolidated financial statements in conformity with Ind AS which requires management to make estimates, judgements, and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of consolidated financial statements and the reported amounts of revenue and expenses for the reporting period. Actual results could differ from these estimates. Accounting estimates and underlying assumptions are reviewed on an ongoing basis and could change from period to period. Appropriate changes in estimates are recognized in the period in which the Group becomes aware of the changes in circumstances surrounding the estimates. Any revisions to accounting estimates are recognized prospectively in the period in which the estimate is revised and future periods. The estimates and judgements that have significant impact on carrying amount of assets and liabilities at each balance sheet date are discussed at note 3.

2.2. Principles of consolidation and equity accounting

(i) Subsidiaries

The consolidated financial statement has comprised financial statements of the Company and its subsidiaries. Subsidiaries are all the entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains on transactions within the Group are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit or loss, consolidated statement of changes in equity and balance sheet respectively. Statement of Profit and Loss including Other Comprehensive Income (OCI) is attributable to the equity holders of the Holding Company and to the non-controlling interest basis the respective ownership interest and such balance is attributed even if this results in controlling interest is having a deficit balance.

(ii) Associates

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting (see (iii) below), after initially being recognized at cost.

(iii) Equity method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses of the investee in profit or loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Profit distribution from associates are recognized as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealized gains on transactions between the Group and its associates are eliminated to the extent of the Group's interest in these entities. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

(iv) Changes in ownership interests

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is re-measured to its fair value with the change in carrying amount recognized in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate or financial asset. In addition, any amounts previously recognized in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in other comprehensive income are reclassified to profit or loss.

If the ownership interest in an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognized in other comprehensive income are reclassified to profit or loss where appropriate.

2.3. Revenue Recognition

The Group recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers, to determine when to recognize revenue and at what amount. Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

Revenue is measured at fair value of the consideration received or receivable. Revenue is recognized when (or as) the Group satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

When (or as) a performance obligation is satisfied, the Group recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

The Group applies the five-step approach for recognition of revenue:

- Identification of contract(s) with customers: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.
- Identification of the separate performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.
- Determination of transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.
- Allocation of transaction price to the separate performance obligations: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.
- Recognition of revenue when (or as) each performance obligation is satisfied.

(i) Brokerage fee income

It is recognised on trade date basis and is exclusive of goods and service tax and securities transaction tax (STT) wherever applicable.

(ii) Interest income

Interest income on a financial asset at amortised cost is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ('EIR'). The EIR is the rate that exactly discounts estimated future cash flows of the financial asset through the expected life of the financial asset or, where appropriate, a shorter period, to the net carrying amount of the financial instrument. The internal rate of return on financial asset after netting off the fees received and cost incurred approximates the effective interest rate method of return for the financial asset. The future cash flows are estimated taking into account all the contractual terms of the instrument.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for ECLs).

(iii) Portfolio management fee income

Performance obligations are satisfied over a period of time and portfolio management fees are recognized in accordance with the Portfolio Management Agreement entered with respective clients, which is as follows:

- a) Processing fees is recognized on upfront basis in the year of receipt;
- b) Management fees is recognized as a percentage of the unaudited net asset value at the end of each month;
- c) Return based fees is recognized as a percentage of annual profit, in accordance with the terms of the agreement with clients on the completion of the period.

(iv) Mutual fund management fee income

Performance obligations are satisfied over a period of time and mutual fund management fee is recognized on monthly basis in accordance with Investment Management Agreement and SEBI (Mutual Fund) Regulations, 1996, based on daily average assets under management (AUM) of the Schemes of Motilal Oswal Mutual Fund.

(v) Private equity fund management fee income

Performance obligations are satisfied over a period of time and private equity fund management fee is recognized on monthly basis in accordance with Private Placement Memorandum based on capital commitment / capital contribution of the Fund.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

(vi) Alternative investment fund management fee income

Performance obligations are satisfied over a period of time and alternate investment management fee is recognized on monthly basis in accordance with Private Placement Memorandum.

(vii) Investment advisory fees

Performance obligations are satisfied over a period of time and investment advisory fee is recognized on monthly basis in accordance with the terms of the contract with the clients.

(viii) Research and advisory fees

Performance obligations are satisfied over a period of time and investment advisory fee is recognized on monthly basis in accordance with the terms of the contract with the clients.

(ix) Dividend income

Dividend income is recognized in the statement of profit or loss on the date that the Group's right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be reliably measured. This is generally when the shareholders approve the dividend.

(x) Net gain on fair value changes.

The Company designates certain financial assets for subsequent measurement at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI). The Company recognizes gains on fair value change of financial assets measured at FVTPL and realized gains on de-recognition of financial asset measured at FVTPL and FVOCI on net basis in profit or loss.

(xi) Trustee fees

Performance obligations are satisfied over a period of time and trustee fees are recognized at the specific rates/amount approved by the Board of Directors of the Company, within the limits specified under the Trust Deed and is applied on the assets under management of each scheme of Motilal Oswal Mutual Fund.

(xii) Depository services income

Revenue from depository services on account of annual maintenance charges have been accounted for over the period of the performance obligation.

Revenue from depository services on account of transaction charges is recognized point in time when the performance obligation is satisfied.

(xiii) Delayed payment charges

Interest is earned on delayed payments from customers and is recognised on a time proportion basis taking into account the amount outstanding from customers and the rates applicable.

2.4. Distribution cost

Portfolio Management Services

Distribution cost for Portfolio Management Services are charged to Statement of Profit and Loss on accrual basis. Upfront distribution cost paid till 30th September 2020 is amortised over the contractual period. On this account, an asset (prepaid expenses) is recognised at the time of actual payment or becoming due for payment and charged evenly to the Statement of Profit and Loss over the commitment period of the respective investor.

Alternate Investment Fund Services

Distribution cost for Alternate Investment Fund Management Services are charged to Statement of Profit and Loss on accrual basis. On this account, an asset (prepaid expenses) is recognised at the time of actual payment or becoming due for payment and charged to the Statement of Profit and Loss over the period of the scheme.

Fund related expenses

New fund offer expenses

Expenses relating to initial issue of Mutual Fund Schemes of the Fund are charged to the Statement of Profit and Loss in the year in which such expenses are incurred which is in compliance with SEBI (Mutual Funds) Regulations, 1996.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

Recurring fund expenses

Expenses incurred (inclusive of advertisement / brokerage expenses) on behalf of schemes of Motilal Oswal Mutual Fund till 22nd October 2019 are recognised in the Statement of Profit and Loss unless considered recoverable from the schemes of the Fund in accordance with the provisions of SEBI (Mutual Fund) Regulations, 1996.

2.5. Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

Current Tax:

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax:

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred tax is also not accounted for, if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax liabilities are not recognized for temporary differences between the carrying amount and tax bases of investments in subsidiaries and associates where the Group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

2.6. Leases

For any new contracts entered into on or after 1 April 2019, the Company considers whether a contract is, or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. The Company assess whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

Measurement and recognition of leases as a lessee

The Company has adopted Ind AS 116 "Leases" using the cumulative catch-up approach. Company has recognised Right of Use assets as at 1 April 2019 for leases previously classified as operating leases and measured at an amount equal to lease liability (adjusted for related prepayments/ accruals). The Company has discounted lease payments using the incremental borrowing rate for measuring the lease liability.

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any re-measurement of lease liabilities.

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments.

When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the right-of-use asset is already reduced to zero.

The Company has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term.

When the Company revises its estimate of the term of any lease, it adjusts the carrying amount of the lease liability to reflect the payments to make over the revised term, which are discounted using a revised discount rate. The carrying value of lease liabilities is similarly revised when the variable element of future lease payments dependent on a rate or index is revised, except the discount rate remains unchanged. In both cases an equivalent adjustment is made to the carrying value of the right-of-use asset, with the revised carrying amount being amortised over the remaining (revised) lease term. If the carrying amount of the right-of-use asset is adjusted to zero, any further reduction is recognised in statement of profit and loss.

For contracts that both convey a right to the Company to use an identified asset and require services to be provided to the Company by the lessor, the Company has elected to account for the entire contract as a lease, i.e. it does not allocate any amount of the contractual payments to, and account separately for, any services provided by the supplier as part of the contract.

2.7. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Outstanding bank overdrafts are not considered integral part of the Company's cash management.

2.8. Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognized when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognized on trade-date, the date on which the Group commits to purchase or sell the asset.

At initial recognition, the Group measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset or financial liability, such as fees and commissions. Transaction costs of financial assets and financial liabilities carried at fair value through profit or loss are expensed in profit or loss. Immediately after initial recognition, an expected credit loss allowance (ECL) is recognized for financial assets measured at amortized cost.

When the fair value of financial assets and liabilities differs from the transaction price on initial recognition, the entity recognizes the difference as follows:

- a) When the fair value is evidenced by a quoted price in an active market for an identical asset or liability (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets, the difference is recognized as a gain or loss.
- b) In all other cases, the difference is deferred and the timing of recognition of deferred day one profit or loss is determined individually. It is either amortized over the life of the instrument, deferred until the instrument's fair value can be determined using market observable inputs, or realized through settlement.

When the Group revises the estimates of future cash flows, the carrying amount of the respective financial assets or financial liability is adjusted to reflect the new estimate discounted using the original effective interest rate. Any changes are recognized in profit or loss.

Fair value of financial instruments

Some of the Group's assets and liabilities are measured at fair value for financial reporting purpose. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether that price is directly observable or estimated using another valuation technique.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurement are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs) that the Company can access at measurement date.

Information about the valuation techniques and inputs used in determining the fair value of various assets and liabilities are disclosed in note 55.

Financial assets

(i) Classification and subsequent measurement

The Group has applied Ind AS 109 and classifies its financial assets in the following measurement categories:

- Fair value through profit or loss (FVTPL);
- Fair value through other comprehensive income (FVOCI); or
- Amortised cost.

Classification and subsequent measurement of financial assets depends on:

- The Company's business model for managing the asset; and
- The cash flow characteristics of the asset.

1. Financial assets carried at:

a. Amortised cost

A financial asset is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Statement of Profit and Loss.

b. Fair value through other comprehensive income

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

c. Fair value through profit or loss

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

2. Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets.

All investments in equity instruments classified under financial assets are initially measured at fair value, the Group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument is recognised as revenue from operations in the Statement of Profit and Loss unless the Group has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'Revenue from operations' in the Statement of Profit and Loss.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

3. Investments in mutual funds

Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

(ii) Impairment

The Group recognizes impairment allowances using Expected Credit Losses ("ECL") method on all the financial assets that are not measured at FVTPL:

ECL are probability-weighted estimate of credit losses. They are measured as follows:

- Financials assets that are not credit impaired – as the present value of all cash shortfalls that are possible within 12 months after the reporting date.
- Financials assets with significant increase in credit risk – as the present value of all cash shortfalls that result from all possible default events over the expected life of the financial assets.
- Financials assets that are credit impaired – as the difference between the gross carrying amount and the present value of estimated cash flows.

Financial assets are written off/fully provided for when there is no reasonable of recovering a financial assets in its entirety or a portion thereof.

However, financial assets that are written off could still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial asset is derecognised only when:

The Group has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Transfer of loans through assignment transaction can be made only after continuing involvement in loans i.e retaining a minimum specific percentage of loan but without retaining any substantial risk and reward in the loan assigned. The assigned portion of loans is derecognized and gains/losses are accounted for, only if the Company transfers substantially all risks and rewards specified in the underlying assigned loan contracts. Gain/loss arising on such assignment transactions is recorded upfront in the Statement of Profit and Loss and the corresponding loan is derecognized from the Balance Sheet immediately. Further, if the transfer of loan qualifies for derecognition, entire interest spread at its present value (discounted over the life of the asset) is recognized on the date of derecognition itself as interest strip receivable (interest strip on assignment) and correspondingly presented as gain/loss on derecognition of financial asset.

Financial liabilities

(i) Initial recognition and measurement

All financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs.

(ii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

(iii) Derecognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

2.9. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

2.10. Derivative Financial Instruments and Hedge Accounting:

The Company enters into forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company enters into derivative financial instruments viz. foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate and foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Hedge Accounting: The Company designates certain hedging instruments in respect of foreign currency risk and interest rate risk as cash flow hedges. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows, and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated. The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in Other Comprehensive Income and accumulated under the heading of cash flow hedging reserve.

The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss. Amounts previously recognised in Other Comprehensive Income and accumulated in other equity relating to (effective portion as described above) are re-classified to the Statement of Profit and Loss in the periods when the hedged item affects profit or loss. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity and included in the initial measurement of the cost of the non-financial asset or non-financial liability. Hedge accounting is discontinued when the hedging instrument expires, terminated, or exercised, without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in Other Comprehensive Income and accumulated in other equity at that time remains in other equity and is recognised when the forecast transaction is ultimately recognised in Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in other equity is recognised immediately in the Statement of Profit and Loss.

2.11. Financial guarantee contracts and loan commitments

Financial guarantee contracts are contracts that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due, in accordance with the terms of a debt instrument. Such financial guarantees are given to banks, financial institutions and others on behalf of customers to secure loans, overdrafts and other banking facilities.

Financial guarantee contracts are initially measured at fair value and subsequently measured at the higher of:

- The amount of the loss allowance; and
- The premium received on initial recognition less income recognized in accordance with the principles of Ind AS 115.

2.12. Repossessed collateral

Reposessed collateral represents non-financial assets acquired by the Company in settlement of overdue loans. Any collateral obtained as a result of foreclosure is not recognized as a separate asset unless it is acquired by the Company in settlement of overdue loans.

2.13. Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition and installation of the assets.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-financial assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in progress'.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful life prescribed under Schedule II to the Companies Act, 2013. The Group provides pro-rata depreciation from the month of installation till the date assets are sold or disposed. Leasehold improvements are amortised over the term of underlying lease.

Assets	Useful life
Building	60 years
Furniture and Fixtures	10 years
Office Equipments	5 years
Computers and Network Equipments	3 to 6 years
Plant and Machinery	5 years
Electrical Equipments	10 years
Vehicles	8 to 10 years
Leasehold Improvements	Over the primary lease period or useful life. Whichever is less.

Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit and loss when the asset is derecognized.

2.14.Intangible assets

Measurement at initial recognition:

Intangible assets are recognized where it is probable that the future economic benefit attributable to the assets will flow to the Group and its cost can be reliably measured. Intangible assets are stated at cost of acquisition less accumulated amortization and impairment, if any.

Expenditure incurred on acquisition/development of intangible assets which are not put/ready to use at the reporting date is disclosed under intangible assets under development. The Group amortizes intangible assets on a straight-line basis over the five years commencing from the month in which the asset is first put to use. The Group provides pro-rata amortization from the day the asset is put to use.

Asset	Useful life
Computer Software	5 years
Licences	Over the license period
Customer rights	5 years

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized in the statement of profit and loss when the asset is derecognized

2.15.Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. The recoverable amount of asset is the higher of its value in use or its fair value. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects the current market assessment of time value of money and the risks specific to it. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. All assets are subsequently reassessed for indications that an impairment loss previously recognised may no longer exist. An Impairment loss is reversed if there has been a change in estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the assets carrying amount would have been determined, net of depreciation or amortization, had no impairment loss been recognised.

2.16.Expected credit loss (ECL) model:

The Company applies the ECL model in accordance with Ind AS 109 for recognising impairment loss on financial assets. The ECL allowance is based on the credit losses expected to arise from all possible default events over the expected life of the financial asset ('lifetime ECL'), unless there has been no significant increase in credit risk since origination, in which case, the allowance is based on the 12-month ECL. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is calculated on a collective basis, considering the retail nature of the underlying portfolio of financial assets.

The impairment methodology applied depends on whether there has been a significant increase in credit risk. When determining whether the risk of default on a financial asset has increased significantly since initial recognition, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on a provision matrix which takes into account the Company's historical credit loss experience, current economic conditions, forward looking information and scenario analysis.

The expected credit loss is a product of exposure at default ('EAD'), probability of default ('PD') and loss given default ('LGD'). The Company has devised an internal model to evaluate the PD and LGD based on the parameters set out in Ind AS 109. Accordingly, the financial assets have been segmented into three stages based on the risk profiles. The three stages reflect the general pattern of credit deterioration of a financial asset. The company categorises financial assets at the reporting date into stages based on the days past due ('DPD') status as under:

- Stage 1: Low credit risk, i.e. 0 to 30 days past due
- Stage 2: Significant increase in credit risk, i.e. 31 to 90 days past due
- Stage 3: Impaired assets, i.e. more than 90 days past due

LGD is an estimate of loss from a transaction given that a default occurs. PD is defined as the probability of whether the borrowers will default on their obligations in the future. For assets which are in Stage 1, a 12-month PD is required. For Stage 2 assets a lifetime PD is required while Stage 3 assets are considered to have a 100% PD. EAD represents the expected exposure in the event of a default and is the gross carrying amount in case of the financial assets held by the Company.

The Company incorporates forward looking information into both assessments of whether the credit risk of an instrument has increased significantly since its initial recognition and its measurement of ECL. Based on the consideration of external actual and forecast information, the Company forms a 'base case' view of the future direction of relevant economic variables. This process involves developing two or more additional economic scenarios and considering the relative probabilities of each outcome. The base case represents a most likely outcome while the other scenarios represent more optimistic and more pessimistic outcomes.

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances. The Company's ECL calculations are outputs of complex models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. The inputs and models used for calculating ECLs may not always capture all characteristics of the market at the date of the financial statements. The Company regularly reviews its models in the context of actual loss experience and makes adjustments when such differences are significantly material.

The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as an impairment gain or loss in profit or loss.

After initial recognition, trade receivables are subsequently measured at amortised cost using the effective interest method, less provision for impairment. The Company follows the simplified approach required by Ind AS 109 for recognition of impairment loss allowance on trade receivables, which requires lifetime ECL to be recognised at each reporting date, right from initial recognition of the receivables.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

2.17. Provisions and contingencies:

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

2.18. Employee benefits

(i) Short-term obligations

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related services are rendered. The Group recognises the costs of bonus payments when it has a present obligation to make such payments as a result of past events and a reliable estimate of the obligation can be made.

Compensated absences

The Group does not have a policy of encashment of unavailed leaves for its employees but are permitted to be carried forward subject to some prescribed maximum days. Provision is made on actual basis of accumulating compensated absences as a result of unused leave entitlement which has accumulated as at the balance sheet date.

(ii) Post-employment obligations

Defined contribution plan:

Contribution paid/payable to the recognised provident fund, which is a defined contribution scheme, is charged to the Statement of Profit and Loss in the period in which they occur.

Defined benefits plan:

Gratuity is post-employment benefit and is in the nature of defined benefit plan. The liability recognised in the Balance Sheet in respect of gratuity is the present value of defined benefit obligation at the Balance Sheet date together with the adjustments for unrecognised actuarial gain or losses and the past service costs. The defined benefit obligation is calculated at or near the Balance Sheet date by an independent actuary using the projected unit credit method. Actuarial gains and losses comprise experience adjustment and the effects of changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

National Pension Scheme and Employee State Insurance Corporation

Contribution paid/payable to the recognised NPS and ESIC, which is a defined contribution scheme, is charged to the Statement of Profit and Loss in the period in which they occur.

(iii) Other long-term employee benefit obligations

Heritage club benefit

Heritage club benefits are recognised as liability at the present value of defined benefits obligation as at the Balance Sheet date. The defined obligation benefit is calculated at the Balance Sheet date by an independent actuary using the projected unit credit method.

2.19. Share-based payments

Employee Stock Option Scheme (ESOS)

The Employees Stock Options Scheme ("the Scheme") has been established by the Group. The Scheme provides that employees are granted an option to subscribe to equity share of the Group that vest on the

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

satisfaction of vesting conditions. The fair value of options granted under ESOS is recognized as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined reference to the fair value of the options granted excluding the impact of any service conditions. Information about the valuation techniques and inputs used in determining the fair value of options disclosed in note 51.

The total expense is recognized over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the service conditions. It recognizes the impact of the revision to original estimates, if any, in profit or loss, with a corresponding adjustment to equity.

2.20. Foreign currency translation

(i) Functional and presentation currency

Items included in consolidated financial statements of the Group are measured using the currency of the primary economic environment in which the Group operates ('the functional currency'). The consolidated financial statements are presented in Indian rupee (INR) in lakhs rounded off to two decimal places except when otherwise stated as permitted by Schedule III to the Companies Act, 2013, which is Group's functional and presentation currency.

(ii) Translation and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in profit or loss.

(iii) Translation of foreign subsidiaries.

All income and expense items are converted at the average rate of exchange applicable for the period. All assets and liabilities are translated at the closing rate as on the balance sheet date. The exchange difference arising out of the year-end translation is debited or credited to Translation Reserve of the respective subsidiary and is disclosed in Reserves and surplus.

2.21. Dividends

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

2.22. Earnings per share

a) Basic earnings per share

Basic earnings per share is calculated by dividing the net profit for the period (excluding other comprehensive income) attributable to equity share holders of the Group by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus element in equity shares issued during the year.

b) Diluted earnings per share

Diluted earnings per share is computed by dividing the net profit for the period (excluding other comprehensive income) attributable to equity shareholders by the weighted average number of shares outstanding during the period as adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive. Further, when a subsidiary issue the potential ordinary shares that are convertible into the ordinary shares of the subsidiary, to parties other than the parent and if these potential ordinary shares of the subsidiary have a dilutive effect on the basic earnings per share of the reporting entity, they are included in the calculation of diluted earnings per share.

2.23. Borrowing Costs

Expenses related to borrowing cost are accounted using effective interest rate. Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred. The difference between the discounted amount mobilised and redemption value of commercial papers is recognised in the statement of profit and loss over the life of the instrument using the EIR.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

2.24. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker of the Group.

The power to assess the financial performance and position of the Group and make strategic decisions is vested in the managing director who has been identified as the Chief Operating Decision Maker.

The primary business of the Group comprises of "Capital market", "Fund based activities", "Asset Management and Advisory" and "Home Finance". The business segments have been identified considering the nature of services, the differing risks and returns, the organization structure and the internal financial reporting system. Capital market activities includes Broking services to clients, research and advisory services, financial product distribution, depository services and investment banking. Fund based activities include investment activities (Investment in securities and property) and financing activity. Asset management and advisory includes fee based services for management of assets. Home Finance represents interest and other related income from affordable housing finance business.

2.25. Rounding of amounts

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lakh as per the requirements.

2.26. Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the consolidated financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

2.27. Fiduciary assets

Assets held by the Company in its own name, but on the account of third parties, are not reported in the balance sheet. Commissions received from fiduciary activities are shown in fee and commission income.

3. KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of consolidated financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

- (a) Provision and contingent liability: On an ongoing basis, Group reviews pending cases, claims by third parties and other contingencies. Contingent losses that are considered probable, an estimated loss is recorded as an accrual in consolidated financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the consolidated financial statements. Contingencies the likelihood of which is remote are not disclosed in the consolidated financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.
- (b) Allowance for impairment of financial asset: Judgements are required in assessing the recoverability of overdue loans and determining whether a provision against those loans is required. Factors considered include the aging of past dues, value of collateral and any possible actions that can be taken to mitigate the risk of non-payment.
- (c) Recognition of deferred tax assets - Deferred tax assets are recognised for unused tax-loss carryforwards and unused tax credits to the extent that realisation of the related tax benefit is probable. The assessment of the probability with regard to the realisation of the tax benefit involves assumptions based on the history of the entity and budgeted data for the future.
- (d) Defined benefit plans - The cost of defined benefit plans and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long - term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

- (e) Share based payment – The Group account for share based payment by measuring and recognizing as compensation expense the fair value of all share-based payment awards made to employees based on estimated grant date fair values. The determination of fair value involves a number of significant estimates. The Group uses the Black Scholes option pricing model to estimate the value of employee stock options which requires a number of assumptions to determine the model inputs. These include the expected volatility of Group's stock and employee exercise behavior which are based on historical data as well as expectations of future developments over the term of the option. As stock-based compensation expense is based on awards ultimately expected to vest. Management's estimate of exercise is based on historical experience but actual exercise could differ materially as a result of voluntary employee actions and involuntary actions which would result in significant change in our share based compensation expense amounts in the future.
- (f) Property, plant and equipment and Intangible Assets – Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values as per schedule II of the Companies Act, 2013 or are based on the Group's historical experience with similar assets and taking into account anticipated technological changes, whichever is more appropriate.
- (g) Leases – The Group evaluates if an arrangement qualifies to be a lease as per IND AS 116.
- The Group determines lease term as a non-cancellable period of a lease, together with both the period covered by an option to extend the lease if the Company is reasonably certain to exercise lessee options.
 - The determination of the incremental borrowing rate used to measure lease liabilities.
- (h) Business Model assessment – Classification and measurement of financial assets depends on the results of the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company considers the frequency, volume and timing of sales in prior years, the reason for such sales, and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of a holistic assessment of how company's stated objective for managing the financial assets is achieved and how cash flows are realized. Therefore, the Company considers information about past sales in the context of the reasons for those sales, and the conditions that existed at that time as compared to current conditions.
- Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.
- (i) De-recognition of financial instruments – In case of transfer of loans through securitisation and direct assignment transactions, the transferred loans are de-recognised and gains/losses are accounted for, only if the Company transfers substantially all risks and rewards specified in the underlying assigned loan contract. In accordance with the Ind AS 109, on de-recognition of a financial asset under assigned transactions, the difference between the carrying amount and the consideration received are recognised in the Statement of Profit and Loss.

4. RECENT ACCOUNTING DEVELOPMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has not notified any new standards or amendments to the existing standards applicable to the Company

Nature and purpose of Other Reserve :

Securities Premium

Securities premium account is use to record the premium received on issue of shares and it also includes transfer from ESOS reserve when the options are exercised . The reserve will be utilised in accordance with the provisions of the Act.

Capital Redemption Reserve

The capital redemption reserve is created to be utilised towards redemption of preference shares and it also includes addition arising on account of buyback of shares. The reserve will be utilised in accordance with provision of the Act.

Employee stock options outstanding reserve

Share option outstanding account is used to recognize the grant date fair value of equity settled instruments issued to employees under the stock option scheme of the company.

Statutory Reserve

The Company creates a reserve fund in accordance with the provisions of section 29C of The National Housing Bank Act, 1987 and section 45-IC of the Reserve Bank of India Act, 1934 and transfers therein an amount of equal to/more than twenty per cent of its net profit of the year, before declaration of dividend.

Capital reserve on consolidation

Capital reserve is the excess of net assets taken over cost of consideration paid for subsidiaries.

General reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to statement of profit and loss. General reserve is used to transfer to debenture redemption reserve.

Foreign currency translation reserve

Foreign currency translation reserve is created out of Exchange differences in translating the financial statements of foreign operations.

NOTE : 39.1 TAX EXPENSE

The Group pays taxes according to the rates applicable in India and tax laws of foreign countries. Most taxes are recorded in the income statement and relate to taxes payable for the reporting period (current tax), but there is also a charge or credit relating to tax payable for future periods due to income or expenses being recognised in a different period for tax and accounting purposes (deferred tax). Tax is charged to equity when the tax benefit exceeds the cumulative income statement expense on share plans. The Group provides for current tax according to the tax laws of India using tax rates that have been enacted or substantively enacted by the balance sheet date. Management periodically evaluates positions taken in tax returns in respect of situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities. Deferred tax is provided, using the liability method, on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax is recognised in respect of all temporary differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. A deferred tax asset is recognised when it is considered recoverable and herefore recognised only when, on the basis of all available evidence, it can be regarded as probable that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying temporary differences can be deducted. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the temporary differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

NOTE 52 : SEGMENT REPORTING

The Chief Operating Decision Maker monitors the operating results of the business segment separately for the purpose of making decision about resource allocation and performance assessment. Segment performance evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The operating segments have been identified considering the nature of services, the differing risks and returns, the organization structure and the internal financial reporting system.

The business segment has been considered as the primary segment for disclosure. The primary business of the Group comprises of "Wealth Management", "Capital Markets", "Asset and Private Wealth Management", "Home Finance" and "Treasury Investments".

Wealth Management includes broking services & financial product distribution to retail clients, depository services, margin trading funding, etc

Capital Markets activities includes research and advisory services, Investment banking, Institutional Broking etc.

Asset and Private Wealth Management includes fee based services for management of assets along with distribution services to HNI/UHNI Clients

Treasury Investments include investment and financing activities.

Home Finance represents interest and other related income from affordable housing finance business.

Since the business operations of the Group are primarily concentrated in India, the Group is considered to operate only in the domestic segment.

The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure of individual segments.

Income and direct expenses in relation to segments are categorized based on items that can be individually identifiable to that segment.

Assets / Liabilities to the extent directly identifiable to a segment have been categorized separately.

During the year, Retail broking & distribution, a sub division of the Capital markets segment has been extracted and presented as a separate segment from it, namely "Wealth Management" to align with the changing needs of customers towards comprehensive wealth management solutions. Consequently, "Asset & Wealth Management" Segment has been rephrased as "Asset & Private Wealth Management"

Segment and segmental figures have also been reorganized in the comparative periods. The above mentioned changes do not have any impact on the financial statement of the company for either of the periods presented herein.

b) Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the Indian Accounting standard. An explanation of each level follows underneath the table."

Level 1: Level 1 hierarchy includes financial instruments measured using unadjusted quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Specific valuation techniques used to value financial instruments include :

- Quoted equity investments – Quoted closing price on stock exchange
- Mutual fund – net asset value of the scheme
- Alternative investment funds – net asset value of the scheme
- Unquoted equity and preference investments – price multiples of comparable companies.
- Private equity funds – NAV of the audited financials of the funds.
- The fair values for investment in security receipt are based on the quoted market prices given by independent rating agency.
- Real estate funds – net asset value, based on the independent valuation report or financial statements of the company.

III. Fair value of financial instrument measured at amortised cost

Financial assets not measured at fair value includes cash and cash equivalents, trade receivables, loans and other financial assets. These are financial assets whose carrying amounts approximate fair value, due to their short-term nature.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

Additionally, financial liabilities such as trade payables and other financial liabilities are not measured at FVTPL, whose carrying amounts approximate fair value, because of their short-term nature.

c) Fair value measurements using significant unobservable inputs (level 3)

NOTE 56: FINANCIAL RISK MANAGEMENT

The Group is exposed primarily to fluctuations in credit, liquidity and price risk which may adversely impact the fair value of its financial instrument. The Group has a risk management policy which covers risk associated with the financial assets and liabilities. The focus of the risk management is to assess the unpredictability of the financial environment and to mitigate potential adverse effect on the financial performance of the Group.

The Group's principal financial liabilities comprises of borrowings from bank/financial institutions, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include Investments, loans, receivables and cash and cash equivalents that derive directly from its operations.

A Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's loans and advances to customers.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

For risk management reporting purposes, the Group considers and consolidates all elements of credit risk exposure.

Management of credit risk

The Board of Directors has delegated responsibility for the oversight of credit risk to the Risk Management Committee, which in turn has appointed the Interest Rate Reset Committee (IRRC) which is the Internal committee and the meeting of the said committee (IRRC) is conducted on a monthly basis, the objective of which is to determine the retail prime lending rates (RPLR) based on market scenarios such as borrowing costs of the Group, repo rates by Reserve Bank of India (RBI), the Interest Rate Reset Committee recommends the Asset Liability Management Committee for the changes in the prevailing RPLR for their further approval.

The Risk Management Committee develops the credit risk management framework, policies, procedures, reviews the same on periodic basis which is further noted and approved by the Board of Directors. The Risk Management Committee also reviews delinquent accounts and makes decisions on recovery actions. Credit reviews are conducted regularly to monitor the health of the loan portfolio and to detect early signs of weaknesses and deviations.

The Risk Management Committee manages risk on a portfolio-wide basis and recommends alternative portfolio strategies, analyses results of portfolio management actions and develops portfolio limits for each portfolio segment for approval of the Board of Directors. Credit risk concentration is addressed by setting a credit portfolio mix limit and monitoring the limits on a regular basis. Credit stress tests are also conducted periodically to determine the impact of security values and other stress parameters on the loan portfolio. The Group also conducts annual valuation of delinquent accounts, to determine the actual value and marketability of the collateral which is adequately factored in Capital Adequacy Ratio. This allows the Group to assess the potential financial impact of losses arising from plausible adverse scenarios on the Group's loan portfolio.

Expected credit loss measurements

(i) Expected credit loss measurement for Loans :

Ind AS 109 outlines a 'three-stage' model for impairment based on changes in credit quality since initial recognition as summarised below:

1. A financial instrument that is not credit-impaired on initial recognition is classified in 'Stage 1' and has its credit risk continuously monitored by the Group.
2. If a significant increase in credit risk ('SICR') since initial recognition is identified, the financial instrument is moved to 'Stage 2' but is not yet deemed to be credit-impaired.
3. If the financial instrument is credit-impaired, the financial instrument is then moved to 'Stage 3'.

Financial instruments in Stage 1 have their ECL measured at an amount equal to the portion of lifetime expected credit losses that result from default events possible within the next 12 months. Instruments in Stages 2 or 3 have their ECL measured based on expected credit losses on a lifetime basis.

The following diagram summarises the impairment requirements under Ind AS 109 (other than purchased or originated credit-impaired financial assets):

Change in credit quality since initial recognition		
Stage 1	Stage 2	Stage 3
(Initial recognition)	(Significant increase in credit risk since Initial recognition)	(Credit impaired assets)
12 month expected credit losses	Lifetime expected credit losses	Lifetime expected credit losses

The key judgements and assumptions adopted by the Group in addressing the requirements of the standard are discussed below:

Significant increase in credit risk (SICR)

The Group considers a financial instrument to have experienced a significant increase in credit risk when one or more of the following quantitative, qualitative or backstop criteria have been met:

a. Quantitative criteria:

When days passed dues from the borrower is more than 30 days but less than 90 days.

b. Qualitative criteria:

If the borrower meets one or more of the following criteria:

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

- a. In short-term forbearance
- b. Direct debit cancellation
- c. Extension to the terms granted.
- d. Previous arrears within the last [12] months

Default and credit-impaired assets

The Group defines a financial instrument as in default, which is fully aligned with the definition of credit impaired, when it meets one or more of the following criteria:

a. Quantitative criteria

The borrower is more than 90 days past due on its contractual payments.

b. Qualitative criteria

The borrower meets unlikeliness to pay criteria, which indicates the borrower is in significant financial difficulty. These are instances where:

- a. The borrower is in long-term forbearance
- b. The borrower is deceased
- c. The borrower is insolvent
- d. Concessions have been made by the lender relating to the borrower's financial difficulty
- e. It is becoming probable that the borrower will enter bankruptcy

The criteria above have been applied to home finance loans consistent with the definition of default used for internal credit risk management purposes. The default definition has been applied consistently to model the Probability of Default (PD), Exposure at Default (EAD) and Loss given Default (LGD) throughout the Group's expected loss calculations.

Measuring ECL – Explanation of inputs, assumptions and estimation techniques

The Expected Credit Loss (ECL) is measured on either a 12-month basis (12M) or Lifetime basis depending on whether a significant increase in credit risk has occurred since initial recognition or whether an asset is considered to be credit-impaired. Expected credit losses are the discounted product of the Probability of Default (PD), Exposure at Default (EAD), and Loss Given Default (LGD), defined as follows:

- The PD represents the likelihood of a borrower defaulting on its financial obligation (as per "Definition of default and credit-impaired" above), either over the next 12 months (12M PD), or over the remaining lifetime (Lifetime PD) of the obligation.
- The exposure at default (EAD) represents the gross carrying amount of the financial instruments subject to the impairment calculation, addressing both the client's ability to increase its exposure while approaching default and potential early repayments too.

To calculate the EAD for a Stage 1 loan, the Group assesses the possible default events within 12 months for the calculation of the 12M ECL. For stage 2, Stage 3 Financial Assets, the exposure at default is considered for events over the lifetime of the instruments.

- Loss Given Default (LGD) represents the Group's expectation of the extent of loss on a defaulted exposure. LGD varies by type of counterparty, type and seniority of claim and availability of collateral or other credit support. LGD is expressed as a percentage loss per unit of exposure at the time of default. LGD is calculated on a 12-month or lifetime basis, where 12-month LGD is the percentage of loss expected to be made if the default occurs in the next 12 months and Lifetime LGD is the percentage of loss expected to be made if the default occurs over the remaining expected lifetime of the loan.

The ECL is determined by projecting the PD, LGD and EAD for each three bucket explained above and for each individual exposure or collective segment. These three components are multiplied together and adjusted for the likelihood of survival (i.e. the exposure has not prepaid or defaulted in an earlier month). This effectively calculates an ECL for each three buckets, which is then discounted back to the reporting date and summed. The discount rate used in the ECL calculation is the original effective interest rate or an approximation thereof.

The Lifetime PD is developed by applying a maturity profile to the current 12M PD. The maturity profile looks at how defaults develop on a portfolio from the point of initial recognition throughout the lifetime of the loans. The maturity profile is based on historical observed data and is assumed to be the same across all assets within a portfolio and credit grade band. This is supported by historical analysis.

The 12-month and lifetime EADs are determined based on the expected payment profile. Estimate of an exposure at a future default date – expected changes in exposure after the reporting date, including

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

repayment of principal and interest, and expected drawdowns on committed facilities. This is based on the contractual repayments owed by the borrower over a 12month or lifetime basis. This will also be adjusted for any expected overpayments made by a borrower. Early repayment/refinance assumptions are also incorporated into the calculation.

The 12-month and lifetime LGDs are determined based on the factors which impact the recoveries made post default. These vary by collateral type.

- For secured products, this is primarily based on collateral type and projected collateral values, historical discounts to market/book values due to forced sales, time to repossession and recovery costs observed. the Group given its experience of sale of properties taken into possession we have experienced that there is 22.5 % loss incurred on the Outstanding amount (Principal + Interest). Hence the Group have taken 22.5% as LGD for computation of ECL on Stage 1 / 2 and 3 books.
- For unsecured products basically written off cases , LGD's has been maintained at 100% as loss given default as the Group don't foresee any cash flow on those assets.

Forward-looking economic variable/assumptions used are – such as how the maturity profile of the PDs and how collateral values change etc. – are monitored and reviewed on a quarterly basis. While estimating the expected credit losses, the Group reviews macro-economic developments occurring in the economy and market it operates in. On a periodic basis, the Group analyses if there is any relationship between key economic trends like GDP, inflations rates set by International Monetary Fund, inflation etc. with the estimate of PD, LGD determined by the Group based on its internal data. While the internal estimates of PD, LGD rates by the Group may not be always reflective of such relationships, temporary overlays are embedded in the methodology to reflect such macro-economic trends reasonably.

Loss allowance

The loss allowance recognised in the period is impacted by a variety of factors, as described below:

- a. Transfers between Stage 1 and Stages 2 or 3 due to financial instruments experiencing significant increases (or decreases) of credit risk or becoming credit-impaired in the period, and the consequent “step up” between 12-month and Lifetime ECL;
- b. Additional allowances for financial instruments de-recognised in the period;
- c. Impact on the measurement of ECL due to changes in PDs, EADs and LGDs in the period, arising from regular refreshing of inputs to models;
- d. Financial assets derecognised during the period and write-offs of allowances related to assets that were written off during the period.

Write-off policy

The Group writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include

- (i) ceasing enforcement activity and
- (ii) here the Group's recovery method is foreclosing on collateral and the value of the collateral is such that there is no reasonable expectation of recovering in full.

The Group may write-off financial assets that are still subject to enforcement activity. The Group may still seek to recover amounts it is legally entitled to recover in full, but which have been fully / partially written off due to no reasonable expectation of full recovery.

Modification of financial assets

The Group sometimes modifies the terms of home loans provided to customers due to commercial renegotiations, or for distressed loans, with a view to maximising recovery.

Such restructuring activities include extended payment term arrangements, payment holidays and payment forgiveness. Restructuring policies and practices are based on indicators or criteria which, in the judgement of management, indicate that payment will most likely continue. These policies are kept under continuous review.

The risk of default of such assets after modification is assessed at the reporting date and compared with the risk under the original terms at initial recognition, when the modification is not substantial and so does not result in derecognition of the original asset. The Group monitors the subsequent performance of modified assets and it may determine that the credit risk has significantly improved after restructuring, so that the assets are moved from Stage 3 or Stage 2 (Lifetime ECL) to Stage 1 (12-month ECL). This is only the case for assets which have performed in accordance with the new terms for a year or more. Currently there has not been any such case.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

(II) Expected credit loss measurement for Trade receivables :

The loss allowance has been measured using lifetime ECL except for financial assets on which there has been no significant increase in credit risk since initial recognition. At each reporting date, the Company assesses whether financial assets carried at amortised cost is credit-impaired. A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred since initial recognition.

A simplified approach has been considered for measuring expected credit losses (ECLs) of trade receivables at an amount equal to lifetime ECLs. The ECLs on trade receivables are calculated based on actual historic credit loss experience over the preceding three to five years on the total balance of trade receivables. For the purpose of computation of ECL, the term default implies an event where amount due towards margin requirement and / or mark to market losses for which the client was unable to provide funds / collaterals to bridge the shortfall, the same is termed as margin call triggered.

Based on the Industry practices and business environment in which the entity operates, Management considers unsecured receivables as default if the payment is overdue for more than 90 days for direct customer. For franchisee customers, aggregate of unsecured receivables as reduced by franchisee deposit/ future brokerages are considered as default. Management would also consider balance in client's family accounts and collaterals in form other than the securities while considering the secured position of the client. Management would also consider impairment on client balance which are unsecured and overdue for less than 90 days on case to case basis, based on their scope of recoverability. For litigation cases, management could provide enhanced provision if the probability of outflow of economic resource is higher. If there are specific cases which are overdue for more than 90 days and the management is very confident of its recovery in near future, impairment loss would not be provided for such cases based on the approval of business head for each reporting period. Probability of default (PD) on these receivables is considered at 100% and treated as credit impaired.

(III) Expected credit loss measurement for Margin Trading Facility(MTF) loan :

Loans includes Margin Trading Facility(MTF), Loans to staff and loans to subsidiaries for which staged approach is taken into consideration for determination of ECL.

Stage 1: All positions in the MTF loan book are considered as stage 1 asset for computation of expected credit loss. For exposures where there has not been a significant increase in credit risk since initial recognition and not credit impaired post origination. Loan to subsidiary and staff are considered in stage 1 for determination of ECL. Exposure to credit risk in stage 1 is computed considering historical probability of default, market movements and macro-economic environment.

Stage 2 : Exposures under stage 2 include dues up to 90 days pertaining to principal amount, interest and any other charges on the MTF loan book which are unsecured. While arriving at the secured position of the client, management would also consider balance in client's family accounts, securities in other segment and collaterals in form other than the securities while considering the secured position of the client. At each reporting date, the Company assesses whether there has been a significant increase in credit risk for financial assets since initial recognition. In determining whether credit risk has increased significantly since initial recognition, the Company uses days past due information and other qualitative factors to assess deterioration in credit quality of a financial asset.

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognised.

Stage 3 : Exposures under stage 3 include dues past 90 days pertaining to principal amount, interest and any other charges on MTF loan book which are unsecured. Financial assets are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of the asset have occurred. For financial assets that have become credit impaired, a lifetime ECL is recognised.

Following provides exposure to credit risk for trade receivables and Loans.

Particulars	As at 31 March 2025	As at 31 March 2024
Trade Receivables (Net of impairment)	2,40,360	1,91,812
Loans (Net of impairment)	10,45,032	10,04,636

The financial instruments covered within the scope of ECL include financial assets measured at amortised cost such as trade receivables and loans.

B Liquidity risk and funding management

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the Company's treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Refer Note 54 for analysis of maturities of financial assets and financial liabilities.

C Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Foreign currency risk, interest rate risk and price risk.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

Foreign currency risk management

In respect of the foreign currency transactions, the Group hedges part of the exposures in foreign currency. However, the management believes that the same is insignificant in nature and will not have a material impact on the Group.

(ii) Cash flow and fair value interest rate risk

The Group's main interest rate risk arises from long-term borrowings/ debt securities and loans with variable rates, which expose the Group to cash flow interest rate risk. The Group is exposed to interest rate risk as it is involved in lending business. Interest rate risk can arise from either macro events in economy or due to company's financial position. Group tries to mitigate this risk by taking all positive measures which can boost profitability and strengthens company's balance sheet. Group takes continuous efforts to reduce its cost of funds by diversifying its liability mix and deepening its relationship with lenders.

The Group's fixed rate borrowings are not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	As at 31 March 2025	As at 31 March 2024
Loans given:		
Variable rate Loans	9,16,117	8,56,626
Fixed rate Loans	1,28,915	1,48,010
Total Loans	10,45,032	10,04,636
Borrowings:		
Variable rate borrowing	7,48,384	4,96,424
Fixed rate borrowing	7,24,777	8,78,137
Total Borrowing	14,73,161	13,74,561

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

Notes to Consolidated Financial Statements (Contd..)

(All amounts are in INR Lakhs, unless otherwise stated)

The following table demonstrates the sensitivity to a reasonably possible change in interest rates (all other variables being constant) of the Group's statement of profit and loss and equity.

Particulars	Impact on profit after tax	
	31 March 2025	31 March 2024
Loans given		
Interest rates – increase by 100 basis points	6,855	6,410

Security receipts		
Interest rates – increase by 100 basis points	83	129
Interest rates – decrease by 100 basis points	(83)	(129)

Exposure of price risk

The company is exposed to price risk from its investment in mutual funds, equity shares, exchange traded funds classified in the balance sheet at fair value through profit and loss or fair value through other comprehensive income.

The Investments held by the Company are ancillary to the Investment management business objective.

The investment in long term mutual fund is for high-RoE opportunities. They also serve as highly liquid “resources” available for future investments in business, if required.

Particulars	31 March 2025	31 March 2024
Exposure to price risk	8,74,413	6,41,096

Sensitivity to price risk

The following table summarises the impact of sensitivity of NAVs / price with all other variables held constant. The below impact on the Company's profit before tax is based on changes in the NAVs / price of the investments held at FVTPL/FVOCI at balance sheet date:

Sensitivity	31 March 2025	31 March 2024
Impact on profit before tax for 10% increase in NAV/price	87,441	64,110
Impact on profit before tax for 10% decrease in NAV/price	(87,441)	(64,110)

Sensitivity to foreign currency risk

The following table demonstrates the sensitivity to a reasonably possible change in foreign exchange rates (all other variables being constant) of the Group's net receivable/(payable).

Particulars	31 March 2025	31 March 2024
Exposure to foreign currency risk	(1,190)	(153)

13. Voting rights shall be reckoned on the paid-up value of Shares registered in the name of the Members/Beneficial Owners maintained by the Company/Depositories as on the cut-off date i.e. Tuesday, July 08, 2025.
14. The Remote e-Voting period commences on Friday, July 11, 2025 at 09:00 a.m. (IST) and ends on Monday, July 14, 2025 at 05:00 p.m. (IST). During this period, the Members holding Shares either in physical form or in dematerialized form, as on the cut-off date i.e. Tuesday, July 08, 2025 may cast their vote electronically. The Remote e-Voting module shall be disabled by NSDL for voting thereafter.
15. In case of joint holders, the Members whose name appears as the first holder in the order of names as per the Register of Members/Beneficial Owners maintained by the Company/ Depositories will be entitled to vote at the AGM.
16. The Members attending the AGM should note that those who are entitled to vote but have not exercised their right to vote by Remote e-Voting, may vote during the AGM through e-Voting for all businesses specified in the Notice. The Members who have exercised their right to vote by Remote e-Voting may attend the AGM but shall not vote at the AGM.
17. A person who is not a Member as on the cut-off date i.e. Tuesday, July 08, 2025 should treat the Notice for information purpose only. However, the Members who are holding Shares in physical form or who have not registered their e-mail address with the Company/Depository Participant or any person who acquires Shares of the Company and becomes a Member of the Company after the Notice has been sent electronically by the Company, and holds Shares as of the cut-off date i.e. Tuesday, July 08, 2025 may obtain the User ID and Password by following the instructions as mentioned in the Notice.
18. The Members can avail the facility of nomination in respect of the Equity Shares held by them in physical form pursuant to the provisions of Section 72 of the Act read with the Rules made thereunder. The Members desiring to avail this facility may send their nomination in Form SH-13 duly filled-in to RTA of the Company. Further, the Members desirous of cancelling/varying nomination pursuant to the provisions of the Act are requested to send their requests in Form ISR-3 or SH-14 to RTA of the Company. These forms will be made available on request.
19. The Members holding Shares in dematerialized form are requested to update with their respective Depository Participant, their bank account details (account number, 9 digit MICR code and 11 digit IFSC), e-mail ids and mobile number. The Members holding Shares in physical form may communicate details to the Company or RTA before Tuesday, July 08, 2025 by quoting the folio number and attaching a photocopy of the cancelled cheque leaf of their bank account and a self-attested copy of their PAN card. Further, the Members holding Shares in physical form may avail investor services to register PAN, e-mail address, bank details and other KYC details or changes/update thereof by sending requests in Form ISR-1 to RTA of the Company.
20. SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical Shares and avail various benefits of dematerialisation, the Members are advised to dematerialise the Shares held by them in physical form. The Members can contact the Company or RTA, for assistance in this regard.
21. **Unclaimed/Unpaid Dividend**

Pursuant to the provisions of Section 124 & 125 of the Act read with the Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), dividends which remain unclaimed/ unpaid for a period of 7 (Seven) years are required to be transferred to the Investor Education and Protection Fund ("IEPF").

The Company requests the Members to claim the unclaimed dividends within the prescribed period. The details of the unclaimed dividends are available on the website of the Company at www.motilaloswalgroup.com and Ministry of Corporate Affairs at www.iepf.gov.in. The Members can contact the Company or RTA for claiming the unclaimed dividends standing to the credit in their account.

Notice (Contd..)

2. Based on the Scrutinizer's Report, the Company will submit within 2 (Two) working days of the conclusion of the AGM, to the Stock Exchanges, details of the Voting Results as required under Regulation 44(3) of the Listing Regulations.
3. The Results declared along with the Scrutinizer's Report will be placed on the website of the Company at www.motilaloswalgroup.com and on the website of NSDL at www.evoting.nsdl.com.

INSTRUCTIONS FOR REMOTE E-VOTING, E-VOTING DURING THE AGM AND JOINING THE AGM

1. The Remote e-voting period begins on Friday, July 11, 2025 at 09:00 a.m. (IST) and ends on Monday, July 14, 2025 at 05:00 p.m. (IST). The Remote e-Voting module shall be disabled by NSDL for voting thereafter. The Members, whose

Notice (Contd..)

names appear in the Register of Members/ Beneficial Owners maintained by the Company/ Depositories as on the cut-off date i.e. Tuesday, July 08, 2025, may cast their vote electronically. The voting right of the Members shall be in proportion to their Shareholding in the Company as on the cut-off date i.e. Tuesday, July 08, 2025.

2. The Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
3. Pursuant to the provisions of the SEBI Circular bearing reference no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 09, 2020 and Regulation 44 of the Listing Regulations, listed entities are required to provide Remote e-Voting facility to its Members, in respect of all Shareholders' Resolutions. However, it has been observed that the participation by the Public Non-Institutional Members/Retail Members are at a negligible level.

Currently, there are multiple e-Voting Service Providers ("ESPs") providing e-Voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple User Ids and Passwords by the Members.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-Voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-Voting process.

Mr. Rajgarhia is not related to any other Director/KMP of the Company.

Accordingly, the Board recommends the Ordinary Resolution set out in item no. 7 of the Notice for approval of the Members of the Company.

Brief Profile of Mr. Rajgarhia

Mr. Rajat Rajgarhia is an Executive Director - Whole-time Director of our Company. He is a qualified Chartered Accountant and holds a master's degree in business administration from Management Development Institute, Gurgaon. He has previously worked with Indiainfoline and thereafter, joined our Company in 2001 as a Research Analyst. He currently heads the Institutional Equities business in our Company.

ITEM NO. 8

In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013 ("the Act") read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 and Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 ("Listing Regulations") (as amended from time to time), every listed entity are required to annex with its Board's Report, a report on Secretarial Audit issued by the Practicing Company Secretary.

Pursuant to the amendment made under the provisions of Regulation 24A of the Listing Regulations by SEBI vide its notification dated December 12, 2024 read with the SEBI Circular bearing reference no. SEBI/ HO/CFD/CFDPoD-2/CIR/P/2024/185 dated December 31, 2024 ("SEBI Circular"), a listed entity shall appoint/re-appoint Secretarial Auditor with the approval of the Member of the Company in its Annual General Meeting in the manner mentioned below:

- a. an individual as Secretarial Auditor for not more than one term of five consecutive years; or
- b. a Secretarial Audit firm as Secretarial Auditor for not more than two terms of five consecutive years.

Further, the SEBI has also prescribed the eligibility, qualifications and disqualifications of Secretarial Auditor in the said amendment and SEBI Circular.

Considering the experience, market standing, efficiency of the audit teams and independence of M/s. Makarand M. Joshi & Co. ("MMJC"), Company Secretaries, the Board at its Meeting held on April 25, 2025, pursuant to the recommendation of the Audit Committee and subject to the approval of the Members of the Company, approved the appointment of MMJC as

Secretarial Auditor of the Company for a term of 5 (Five) years commencing from the Financial Year 2025-26 to Financial Year 2029-30.

The proposed remuneration (Audit Fee) to be paid to MMJC for the Secretarial Audit services for the Financial Year 2025-26 is ₹3 lakhs (Rupees Three Lakhs) plus reimbursement of out-of-pocket expenses and taxes at the applicable rates. The same fees may be paid for the subsequent years as may be mutually agreed between the Company & Secretarial Auditor.

It is important to note that there is no material change in the proposed fee payable to MMJC compared to that of the previous Secretarial Auditor, taking into account the firm's strength, team size, partners' experience and expertise in Secretarial Audit services, as well as the competency of its team. Accordingly, the requirement to disclose the rationale for the change in fee does not apply.

Besides the Secretarial Audit services, the Company may also obtain certifications/confirmations as may be required by any Statutory, Regulatory, Judiciary or any other Appropriate Authorities under various Rules, Regulations or Statutes and other permissible non-Secretarial Audit services from MMJC as required from time to time, for which they will be remunerated separately on mutually agreed terms, as approved by the Board or any of its Committee. The above fee excludes the proposed remuneration to be paid for the purpose of the Secretarial Audit of the Company or any of its Subsidiaries, if any.

MMJC & Associates LLP is a Mumbai-based professional services firm specializing with over 25 years of rich experience in Corporate Law, Securities Law and allied Regulatory compliance. Founded and managed by experienced Company Secretaries, MMJC has built a strong reputation as a trusted Secretarial Auditor for several listed and unlisted entities across industries. The firm offers comprehensive services including corporate governance advisory, due diligence, regulatory representations, and compliance management. With a team of qualified professionals and a commitment to ethical practices, MMJC has consistently delivered value-driven solutions tailored to client needs.

The Company has received the consent letter and eligibility certificate from MMJC to act as Secretarial Auditor of the Company. They have also affirmed that their proposed appointment, if approved, will be within the limits specified in the applicable laws.

The Board (including any Committee thereof) in consultation with the Audit Committee, may alter and vary the terms & conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with MMJC.

Accordingly, the Members' approval is sought for the appointment of MMJC as Secretarial Auditor of the Company in terms of the applicable provisions of the Act and Listing Regulations.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at item no. 8 of the Notice.

Annexure to the Notice (Contd..)

Accordingly, the Board recommends the Ordinary Resolution set out in item no. 8 of the Notice for approval of the Members of the Company.

ITEM NO. 9

The provisions of Section 186 and all other applicable provisions, if any, of the Companies Act, 2013 ("the Act") read with the Companies (Meetings of Board and its Powers) Rules, 2014 and all other applicable Rules made thereunder, if any ("the Rules") (as amended from time to time), provides that no Company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate; exceeding 60% of its paid-up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more.

Further, the said provisions also provide that where the giving of any loan or guarantee or providing any security or the acquisition of securities of any body corporate, as provided under Section 186(2) of the Act, exceeds the limits specified above, prior approval of the Members by means of a Special Resolution is required.

In this regard, the Company has obtained approval of the Members of the Company for enhancement of the existing limit under Section 186 of the Act from ₹9,000 Crore (Rupees Nine Thousand Crore Only) to ₹16,000 Crore (Rupees Sixteen Thousand Crore Only), for giving any loan to any person or body corporate, give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, through Postal Ballot on December 18, 2024, as follows:

Sr. No.	Particulars of Instrument	₹ in Crore
1.	To give any loan to any person or other body corporate (primarily for Margin Trading Facility)	10,500 [^]
2.	To give any guarantee or provide security in connection with a loan to any other body corporate or person	1,000
3.	To acquire by way of subscription, purchase or otherwise the securities of any other body corporate	4,500
Total		16,000

[^]The limit for granting loans to any person or body corporate can be increased up to ₹16,000 Crore subject to the availability of other limits.

It is further informed that the Company has been constantly exploring for opportunities in the market for acquisition/investment in new businesses as part of its inorganic growth strategy or investment with an objective of subsequent down-selling of those securities to the Company's clients. In order to make optimum use of funds available with the Company and also to achieve strategic and business objectives, it is proposed to increase the limit for acquisition of securities by way of subscription, purchase or otherwise of any other body corporate from ₹4,500 Crore (Rupees Four Thousand Five Hundred Crore Only) to ₹8,500 Crore (Rupees Eight Thousand Five Hundred Crore Only). For the sake of clarity, it is important to highlight that the proposed enhanced limit is exclusively intended for investments in securities of entities other than the Company's Subsidiaries or Group Companies.

Accordingly, the overall limits under Section 186 of the Act will be increased from ₹16,000 Crore (Rupees Sixteen Thousand Crore Only) to ₹20,000 Crore (Rupees Twenty Thousand Crore Only) for giving any loan to any person or body corporate, give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire by way of subscription, purchase or otherwise the securities of any other body corporate, as follows:

Sr. No.	Particulars of Instrument	₹ in Crore
1.	To give any loan to any person or other body corporate (primarily for Margin Trading Facility)	10,500 [^]
2.	To give any guarantee or provide security in connection with a loan to any other body corporate or person	1,000
3.	To acquire by way of subscription, purchase or otherwise the securities of any other body corporate	8,500
Total		20,000

[^]The limit for granting loans to any person or body corporate can be increased up to ₹20,000 Crore subject to the availability of other limits.

Accordingly, the Members' approval is sought for enhancement of existing limit under Section 186 of the Act from ₹16,000 Crore (Rupees Sixteen Thousand Crore Only) to ₹20,000 Crore (Rupees Twenty Thousand Crore Only).

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out at item no. 9 of the Notice.

Accordingly, the Board recommends the Special Resolution set out in item no. 9 of the Notice for approval of the Members of the Company.
