- The above is an extract of the detailed format of Quarterly Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015. The full format of the Quarterly and Yearly Financial Results are available on the Stock Exchange Websites (www.bseindia.com and nseindia.com) and the Company's Websites www.mywestside.com.
- The exceptional item in the standalone financial results of the previous year and quarter relates to impairment of investments in Trent Global Holdings Limited (a wholly owned subsidiary of the Company).
- The above unaudited Standalone and Consolidated Financial Results for the quarter ended 30th June'19 were reviewed by the Audit Committee and thereafter taken on record by the Board of Directors of the Company at its meeting held on 31st July, 2019.
- Effective April 1, 2019, Trent Ltd and its subsidiaries adopted Ind AS 116 "Leases", and applied the same to all applicable lease contracts existing on April 1, 2019 using the modified retrospective cumulative method allowed under the standard. Under this method, the cumulative adjustment, on the date of initial application, is taken to retained earnings and accordingly, comparatives for the year ended March 31, 2019 have not been retrospectively adjusted. On transition, the adoption of the new standard, in the standalone accounts, resulted in recognition of a Right-of-Use Asset (ROU) of ₹ 1656.78 crs and a Lease Liability of ₹ 2029.58 crs, the difference being a cumulative debit to retained earnings of ₹ 372.80 crs (net of taxes ₹ 242.53 crs). In the Statement of Profit & Loss for the current period, the nature of expense for operating leases has changed from lease rent in the previous year to depreciation cost for the ROU assets and finance cost for interest accrued on lease liabilities. The net effect of this adoption is that the standalone and consolidated profit before tax for the period are lower by ₹ 8.55 crs and ₹ 11.32 crs respectively.
- Following adoption of Ind AS 116 effective from April 1, 2019 the reported results are not comparable with the corresponding previous year /periods .The operating results are primarily not comparable on account of the following line items being impacted by the adoption of the new standard: depreciation, lease rentals and finance charges. The consolidated results for the quarter ended on June'18 and March'19 have not been subjected to limited review by the statutory auditor of the Company.
